

SEANRIGAN LAKE SCHOOL

A decorative border of yellow and orange roses with green leaves frames the central text. The roses are arranged in a flowing, vine-like pattern around the edges of the page.

Congratulations staff and students on another great year at Shawnigan. Everytime you open this yearbook you will be reminded of all the fun times you have had with your friends, staff, and house brothers or sisters. In this yearbook you will be exposed to the reality of student life at Shawnigan Lake. We worked hard to make sure all your memories were captured from opening to closing day. The spirit of our school has shon brightly this year through loud inter-houses, proud singing in chapel, and the converstaions and great meals had in Marion Hall. We enjoyed spending this year putting together a collection of memories and we hope you enjoy them for years to come!

WELCOME

From the Headmaster,
Richard (Larry) Lamont

A commission from the editorial team of “The Yearbook” has sent me in a nostalgic time machine back to my own last term at high school.

Exams and cricket matches punctuated the final summer term in 1991 after five years at Winchester College, England. I was just about to head directly onwards to read English Literature at university with no real vision of my career path. I would have been deeply shocked (as would my friends) if a crystal ball had revealed the highly improbable insight that one day I would be Headmaster of Shawnigan Lake School on the Pacific North West Coast of British Columbia.

I shall remember you vividly as my first set of Shawnigan Grades 8 to 12 in my capacity as Headmaster and would like to take this opportunity to thank you all for your support, generosity of spirit and guidance over the course of the academic year.

This Yearbook speaks to the adventures staff and students have had together – and our unique sense of community.

As the class of 2019 cohort draw strength for the next step beyond the secure and supportive world of Shawnigan, we wonder where you will all be in five, then ten then

twenty years’ time. What I know is that friendships that have been forged here will nourish you for many years to come.

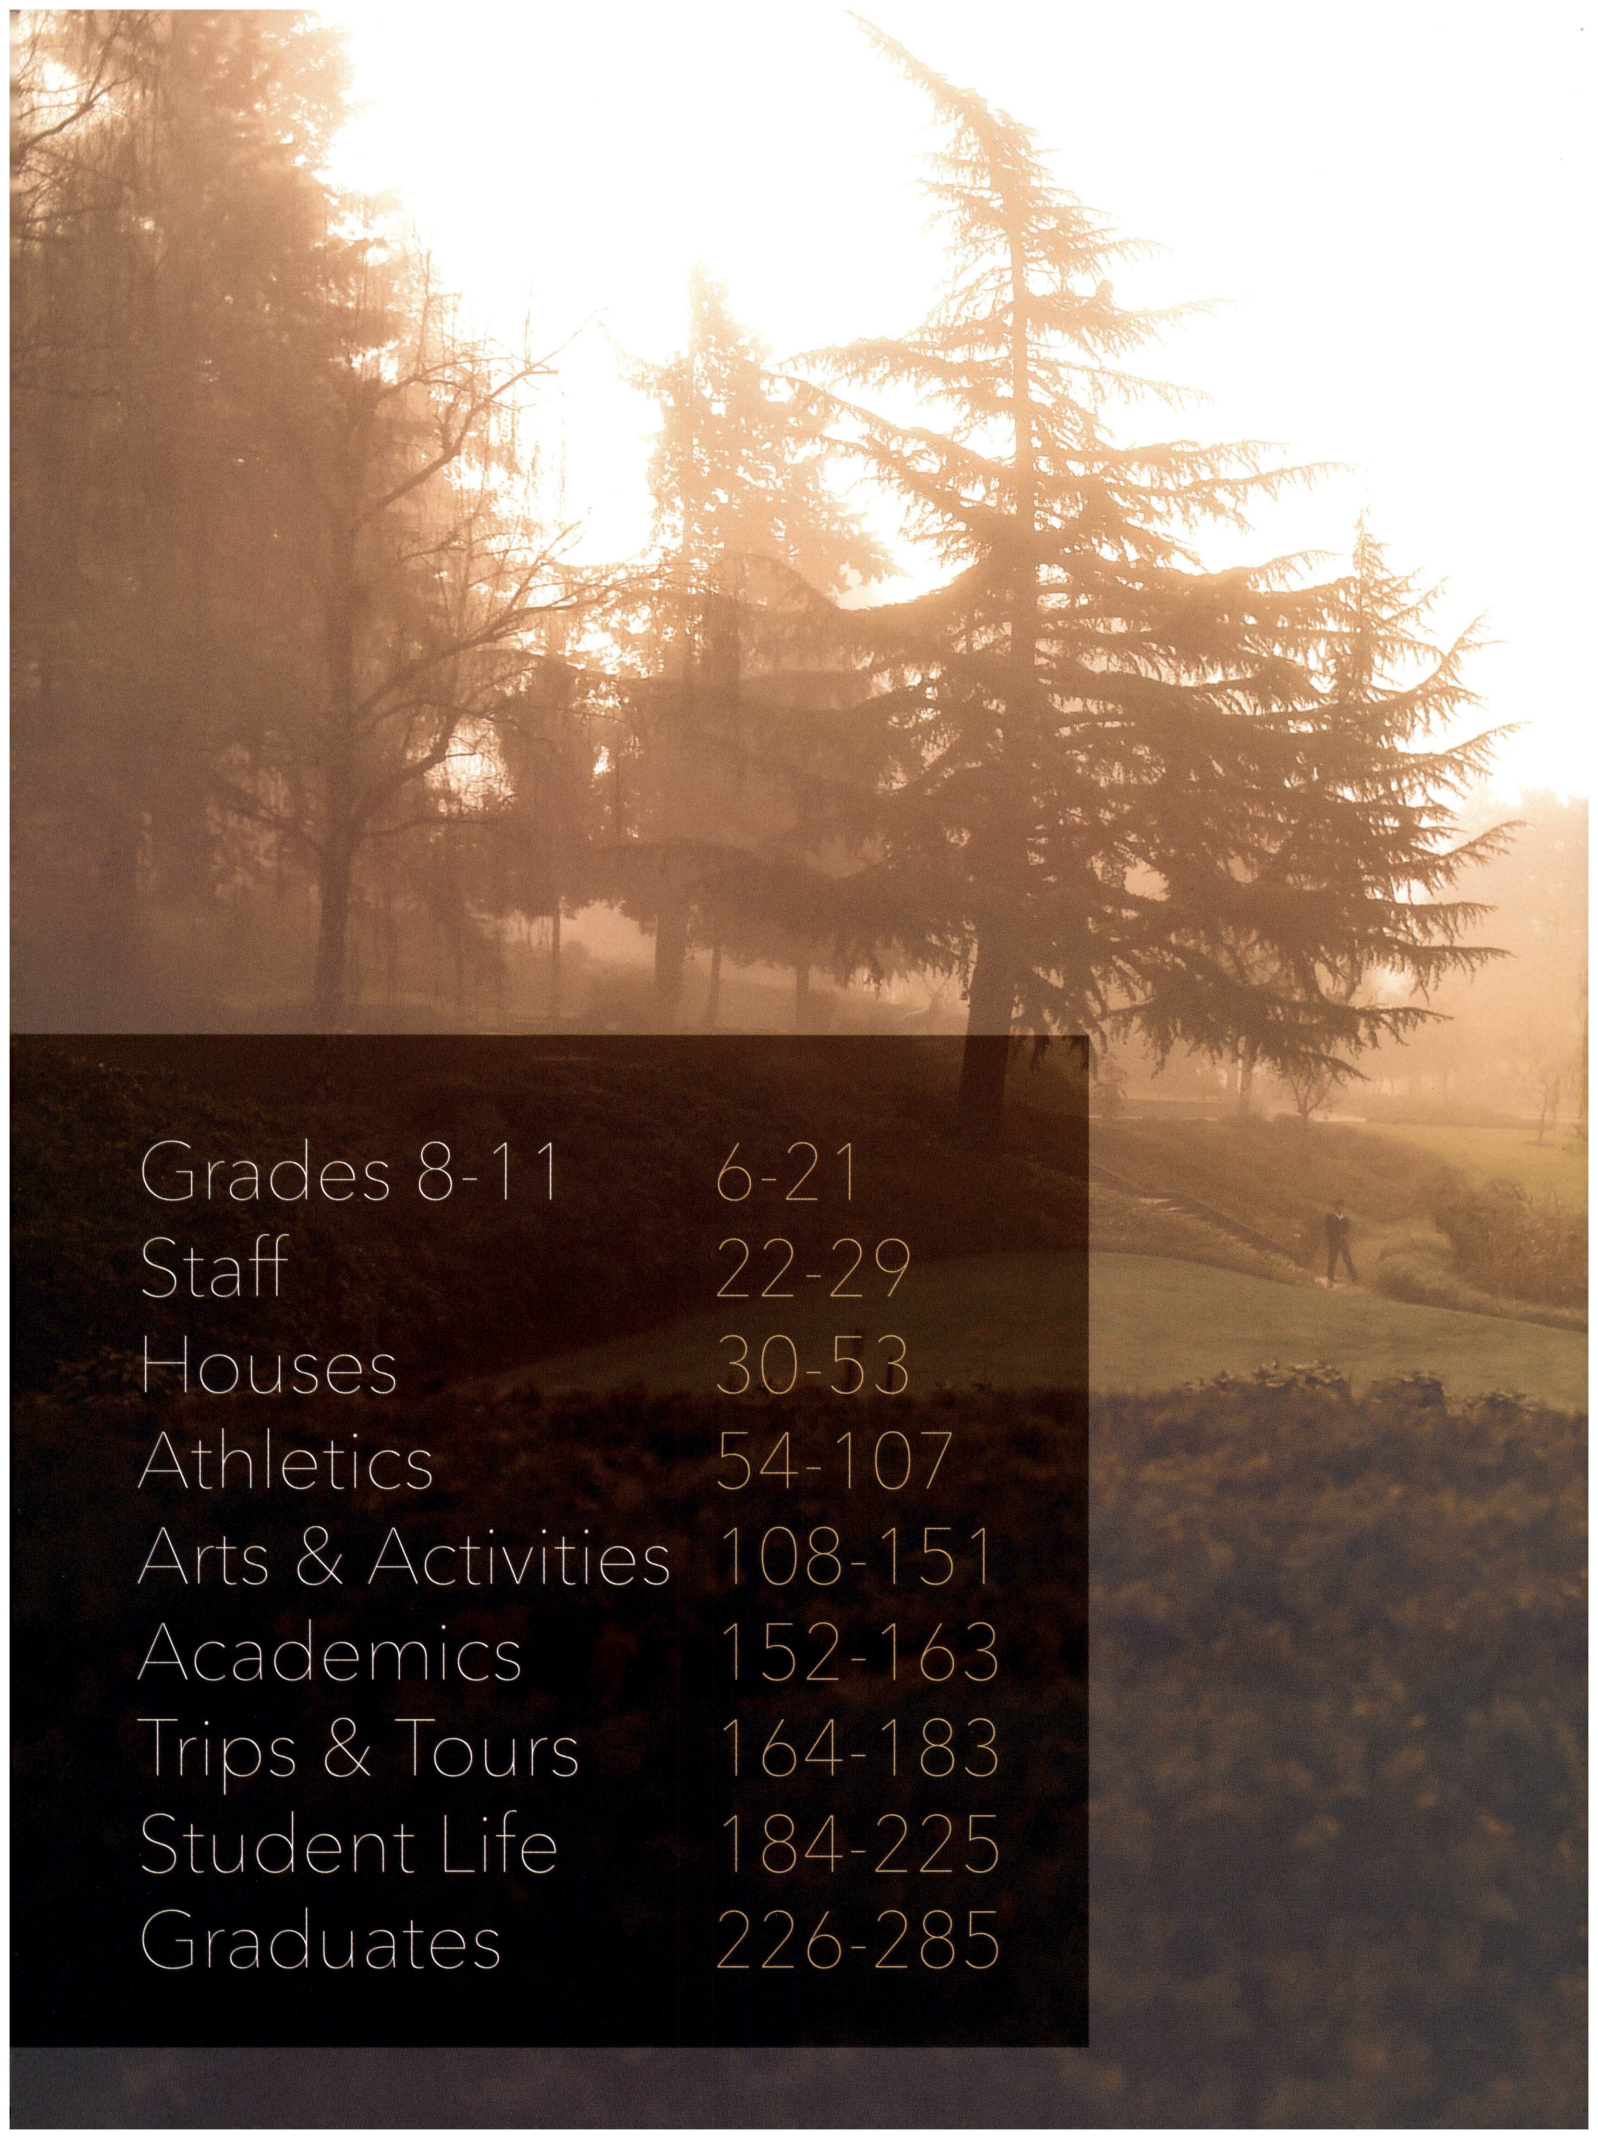

And, finally, take a moment to look into your crystal ball and, in the years to come, keep this yearbook on the shelf as a reminder of the friendships forged and the magic of Shawnigan.

Larry

More Facts about Richard Douglas Alasdair Lamont!

- Larry was his brother's nickname
- Went to London University, Cambridge, and Oxford.
- He met his wife at London University
- He is half South African
- He is quite shy
- Fishing, students and drivers that he met, and the fact that 40% of students are on financial aid drew him in to shawnigan.

Table of Contents

JUNIOR GRADE 8

Did you know?

Ski Week was Kale Jones's favorite memory of the year because it was when he did his first run down the bunny hill!

Do you prefer spring or Fall?

Who inspires you at Shawnigan?

Abby Dyer because although she doesn't say it, she is an amazing student and she is always eager to learn more. She is always pushing herself further to improve and should be an inspiration to everyone.
-Sofia Atkins

What is your dream job?

Professional Golfer - Adam Hyde-Lay

JUNIOR GRADE 9

Are you a morning person or night owl?

What was your favorite memory at Shawigan?

My favourite memory-as well as my least favourite-was during the grade 9 camping trip to Strathcona. The view was so amazing. There was this one place we stopped where the lush, green moss carpeted the rocks and the towering trees cradled the view of the rolling valley. Other than my bed, it had been the most beautiful thing my near-sighted eyes have ever laid their gaze upon. On the day it was our turn to camp out in the middle of a beautiful nowhere, it rained. It rained so hard that a small dog, like a chihuahua or something, could drop from the sky and clock me right in the face, and I'd be none the wiser. It was so horrible, and cold, and wet, but also ridiculously fun. And then, in the night, it rained the most. We also didn't set up our tarp properly so the rain got into some of our stuff. Thankfully, we were going back to school the day that day.

JUNIOR GRADE 10

When are you most productive?

Who inspires you at Shawnigan?

My brother has always been my role model. He has guided me for the past 3 years at the school; however, he will be graduating this year. When he leaves, I will try my best to fill in his shoes. People have high expectations for me owing to the fact that my brother was one of the most idolized students.

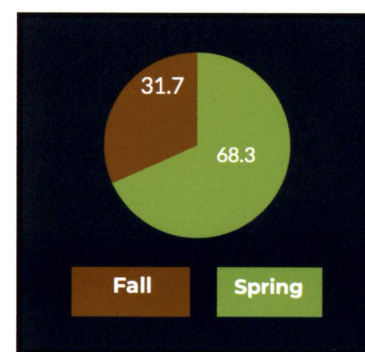

-Seiya Tanaka-Campbell

Mr. Pollock because he always pushes you to do well on and off the ice

-Matt Strilets

Mrs. Cari Bell because she is the most hardworking person I know and she truly wants the best for everybody and that's why she is the best teacher I've ever had!

-Craig Mitchell-Hermann

Do you prefer spring or fall?

If you had a superpower what would it be and why?

Jake Brown

To jump high enough so I could dunk on Sergio

Chiara Chan

Teleportation cuz i can just teleport to class

JUNIOR GRADE 10

What was your favourite childhood toy or show?

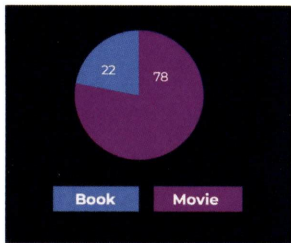

The old Disney channel, with the good shows. Wizards of Waverley Place is a good one. -Hannah Shope

Show: bearenstein bears. Toy: calico critters -Caroline Cohen

Scooby Doo -Rowan

Nurf Guns -finn Rourke

Phineas and Ferb -Ted, Jordan Dixon, & Tom Morrissey

Do you prefer book or movie?

What is your favourite class and why?

Mandarin, Ms Sun is a beauty. -Joshua Cull

Creative writing -Paige Wilson

Science, because Ransom -Rowan

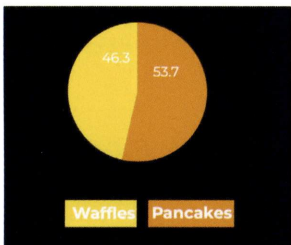

Science, thanks to Mr. Noble -Erik Jang

Art, cuz it's chill - Chiara

I like Social Studies class because Mr. Pasquale is really cool. -Matt Heck

Music because it teaches me things that I will need for my first choice future job -Reuben Shepherd

Guitar because we're all really close in the class and it's fun -Mimi Gbobaniyi

ONE STAFF...

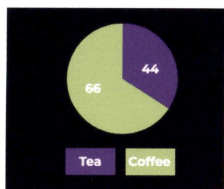

Spring OR Fall?

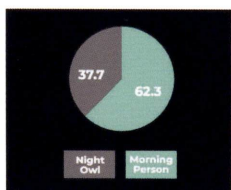

Pancakes OR Waffles?

Something SLS has taught you?

Patience and pay off.
To be ready for anything.
That learning is a life-long pursuit.
Better appreciation for the Arts.
There is not enough time.
Be generous in your view of others.
That there is never a calm week.
Never underestimate what students can do.
Community is a powerful resource.
How to walk quickly in heels.
Everyone has a story.
To engage in all that is offered.
That kids today have waaaaay more to deal with than we ever did.

What would your Superpower be and why?

being able to stretch like Mr Fantastic or elasticgirl! You would never feel sore and be able to reach everything.
to fly so I could go home to Zimbabwe to see my family more often.
control the weather so there's never any wind during rowing practice!
teleportation, it would allow me to see more of the world.
talking and communicating with animals. because then I could beat the traffic and talk to all of the campus dogs.
to be able to breath underwater. I'm fascinated by the underwater world.
would end global warming so that the generations to come would have the opportunity to see the world as it should be.
to stop time because some moments are so special and they fly by too quickly.
the power to make people laugh. Laughter is the best sound in the world and it could stop wars.
the ability to grow my fingers instantaneously, because I would never have to bend over to tie my shoe laces.
wolverine's powers and claws cause he's awesome.
invisibility, because it's like being a ghost without having to die.
physically create anything that is in my mind.
some magic dust that would take away anxiety from kids. Why? Because I hate to see amazing, talented kids
suffer with self doubt and worry.

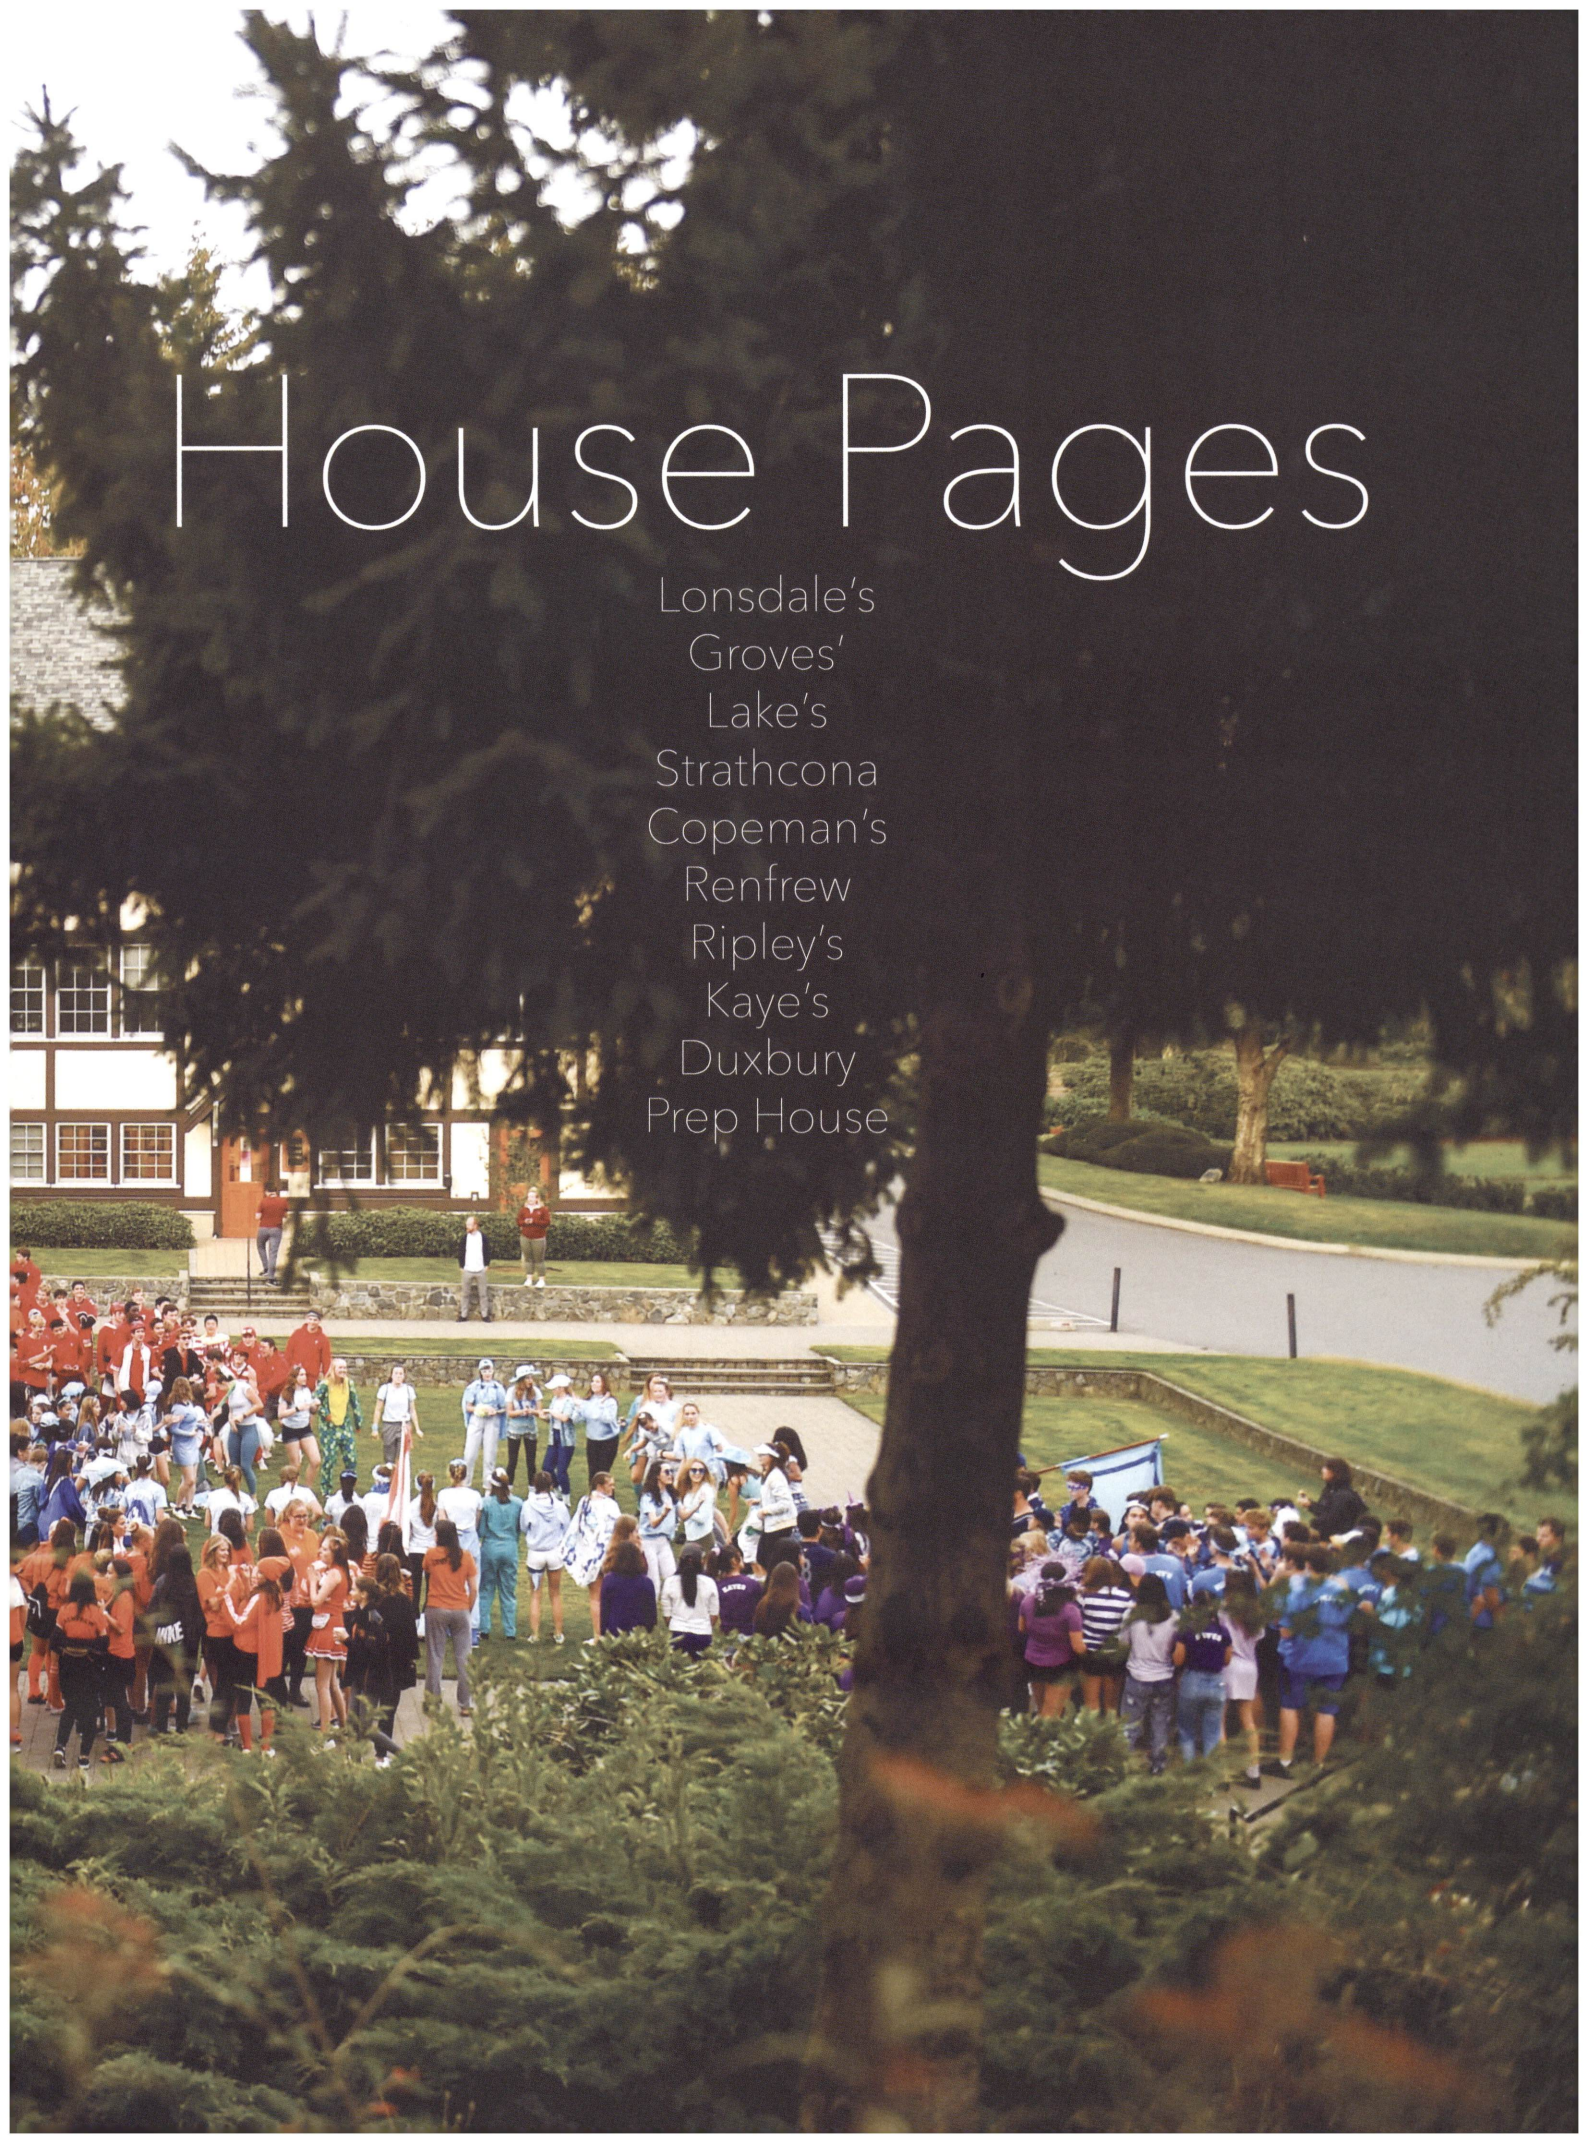

Fun fact about you?

I was once a private chef on a Gulf Island.
I was a Captain in the Army.
I have 6 kids, 3 dogs, 3 cats, 30 chickens, 1 rabbit.
I love Celion Dion and I'm terrified of clowns and snakes.
I have been with the same man for 47 years.
I have kissed Fidel Castro.
I've caught a fish that weighs more than I do.
I enjoy writing raps!
I have a cadaver hamstrung in my ankle.
I was struck by lightning.
I have over 70 books full of writing locked in an antique war trunk.
I have two completely different ears.
I love organizing spaces.
I got my motorcycle license at age 49!

Kelsey McDaniel

Head of House
Nathan Goliath

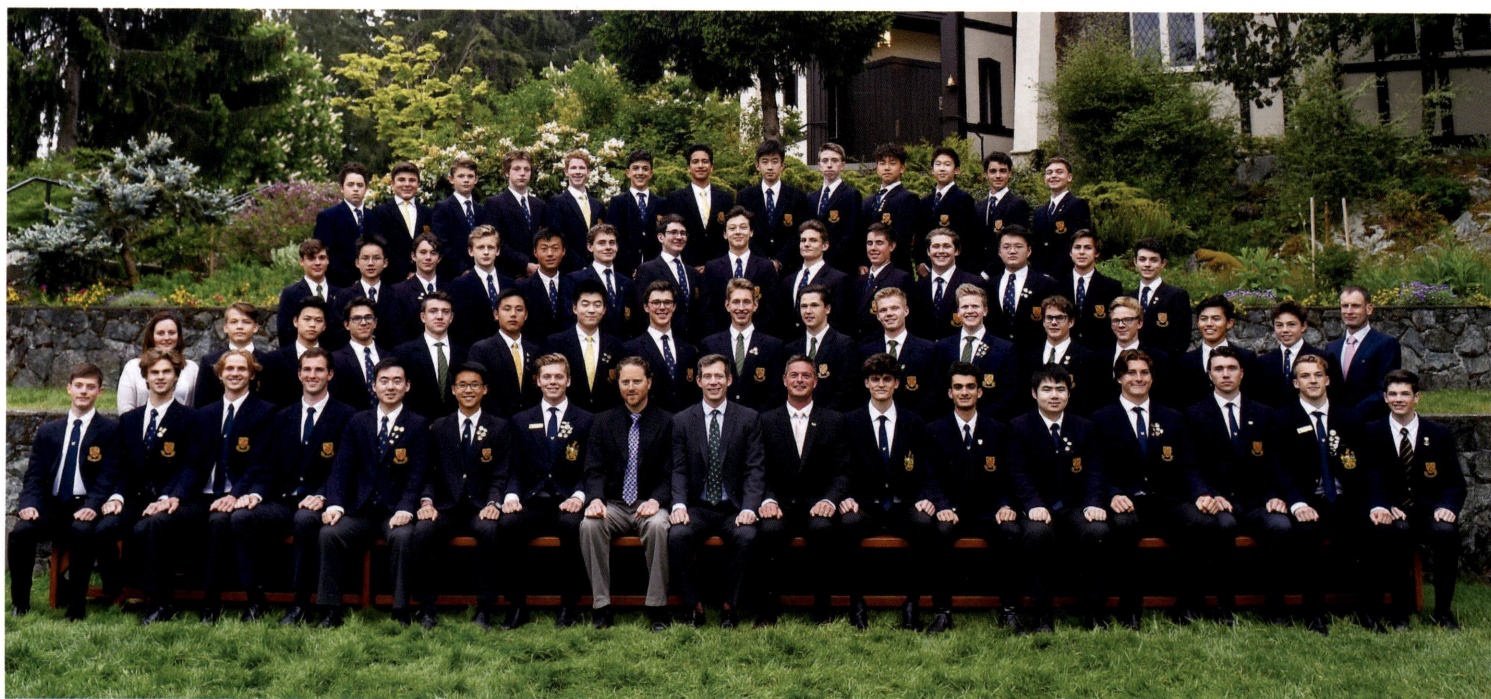

Deputy Head of House
Dean Golestaneh

Deputy Head of House
Caleb Parkhouse

In Lonsdale's, it's always been our goal to build not just friendships, but a family. We strive to bring the guys together whenever possible. For example, it doesn't matter what grade a guy is in or what he likes to do, it can almost be guaranteed that at some point he would find himself spending time with the boys outside. Some play. Some watch. But everyone's together, talking, relaxing, bonding. To us, the moments spent playing basketball and rugby after dinner are more than just a way to pass the time - they're the moments that bring us together. They're the moments where we're just having fun, enjoying where we are and who we're with. It's these moments that define what it means to be a part of Lonsdale's. ~Nathan Goliath

Back row: Chase Rederburg, Owen Quinn, Tye Edgson, Ian Mills, Edward Rushworth, Kyan Miranda, Rehia Castagnoli, Raphael Li, Jack McDonnell, Benjamin Kim, Alex Pan, Adam Hyde-Lay, Lucas Klassen

3rd row: Mac Ratzlaff, Martin Gao, Austen Chilton, Owen Wheatley, Jerry Chen, Henry Cannan, Henry Young, Ethan David, Sam Hokanson, Daniel Davidson, Jaden Lyons, Damon Kwok, Quinn Ransom, Emmett Joly

2nd row: Mrs. Russell, Chingis Saktoev, Eric Qiu, Emirhan Aydin, Graeme Norris, Austin Leong, Caesar Zheng, Marc Potthast, Sam Addison, Kyle Billy, Jamin Hodgkins, Spencer Nasralla, Isaac Hokanson, Michael Ralf, Gou Lemkuil, Nick Aspinall, Mr. Swannell

1st row: Luiz Sala de Melo Costa, Cole Shaw-Antonio, Dakota Stevenson, Charles Asche, Jason Wu, Aaron Wong, Nathan Goliath, Mr. Zacks, Mr. Monro, Mr. McDaniels, Caleb Parkhouse, Dean Golestaneh, Yang Geng, Brenner Kelava, Austen McIvor, Ciaran Breen, Will Johnson

Missing: Stewart Walker

My favorite memory from this year with the house definitely has to be Inter House Track and Field at the beginning of the year. It was the first time when our house really came together, with all of us being there to cheer each other on and compete for Lonsdale's. Having all the boys there shouting and supporting each other, and having the opportunity to be there as their leader, was a feeling I will always remember.

~ Nate Goliath

Assistant House Director
Nicole Ronald-Jones

Assistant House Director
Arden Gill

Head of House
Maria Guadarrama

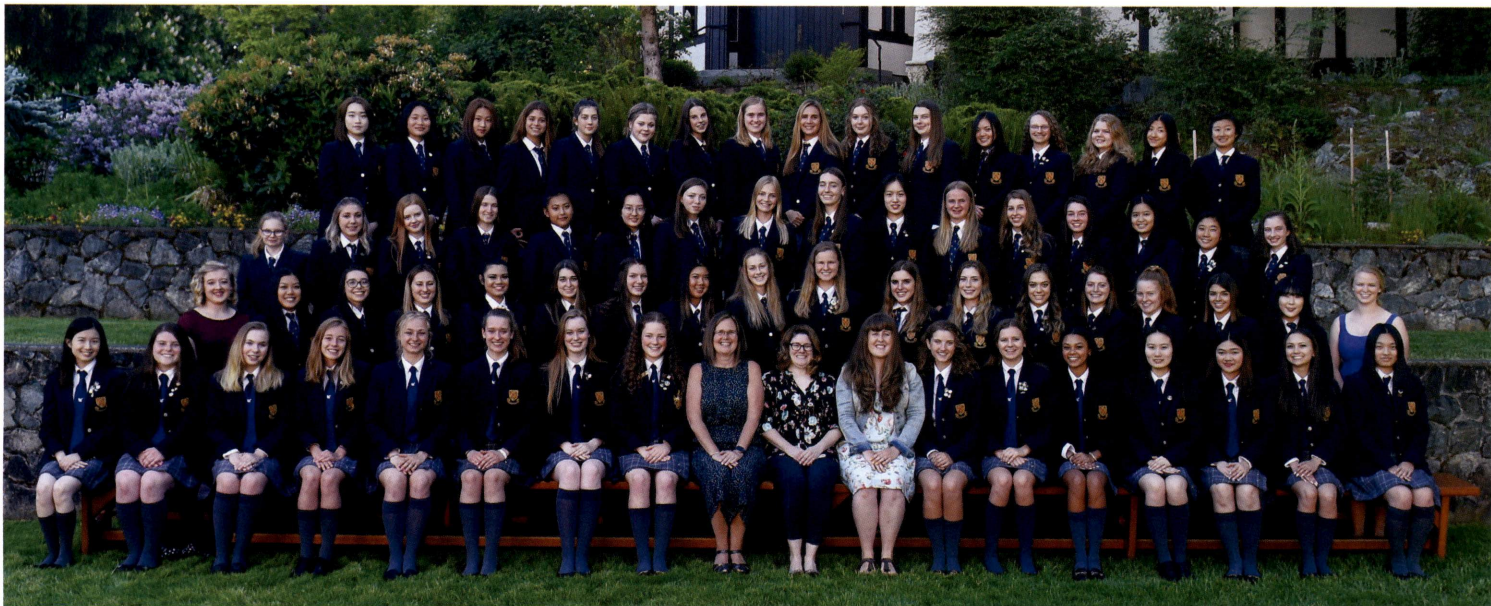

Deputy Head of House
Lauren Nissen

Deputy Head of House
Mishayla Christensen

It is impossible to capture all of the aspects that make Groves' House so special. Before coming to Shawnigan, I never would have imagined the impact that the girls in the house would have on me. Groves' has been so much more than just a dorm over the past four years. There is so much character within a house of 70 incredibly talented girls, many of who come from all around the globe, bringing their own cultures and perspectives together and creating a diverse, yet unified, sense of family. I want to thank all of the Groves' girls for making this house one to be extremely proud of. The connections and memories I have made will last a lifetime, and I cherish them deeply. At the end of a long school day, and an exhausting amount of stairs, walking into Groves' and tripping over millions of shoes in the foyer, I somehow immediately feel comforted. Everyone in Groves' has something to learn from one another. Some of the many things that the girls have taught me are patience, loyalty, and forgiveness. I can say that I would not be who I am today without the support of the girls and the duty staff in the house. I would like to thank the duty staff, for always being there for us, especially Mrs. RJ and Ms. Cholack. Their devotion and support for each and every one of us does not go unrecognized. Thank you to our housekeeper, Val, for always checking up on us and giving us a friendly smile and 'good morning' as we walk out the door. I want to extend my thanks to all of the grade 12s for being who they are and for all of the memories we have shared. To the wonderful girls of Groves', cherish the friendships and memories you have in the house. I realize now how time can fly when you are surrounded by people you unconditionally love. I want to thank you all for being part of such an amazing and unforgettable year.

Missing: Carly Mader, Cynthia Dou, Emma Bishop, Leticia Cidrao Parente, Mishayla Christensen, Nicole Ross, Taiya Downie

Inter-house track and field was a great way to start off the school year. Many girls were nervous to compete but we were all able to come together, work hard and support one another. It was the first time in the year that the whole house united and the new girls were able to shake off their homesickness at that moment and core their energy into a feeling of unity.

LAKE'S

NON SIBI SED ALIIS

House Director
Wes Plater

Assistant House Director
Colin Mattock

Head of House
Markus Bergvinson

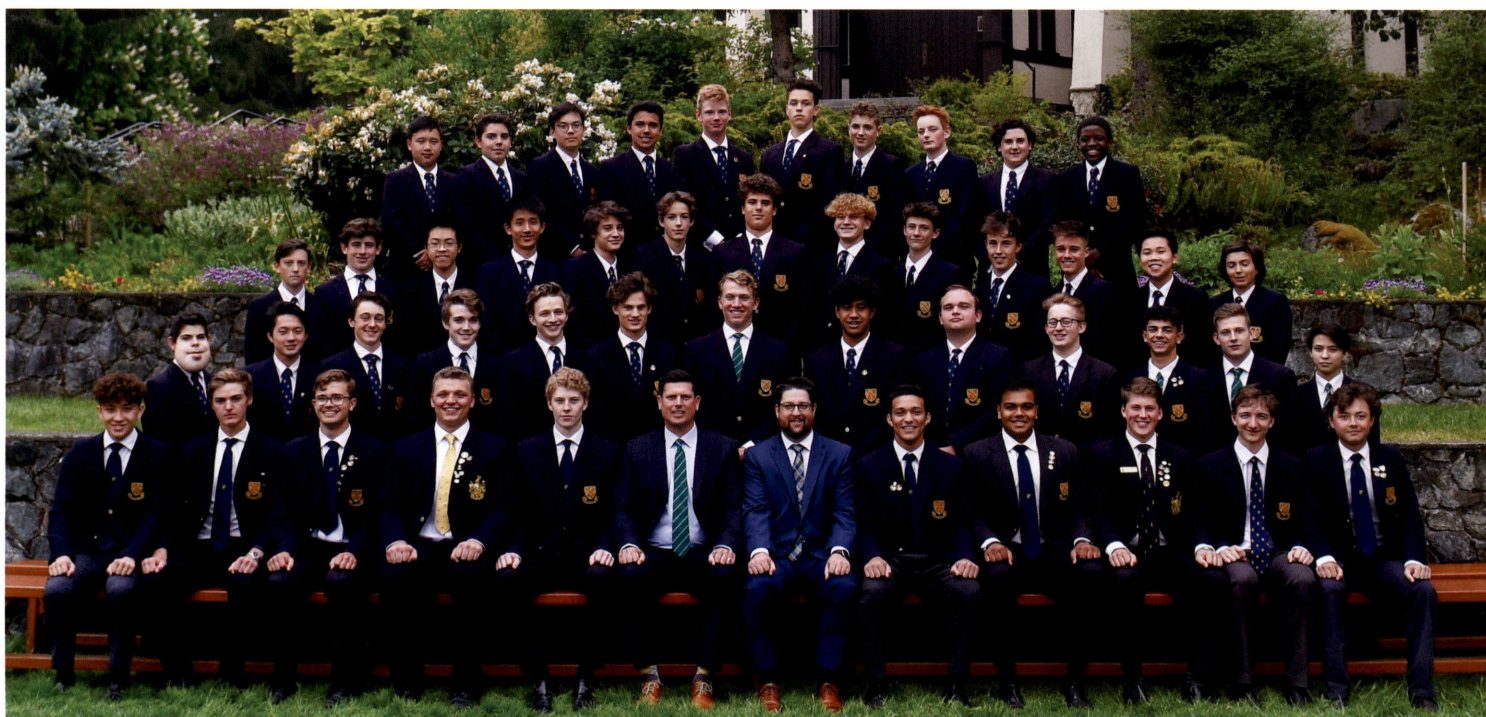

Deputy Head of House
Moamen Elhendawi

Deputy Head of House
Isaac La Roy

As my three years at Shawnigan come to an end, it has been an honour to be the Head of Lake's House. From the constant excitement of the boys to our fun filled weekends, there was never a dull moment this year in Lake's. The tight knit community and everlasting friendships have led to an amazing final year for myself and all the other twelves. Lake's members consistently supported each other and, when competing in inter-House events, we proudly displayed our House symbol—the emerald green gryphon. Due to the reinforced community built through comradery and trust, ensuing the House motto “Non Sibi Sed Aliis” (not for oneself but for others) never came as a task. On behalf of all of us, I would like to thank Mr. Plater and Mr. Mattock for guiding us towards our own individual success. The members of Lake's were also fortunate to have Mr. Fehr, Mr. De Leeuw and Mr. Grisdale as our duty staff, continuously ensuring that the House ran smoothly and that we were always in line. I speak for the entire senior Lake's team in saying that this has been an unforgettable final year.

~Markus Bergvinson

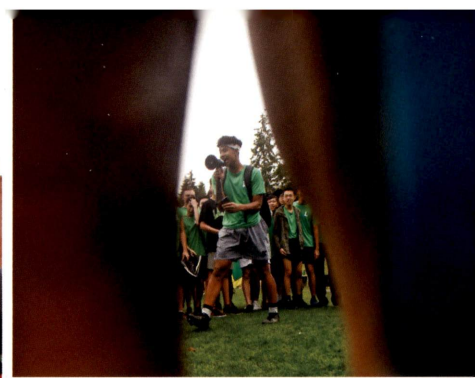

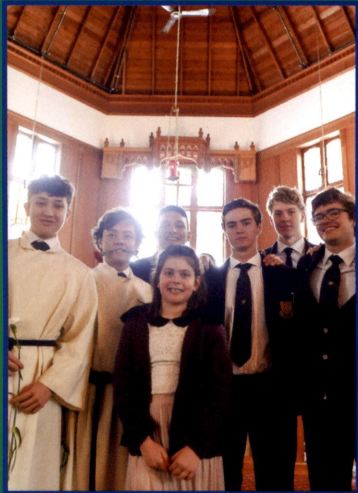

Back row: Seth Plater, Robin Xu, Stefano Ruggieri, Daniel Minchenko, Magnus Scott, Gunnar Platt, Dylan McCormick, Ben Wright, Sebastian Stowe, Alejandro Borrego, Rudi Tezinde Juan Pablo Flores,

3rd row: Ryan Smith, Marcus Cheong, Justin Look, Caden Gendall, Hayden Isherwood, Alex Redl, Rowan Zinkin, Owen Plater, Thomas Crossdale, Aslan Farboud, Jackie Chan

2nd row: GianMarco Ruggieri, Hiroki Nakayama, Dredyn Fontana, John Dowey, Noah Leibl, Will Mann, Will Gurski, Dru-Leo Leusogi-Ape, Hunter Hamilton, Ethan Raduy, Imran Karmali, Corbin Hanson, Napatr Sansaneeyawet

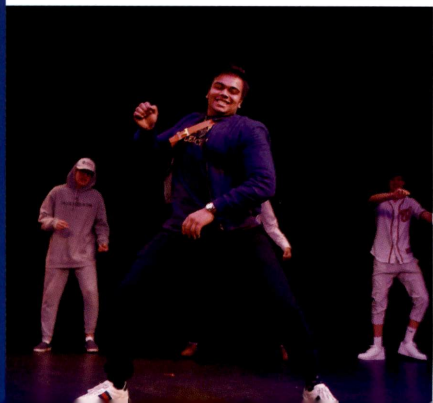

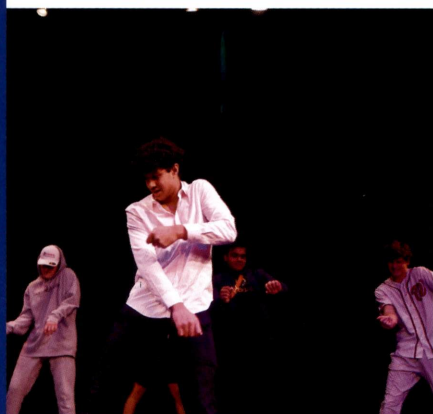

1st row: Karsten Lund, William Reid, Josh Wheeler, Carl Swanson, Markus Bergvinson, Mr. Plater, Mr. Mattock, Moamen Elhendawi, Aaryan Kochhar, Isaac La Roy, James Wolfe, Andres Vazquez

Missing: Adrien Valenzuela Simkoff, Geoff Kim, Gabriel Au, Kristjan Shoemaker

Our most cherished memory would be the Lake's annual Christmas celebration. This year's Christmas party was particularly memorable because after the staff had opened their gifts and left, the rest of the house stayed to celebrate with music and pizza. We had a really good time bonding and got to enjoy everything from Dru-Leo's amazing dancing to Moamen's acrobatics. I think that this memory will be cherished by the entire house as a representation of the Lake's House community.

STRATHCONA

CHERCHONS

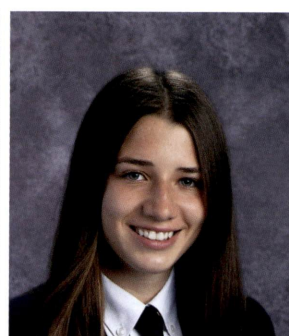

House Director
Maureen Connolly

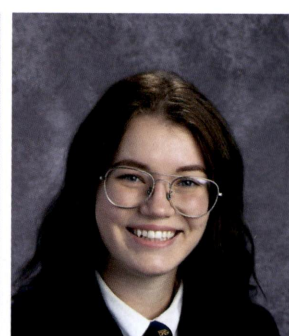

Assistant House Director
Andi Conroy

Head of House
Tolani Akinyosoye

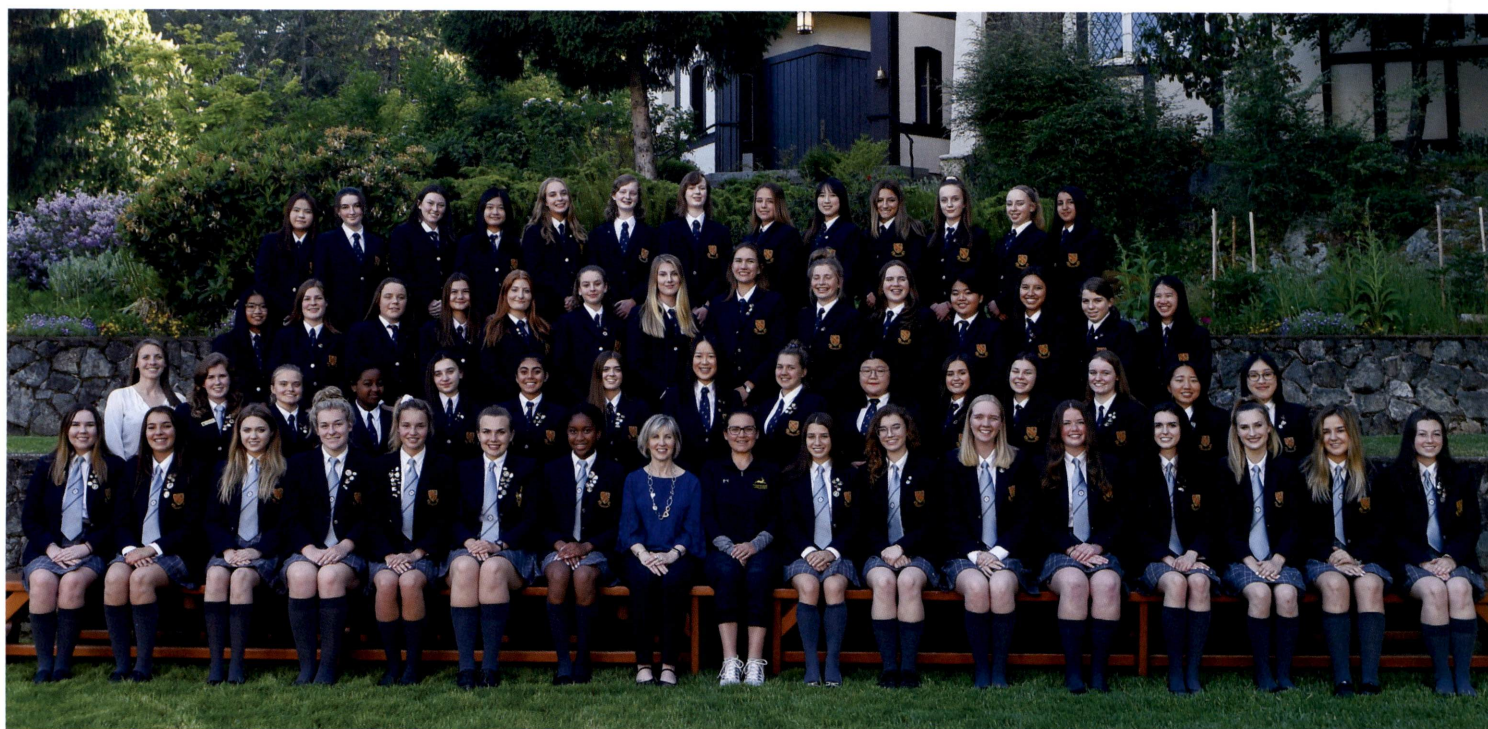

Deputy Head of House
Atoussa Farbound

Deputy Head of House
Makenna Ellis

It still feels surreal that my time in Strathcona is already over. Every year, I have been so fortunate to have met people that have become sisters to me and to be surrounded by girls who have, without question, always been able to be their authentic selves no matter what. Strath has been a place that's offered and provided so much comfort and love for my personal self, and I know that I can speak on behalf of the other grade 12s and the rest of the house to say that those feelings are mutual. Despite the different people that have been in and out of Strathcona over the years, the consistent welcoming community that we have starts from our duty staff, and I couldn't ask for better house parents. Mrs. Connolly and Mrs. Conroy and the rest of the duty staff of Strathcona, past and present, have always been so supportive and caring, and I couldn't be more grateful to have you alongside through the good times, and the bad. I've been so lucky to call Strathcona my home for these past five years, and although I'll miss the house, I have so many memories to take with me. Also, Tinker, Dude and Gracie, you all have my heart.

~Tolani Akinyosoye

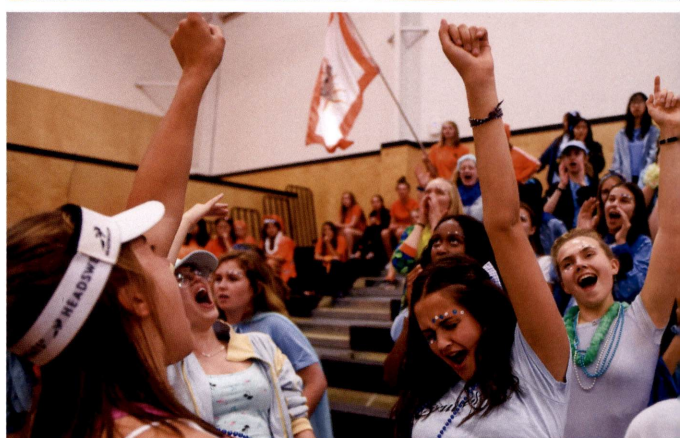

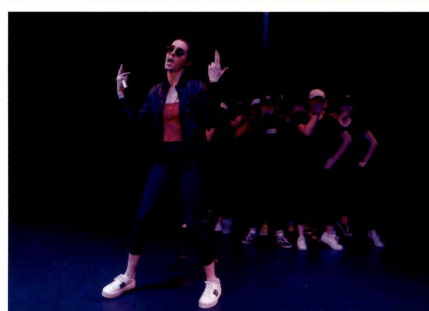

Back row: Vicky Ma, Marin Regan, Katy Carmichael, Amy He, Charlie Bazant, Lucy Lavigne, Grace Lavigne, Monica Ruiz, Kyrene Xiong, Leya Lubarsky, Minnie Trimmingham, MacKinley Bourne, Ana Karen Ahumada

3rd row: Julia Truong, Allison Moore, Isla Lamb, Ainsley Fawcett, Madison Grundy, Kate Southerland, Beth Schartau, Abby Dyer, Jazmin Wheeler, Keely Ralf, Chelsie Wong, Caitlyn Beck, Hannah Bitar, Xinyao Chen

2nd row: Ms. Linn, Kerry Walker, Gracie McAllister, Nnenna Onwukwe, Helena Letendre, Nicole Cherry, Katelyn Mader, Clara Lo, Sydney Hall, SuMin Kim, Ava Schumacher, Anna Cruz, Kathleen Hyde-Lay, Selena Lee, Sophia Chong

1st row: Dana Mills, Alli Milne, Esther Perrott, Kiara Stecko, Tatum Hayhurst, Paige Doig, Tolani Akinyosoye, Ms. Connolly, Ms. Conroy, Atoussa Farbound, Makenna Ellis, Nicole Staples, Lauren Spink, Georgia Cannan, Annika Belireau, Gillian Moore, Sarah Carmichael

Missing: Anita Yao, Coco Zuber, Faline Yu, Jessie Li, Kylie Joy, Dana Sellars

So far this year, my favourite memory of the house would definitely be our annual Lakes and Strath Christmas dinner. From the drive up listening to and belting out Christmas songs, to playing trivia and eating lots of food at the country club, it was an amazing night for the Strath girls to spend time with each other and their brother house, and a better way to wrap up the first term.

COPEMAN'S

UBI CRUX IBI LUX

House Director
David Hyde-Lay

Assistant House Director
Remi Ancil

Head of House
Jacob Lillywhite

Deputy Head of House
Pol Hosakul

Deputy Head of House
Jack Newman

The year started out with a bang as Copeman's house took 2nd place in track and field, and though we had mixed results in the other inter-house events this did not hurt our pride. Inter-house is not the defining feature of a house. In Copeman's we take pride in being a tight-knit group of respectful guys. This year was no exception. It was no surprise at all when friendships started to develop within the house right away. Friendships that grew into a feeling of brotherhood over the year. Spirits were constantly high never seeming to waver. Another great feature of Copeman's is our staff, always willing to spend time helping students with prep or other problems in life. To the Copeman's house staff, Mr. and Mrs. Lupton, Dr. Taylor, Mr. Wilke and Mr. Sturrock. Thank you from all of Copeman's. To Ms. Birke, the work you do cleaning Copeman's every day is greatly appreciated; also, taking time out of your routine to talk to all the boys shows how much you care. Thank you so much! Special thanks to Mr. Ancil and Mr. Hyde-Lay for spending countless hours making sure the house runs smoothly. This was another great year for Copeman's house.

~Jacob Lillywhite

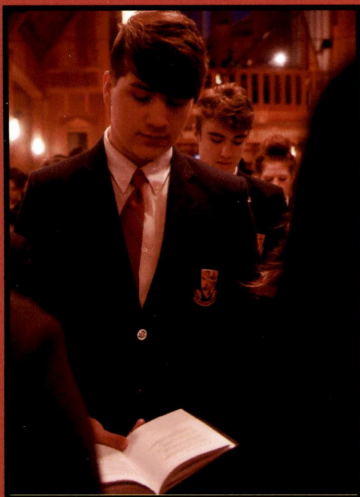

Back row: Lucas Liu, Bernardo Villacecias, James Bryant, Brody Simpson, Benedikt Howard, Dayton Craik, Dylan Thygesen, Ben Bishop, Sam Van Der Merwe, Emilio Sanchez, Austin Ding, Peter Salmon

3rd row: Harry Sun, Tomas Spillane, Roham Mohseni, Marshall McDonald, Ben Job, Sam Heward, Torben Gram, Cole Fournier, Dominic Pelosi, Matt Strilets, GJ Pipidaecha, Seamus Drader, Ian Gilmore

2nd row: Alan Lin, Taiki Kimura, Josh Van Unen, Jack Newman, Isaac Knelson, Owen Evers, Dylan Chaudhry, Enrique Ortega Navarro, John Van Der Merwe, Josh Ruan, Ethan Anstey, Mitchell Clements, Fergus James

1st row: Keigo Hachisuka, Nic Karmal, Koby Bujdoso, Jessy Boothman, Cody Stockton, Jacob Lillywhite, Mr. David Hyde-Lay, Mr. Remi Ancil, Pol Hosakul, Caio Povia Redivo, Oscar Ruutel, Jacob Fraser, Thomas Dryden, Sergio Pereira

Missing: Alex Robins

The highlight of the year came very early on at interhouse track and field. After coming 4th or 5th for a few years straight, it was great to take 2nd place this year. Both new and returning students celebrated together, and many friendships soon formed after. A wonderful moment which helped set the tone early for a great year to come.

RENFREW

SOLAE PAULUM UNITER TANTUM

House Director
Andrea Carballo

Assistant House Director
Kristen Turner

Head of House
Maggie Banks

Deputy Head of House
Jaden Bomans

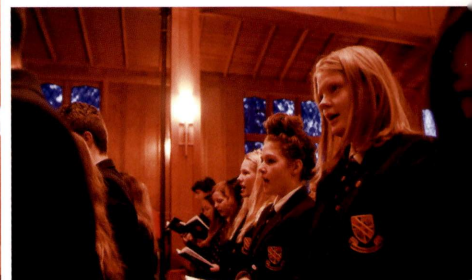

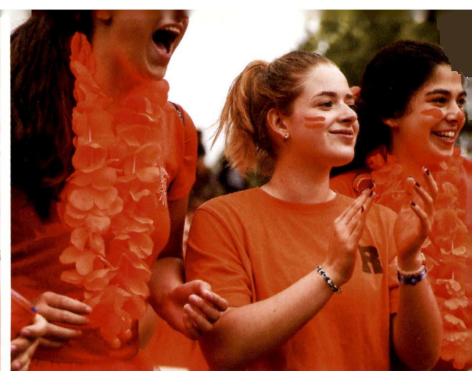

Deputy Head of House
Jamie Bell

As my time at Shawnigan comes to an end, sadly so does my time in Renfrew House. After spending 4 years in Renfrew I can truly say that the house has changed my life. Although having 63 girls living together isn't always smooth sailing, each and every girl plays such an important piece to our puzzle. There isn't another group of girls in the world I would rather dress from head to toe in bright orange with, binge eat Stag fries with or dance with late at night in the foyer. The dynamic within Renfrew is something impossible to put into words and truly something so special. I can talk all about how amazing Renfrew is but, it could not be this way without our amazing staff. Thank you Mrs. Turner for bringing a constant light to the house (and a cute baby soon)! Thank you Ms. Dalke for late night gossip sessions and advice. Thank you to Mrs. Platt, Mrs. Ketch and Rose for being such amazing additions to our house. Thank you to Ms. Agate for always laughing all night with us. Thank you to Ms. LaRose, without you we would be a complete disaster and probably go hungry. Thank you to every single Renfrew girl. You all have a truly special place in my heart. And last but not least thank you to "The Boss", Senora. You are so special and we can't thank you enough for all you do for every single girl in Renfrew. Thank you for a great year and for memories that will last a lifetime.

~Maggie Banks

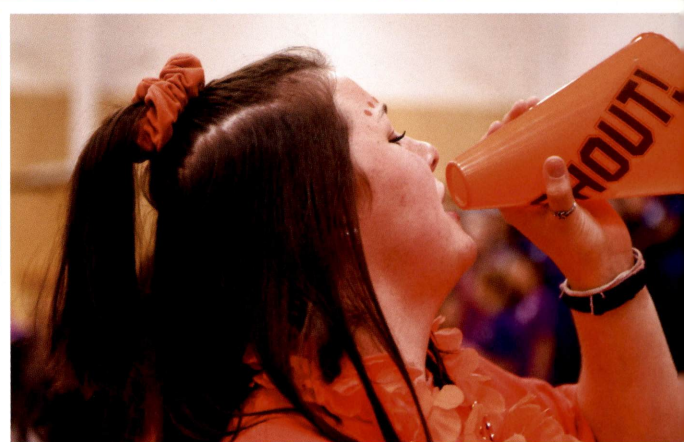

Back row: Karen Huang, Ruby Clemons, Peyton Bomans, Hayley Taylor, Catherine Asche, Zara Bongiorno, Janie Zhang, Hannah Tait, Victoria Qiu
3rd row: Boon Chootrakul, Maddie Johnston, Julia Zhang, Mimi Gbobaniyi, Jill Turko, Timi Ademola, Ellexi Fulton, Erin Oldfield, Isabella Pienaar, Sedonia Borden, Meghan Gillmore, Chiara Chan, Joysie Wu, Kylie Kim
2nd row: Miss Agate, Ms. Rose, Abby Lu, Hannah King, Bridget Persson, Fara Fola-Alade, Benita Meier, Raquelle Degelman, Hallie Bryant, Selina Zeng, Chloe Storie-Soth, Birkley Anderson, Olivia Brigden, Saige Brimacombe, Bailey Finnegan, Mrs. Ketch
1st row: Mia Liang, Holly Cumming, Gabrielle Owen, Marcella Gram, Meghan Christensen-MacDonald, Elizabeth Esterhuizen, Maggie Banks, Ms. Dalke, Mrs. Carballo, Ms. Turner, Jaden Bomans, Jamie Bell, Trinity Gladstone, Emma Hansen, Melissa Singh, Eva DeBaie, Uma Tiurpenko
Missing: Amia La Roy, Isabelle Oestreich, Isabel Ortega Figueroa, Silvia Ortega Figueroa, Gigi Yeung, Erica Herchen, Kamryn Grooms, Maria Paula Duarte Valdes, Caroline Cohen, Zosia Adamek

My favourite memory of Renfrew was our House Christmas party and Secret Santa. It was a night full of stupid games, gifts, lots of pictures, food and endless laughs. It was a night that brought our house so much closer together.

RIPLEY'S

ACTA MON VERBA

House Director
Andrew Doyle

Assistant House Director
James Pollock

Head of House
Jojo Tanaka-Campbell

Deputy Head of House
Dalan Marleau

Deputy Head of House
Freddy Wang

It is strange to think that the year went by so quickly. Looking back on the year and reflecting on the times spent with the house, there has never been a dull moment to say the least. With a spark, we began the year on a great note by winning inter house track and field for the first time in many years, and continued on our hot streak throughout the course of the year with airband, hockey, soccer, rowing, ski week and more. But the most special parts about Ripley's happen within the house itself. Whether it is playing pool with the boys, having barbeques in the backyard, prepping for big dances, or pranking each other just for the fun of it, things never change as there is always something to do no matter what the day. This begins with the boys themselves. The dictionary definition for family states that "the good thing about having a big family, all living together, is having the support, and not being lonely." As clumsy and silly as we can be, when it comes to the other brothers in our house, we never fail to keep each other happy and always make sure none of us are lonely. If one were to say that breathing is natural for humans, then in Ripley's, keeping each other happy is just as natural as breathing. After all, double blue can do: together. ACTA NON VERBA

~Jojo Tanaka-Campbell

Back row: Iain Brown, Sewon Sung, Darion Feser, Bryn Samuels, Devon Clayton, Charlie Bagnell-Dubras, Kevin Cerry, Nolan Winchester

3rd row: Ray Guo, Eric Jang, Sam Sousa, Hai Vu, Gordon Kean, Ted Champion, Dominic Pagani, Craig Mitchell-Herman, Chai Gouda, Dev Gouda

2nd row: Seiya Tanaka-Campbell, Joaquin Ganoza, Dario Staples, Gareth Cooper, Aaron Trotter, Riley Billy, Owen Bramely, Micheal Cecchi, Andrew Braun, Nico Falcon, Leo Yuan, Tom Morrissey

1st row: Dayle Glenn, Nicolas Winchester, Byron Chang, Juan Pablo Nieto, Jojo Tanaka-Campbell, Mr. Doyle, Mr. Pollock, Dalan Marleau, Freddy Wang, Emilio Vasquez, Rhys Jobbitt, Malcolm Shields

Missing: Connor Keys, Diego Tame, Dominic Skelcher, Gregory Hall, Henri Gave, Jake Brown, Jaxon Martin, Kevin Lu, Marcus So, Nicolas De Aguiro, Vivek Rao

My favourite part of first term was definitely interhouse airband. The amount of work and effort by each one of the boys was beyond that of friends to say the least. Through countless sessions after school, after prep, and during free time on weekends, each guy put their heart into the process — a family struggling together; a family winning together. In that very moment after they announced the winners, I couldn't be more proud of the Ripley's boys not because we won, but because we bonded together and did things the Ripley's way: Acta non Verba.

~ Jojo Tanaka-Campbell

KAYE'S

House Director
Erica Plater

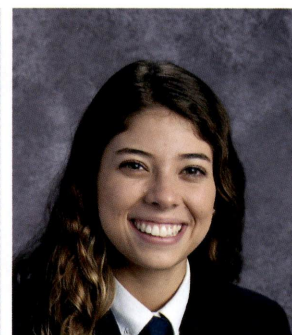

Assistant House Director
Meghan Montgomery

Head of House
Sarah Rourke

Deputy Head of House
Stephanie Mak

Deputy Head of House
Daniela de Anda

When I was in grade ten, Kayes welcomed me with wide arms, and I instantly felt at home. As students, we all have an understandable bias toward our houses, and I am no different. I take, as do my fellow Kayes sisters, great pride in representing purple and consequently have a great deal of it in my closet! With around 50 girls stuffed into one house there is bound to be drama, fights, and disagreements, but this is what shapes our memories. Often times we reminisce on the good and bad, and view both as positive experiences. With the strong leadership from Mrs. Plater, Ms. Montgomery, Mrs. Conroy, and Mrs. Hamilton, and all the incredible duty staff, Kayes has been a place where we all have been able to be ourselves and live comfortably in a safe environment. The diverse group of girls ensures a constantly exciting environment which makes Kayes so special. Everyone has different backgrounds and cultures, however, we are able to come together and support one another. One of my fondest memories was when the entire house went to support a female in the house who was performing in a musical. This talented student had a lead role in a musical that was not associated with the shawnigan performing art program, therefore, in support we gathered on a bus and cheered one of our sisters. Thank you for helping me develop as a person and enhancing my life with strong friendships and memories that I will carry with me after I leave. I have full confidence that as the 18 grade twelves from Kaye's graduate, the upcoming grade 12s will continue to lead the house and maintain the true values of the house. The new house motto "Alis Volat Propris" which was given to us by Mrs. Dalrymple is a perfect fit and description of Kayes. I hope this motto remain as it means "on wings we fly" which illustrates the dove-the kayes emblem.

~Sarah Rourke

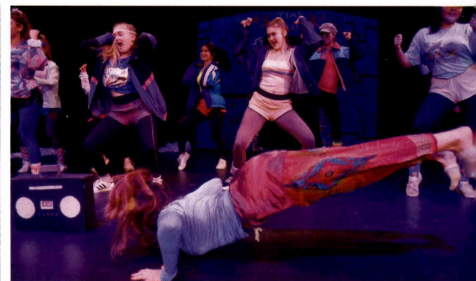

Back row: Tina Xian, Ary You, Aubrey King, Reese Acorn, Ella White, Sarah Hill, Ressa McMullen, Alexa Jimenez, Alyn Shen

3rd row: Uaena Tong, Gunita Tung, Mia Fahey, Jenny Zhu, Paige Wilson, Emily Findlay, Rosie Turnbull, Cindy Wang, Renee Hogarth-Rosmus, Jasmine Bailes, Jennie Kim, Paige Murdy, Hannah Shope, Siena von Rosen

2nd row: Mr. Holland, Junu Dimdung, Deja Banks, Sophie Schaefer-Walton, Milena Jovic, Moyra McHugh, Nicole Lavin, Tessa Hick, Mikayla Brennan-McCann, Laurel Gollnick, Olivia Earl, Isabel Mees, Alexandra Wallace, Anika Kurji, Hailey Stephens

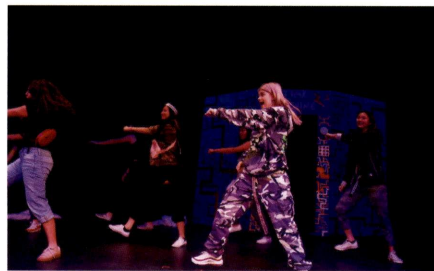

1st row: Avery Hansen, Colby Wilson, Maho Kishida, Cailey Christensen-MacDonald, Maddie Nicholson, Victoria Saldat, Sarah Rourke, Ms. Montgomery, Ms. Plater, Stephanie Mak, Daniela de Anda, Danae Gendall, Venera Nasybullova, Leni Bakony, Annicka Tanageraas, Amelia Macintosh

Missing: Carolina Mees, Danique Urrea

I think my favorite memory is seeing a lot of Kaye's girls donate their hair to Cops for Cancer.

DUXBURY

CAVE LUMPUM

House Director
Paul Doig

Assistant House Director
Jeff Williams

Head of House
Roberto Galindo

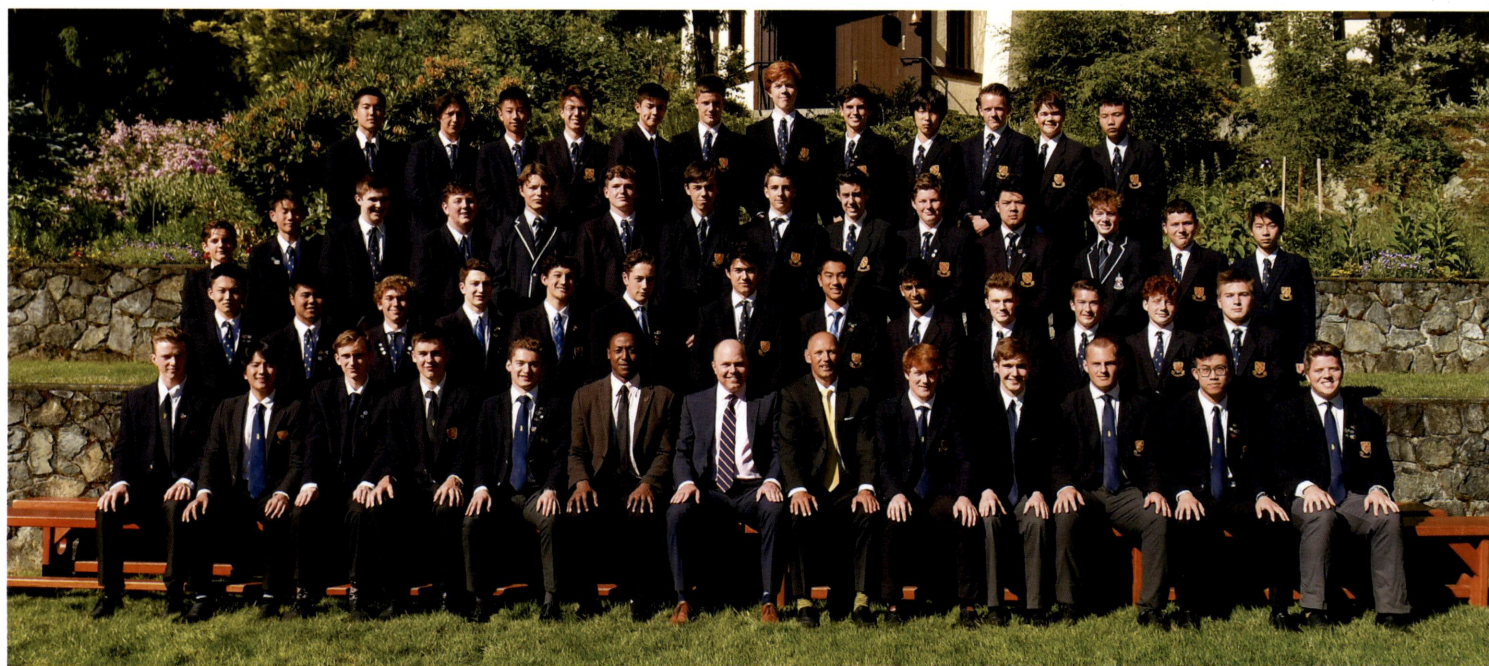

Deputy Head of House
Kaleb Mchugh

Deputy Head of House
Will Harris

Duxbury House has been one of my greatest motors here at Shawnigan. Truly, what makes Duxbury most prestigious is not just the name of the iconic Frank Duxbury; it is the people. The boys in the house are the fuel that keeps me in running and thrills me to aspire for more. The first few words that come to mind when I see them are success, courage, and joy. Throughout my five years in Duxbury House, I learned about unconditional love within the boys and how it rules above everything. I mean it. I know I cannot go around the world spreading blind love, but I always thought that Dux would be the perfect place to do so; and it worked out. I do not regret any of my time spent cheering the boys up when times were low or any of my time spent helping them achieve their goals. Every second at Duxbury House was well spent and I would never change these seconds for anything. I thank the boys for always believing in my vision, and for persevering with me. One day, these boys will find something so special that they'll find hard to let go, just like me. Live by the pillars boys, y'know...

~Roberto Galindo

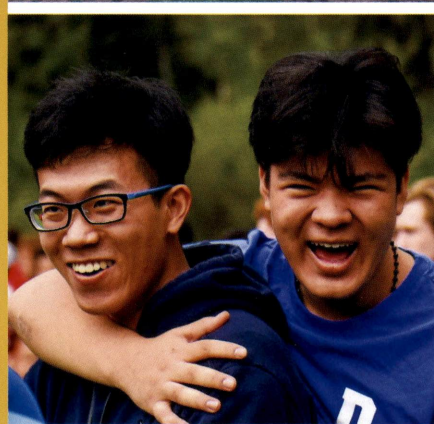

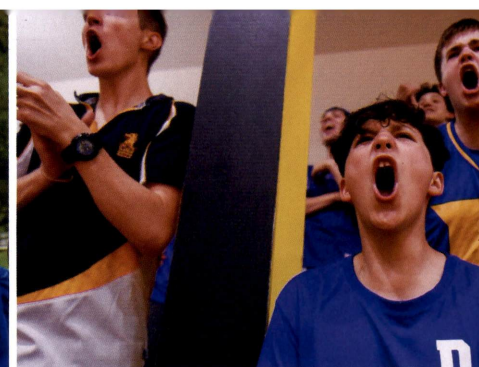

Back row: Tetsuto Hori, Alejandro Luna, Isaac Chung, Fernando Gill, Jeremy Harvey, Gregor Tait, Nikolas Kvanli, Jackson Wilson, Tiger Zhou, Tait Howell, Nathan King, Otop Sirois

PREP

House Director
Kim Edgson

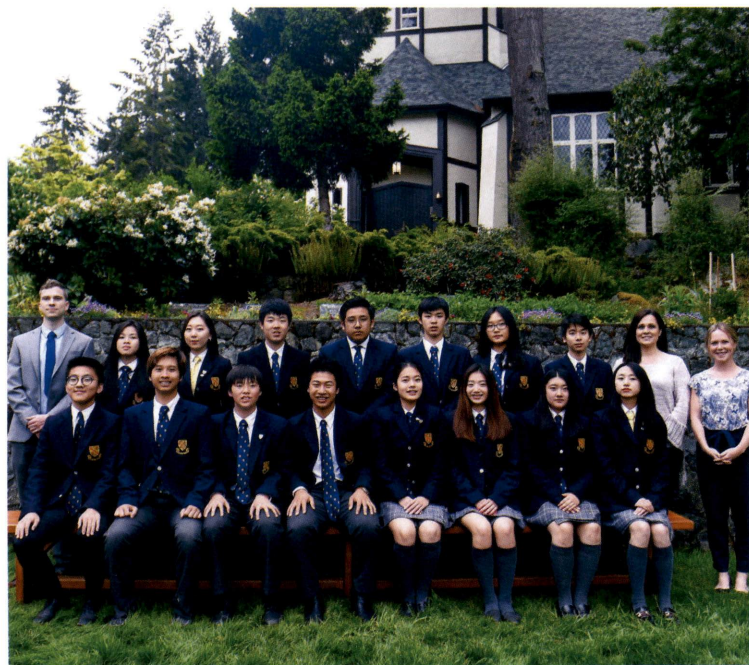

Assistant House Director
Dani Robb

Assistant House Director
Marcus Pinear

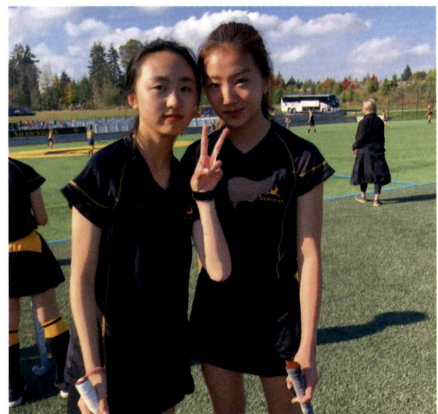

Jonathan Culver once said, "The English language is a work in progress. Have fun with it." I still remember when I first came to Shawnigan and more specifically, Prep. My dad was chatting on about how good this school was but I didn't listen, all I could focus on was the garden of Ede outside my car window. The bile in my stomach rose up when I saw the crowds of students at Prep; my father, however, just looked at me and smiled: "Son, you're going to be just fine here, you won't be alone because you have amazing people with you! I wish I had those when I was your age." With that, he stepped out of the car and so did I. Prep was almost too easy to adjust to. The moment I met my roommate Justin, it was like we almost became friends instantly. Ms. Edgson, Ms. Robb, Mr. Pienaar, and Mr. CB were sooo friendly the moment I met them. This is pretty life-changing. The people I met here are like my family. On the boys' side, you have Greg, Jay, Jacky, Justin, Kaede, Takehiro and Gavin. Greg is exploding with energy and a certain craziness that brings the boys dorm to life. Jay, who moved on to Duxbury during late May, was humorous and handsome, and he always had a quirky personality along with a deep comprehensive understanding of English that was enough to make girls swoon over him. The twins, Jacky and Justin, are the smartest of the pack. Kaede and Takehiro never ceased to amaze us with tales of their home in Japan - they were like two peas in a pod, almost inseparable. Then there's Gavin, who's big, strong and always wild. All of the people that I've made friends within a short time, they've become like my brothers. We could rely on each other, contest with each other and share the raw emotion of our experiences with each other. Our house staff is superb. Mrs. Edgson, who I personally consider to be my second mom, is my first choice when I have personal issues or English advancements towards the main school. Mr. Pienaar is humorous and a little strict (especially on #1) but he's very friendly. Ms. Robb, an amazing house staff, helps us and takes care of us like a big sister. She is a good role model for everyone! Then there's Mr. Nunweiler- he's like my best friend when he's on duty, possessing a calm attitude with helpful advice. Mrs. Pollock, my favorite staff in the main school, is a German woman who speaks five languages fluently and bakes with us. Finally, there's Ms. Urzua from Chile who teaches graphic design and is an amazing artist! She helped me draw my characters better and she is generally very nice. All of these people in Prep have made my year one an incredible adventure! My only regret is that I wished I could've stayed longer with them here. Thank you, everyone! ~Andrew Nguyen

Back row: Mr. Pienaar, Jenny Luu, Laura Lin, Justin Liu, Gavin Chen, Jacky Liu, Celine Xi, Jay Suzuki, Ms. Edgson, Ms. Robb
Front row: Greg Zhou, Andrew Nguyen, Kaede Kurosu, Teddy Feng, Kanon Goda, Kokona Kaneda, Honomi Komoto, Chloe Zhang

Once I entered the gate of Shawnigan Lake School Prep Campus in September, my life suddenly changed. At Prep, there are sixteen students from different countries and cultures. They speak different languages but something they have in common is the would like to adapt to the Canadian environment and improve their English skills. Therefore, when we started to chat on the first day we could get along well very easily and instantly even though I was really worried if I could make new friendships. Most of the day, I spend time with Prep students. We always encourage each other even in hard times. Mrs. Edgson is the best house director in the world (we sometimes called her "God" in Japanese). She was always by my side for the good and the bad times. She supported me and was my second mother. If I had any problems, Ms. Robb always noticed immediately even if I was hiding in the bed. She always talked to me kindly and sometimes she shared her interesting experiences. Mr. Pienaar is a humorous science teacher. His science lessons were really easy for international students to understand. His number on inspections at the Prep are very strict and everyone worries about 1 pm on Sundays (inspection time). Renee always takes care of us like her sons and daughters. Mrs. Pollock is one of my favorite teachers in the main school. She always bakes cakes, cookies, and muffins on Wednesday nights with us and those are delicious. Mrs. Urzua is an amazing artist. She created the Prep dragon design. Mrs. Ketchum, Mr. Brown, and Mrs. McLeod are the best English teachers. They let us improve English and provided the best environment to study. The Prep School is the best environment to improve English and also make wonderful memories. We went to Whistler in December for skiing and snowboarding. It was the first time for some people to ski or snowboard but we had help and guidance. Hence, everyone could either ski or snowboard on the last day. That was the best memory as Prep students. I met wonderful people at Prep and made amazing memories throughout this year. I can not imagine life without those people. We are the second family! Thank you, everyone!

Athletics

CROSS COUNTRY

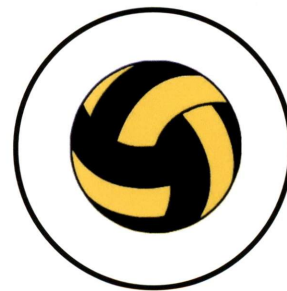

Mr. Mark Swanell

Running is a sport that can be done in all weather conditions and at any time of the year. As a three-term sport, our cross country runners have experienced extreme conditions and terrains as they seek their goal of becoming a better runner. We have runners of all abilities from recreational to competitive, each with a different motivation for joining the group. A total of 49 students have chosen cross-country as their sport of choice with 22 of these taking part in one or more of the 15 competitive races on offer throughout the year. Trail, road and multi-terrain, from 4km through to 21km (half-marathon) our runners have had the opportunity to experience a wide range of competitive races. Our success story this year was undoubtedly our magnificent performance in the Island Race Series where we finished 6th overall out of 61 running clubs (with notable mention to Aslan Farboud, Roham Mohseni, Angelina Huang, Nicole Staples and Lauren Nissen who finished in the top 4 in their age groups). Equally rewarding, however, has been to witness on a daily basis the determination and dedication that these students put into their running and the camaraderie across the grades during and after each training session.

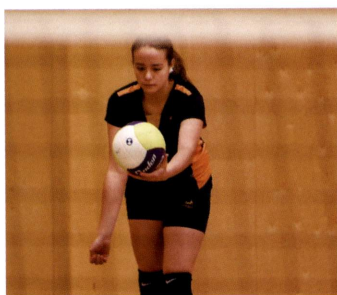

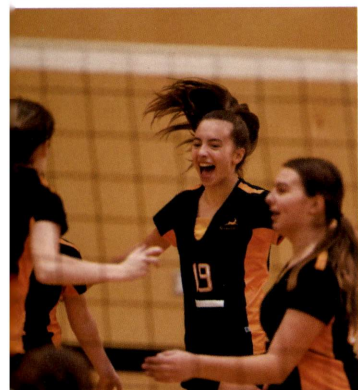

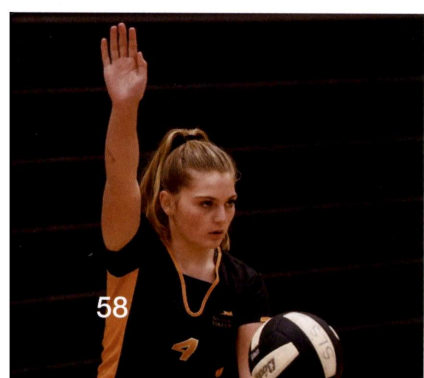

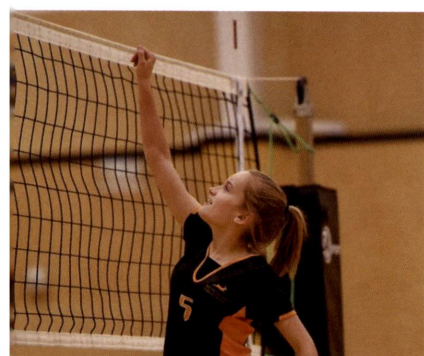

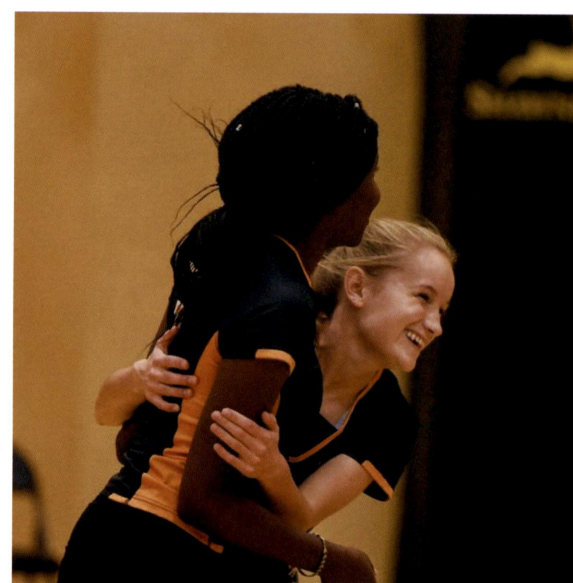

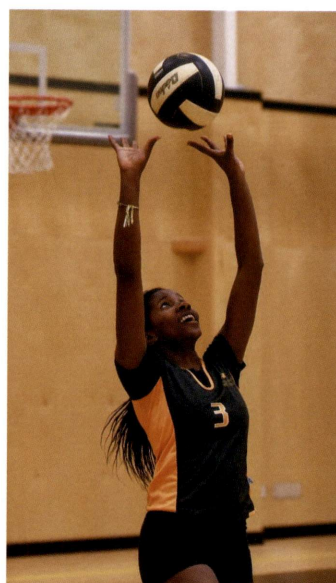

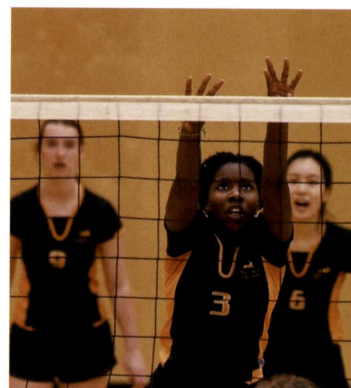

GRADE 8 VOLLEYBALL

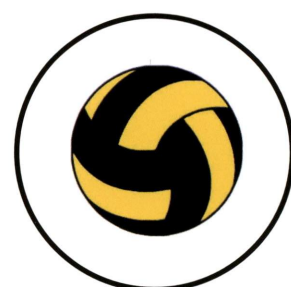

Ms. A Dalke

This year our team was composed of nineteen energetic grade eight girls who over the course of the season developed the necessary skills and knowledge of game rules. The team played in the ISA tournament hosted by Shawnigan and in many league games throughout the season leading to the Central Vancouver Island Championships which was also hosted by Shawnigan. The success of the event was made possible through the effort put in by the entire team. Whether the girls were on the court, were linespeople, were managing the score sheets or the concession stand, it was all hands on deck. After a long day of great gameplay, Shawnigan made it to the championship final game at the CVIAAs where they won in the third match 13-15, making this Shawnigan's 4th Midget Championship in a row!

JUNIOR VOLLEYBALL

Ms. L Russell

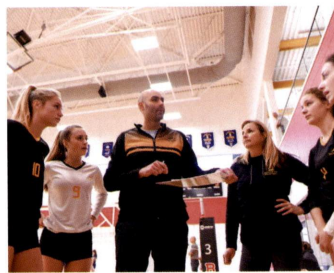

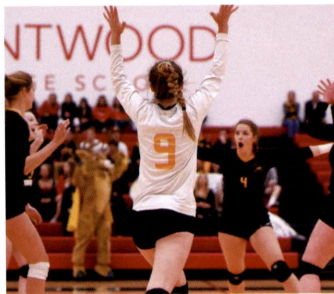

The Junior Girls volleyball team had a great season. Our main focus of the year was understanding the court rotation and refining skills. We participated in the Mid Island league and were very successful in winning every match. Everyone on the team improved some aspect of their game, be it a skill (passing, hitting, serving etc.) or a new position this season which led the team to a strong second place finish at the Junior B Volleyball Championships at Brentwood College School.

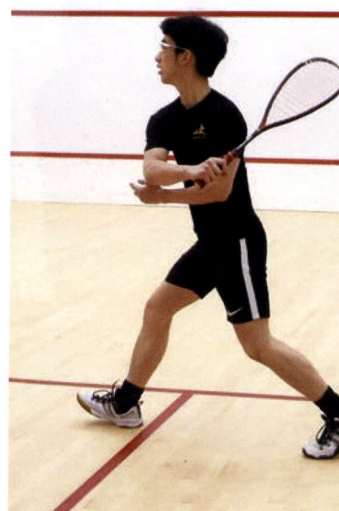

SENIOR VOLLEYBALL

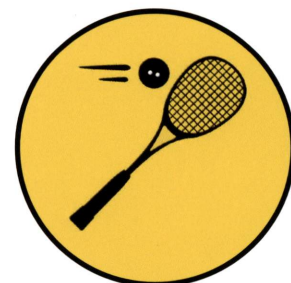

Sarah Carmichael

The Sr. Girls volleyball team had one of the most eventful and successful years so far. To start, we participated in the first-ever volleyball camp before the beginning of school. This gave us an edge going into the start of the season. We started out with a bang at the VIU tournament, playing mad defense and having a great time doing it. After our performance at VIU, we were invited for the first time ever to a AAA tournament at Victoria high. We ended up winning 7 out of our 8 games, unfortunately, losing in the final. This was a huge moment for our team; proving to ourselves that we are capable of anything we put our hearts into. Moving on to the North Islands, we played a couple hard games but qualified for Islands. Unfortunately, when the draw came out we were matched up against Brentwood, and we lost by only a couple points. Although our season came to a close that day, I truly believe we played our hearts out, from "passing dimes" to "hitting the corners". Speaking for myself and the girls, our season will always remain a fond memory in our minds and will be remembered as some of the best years of our lives. From matching gold scrunchies, socks, warm-ups, and white hoodies to Mr. V's Halo drill and of course, Coach Leibl's inspirational speeches, our time on the court the bus and everything in-between will always have a special place in our hearts.

SQUASH

Mr. Lynne Grass

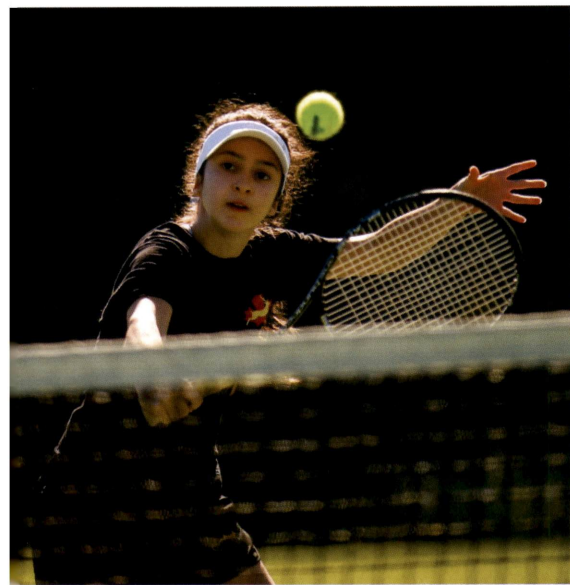

As always, the BC squash calendar started off with the Shawnigan Junior Open in September – a sanctioned event attended by the top juniors from this province and beyond. Shawnigan had excellent results and came away with both the Boys' and Girls' U19 titles. In addition to this, the tournament was an opportunity for some of the novice and intermediate players to gain valuable experience in both match play and officiating. A Shawnigan contingent went to Edmonton for the Alberta Jesters. This was followed in December by the Canadian Junior Open in Ontario and the US Junior Open held at Harvard University. The latter two events attract the top players from around the world. We were the winners of the ISA Championships and had some strong performances at the Pacific Northwest Championships in Victoria. Mitchell Kahnert culminated his senior year as the top U19 player in BC. As the senior players graduate, there is a group of enthusiastic juniors coming up through the ranks which augurs well for next year.

TENNIS

Mr. J Picken

This tennis year started with many new players after losing 8 from last years team. We trained throughout the season at Shawnigan's outdoor courts and Arbutus Ridge's indoor courts lead by our captains Pol Hosakul and Carolina Mees. The first competition was the ISA's Senior Championships held at the UBC Tennis Centre in April. Both the Senior Girls Team and Senior Boys Team finished 5th. After the ISA's the tennis team took part in the Brentwood Doubles Invitational Tournament. Nathan King and Pol Hosakul finished 3rd in the Championship Division. In May the Junior Boys Team will be playing in the Provincial Championships held at the Burnaby Tennis Club. Following the Junior Provincials Shawnigan will be co-hosting the Senior Island Championships. The top 3 teams qualify to play in the Senior Provincials held in Vancouver in late May. To finish off the tennis season the team members will be participating in our annual singles, doubles and mixed doubles tournament. Awards are given out at the Sports Recognition Ceremonies in June. A big thanks goes out to Christina Mir Baucells and John Picken for their hard work through the year.

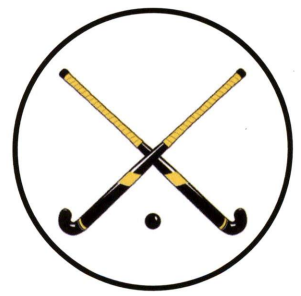

JUNIOR FIELD HOCKEY

Paige Murdy & Abby Dyer

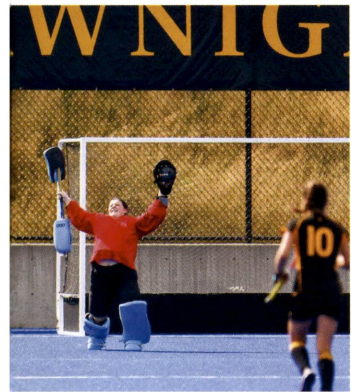

During our Junior A field hockey season, we got the opportunity to grow as individuals and as a team, further developing needed skills and overall gameplay. Over our season we got to play in multiple tournaments, one of which being at UBC, where we placed a strong third. While at UBC, the team also got to participate in a memorable training session with some players from team Canada. All of the girls improved in at least one aspect of their play, and should be very proud of themselves. Nearing the end of our season, we really started to come together as a whole, playing not only for ourselves but for the team. On behalf of everyone, we would like to say a big thank you to Ms. Linn and Julie for shaping us into the players that we are today.

SENIOR FIELD HOCKEY

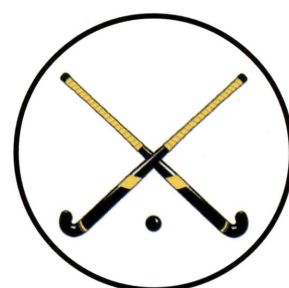

Mrs. A Conroy

The 2018 Field Hockey season was one for the memory bank. The season was a huge success with the girls growing in the game as well as maturing as players. From pre-season camp to the journey to provincials, the Team has not missed a beat. The girls have been dedicated to the sport and to one another. We lost narrowly in a sudden death shootout in the semi-finals at Provincials and the disappointment was evident to us all. The most rewarding thing to watch as a coach was the way the team picked each other up, managing to win the bronze medal, convincingly finishing the season on a high. This is the pure grit and determination that builds character and resilience. I am so proud of this group of young women, and I am looking forward to another year with them. It will be sad to say goodbye to our seniors, but their legacy lives on. Thank you to all for a memorable season.

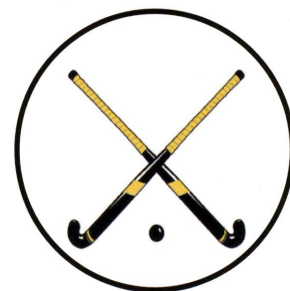

INDOOR FIELDHOCKEY

Mrs. A Conroy

The indoor field hockey program had a successful term. The highlight of the season was the tournament, held in Duncan, where the girls managed to secure a bronze medal in the last seconds of the game. The students rotated between court times and working on speed and agility. It was so encouraging to see the team get stronger with every game; the experience they gained from this competition will be very beneficial for next season and for the outdoor game.

GRADE 8 FIELDHOCKEY

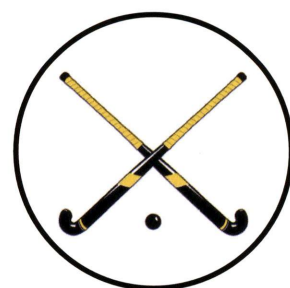

Ms. A Conroy

The grade 8 field hockey team this year has been outstanding! The girls have a natural athletic ability and have picked up the game so quickly. They are an enthusiastic and determined group of young ladies, it is an honor for Miss Linn and myself to coach them. We are so excited for the years to come in which we get to see this group develop. Well done on a great season!

CO-ED FIELDHOCKEY

Thomas Dryden

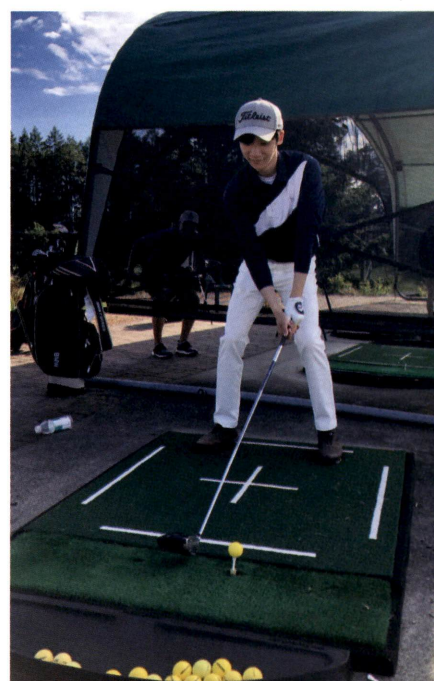

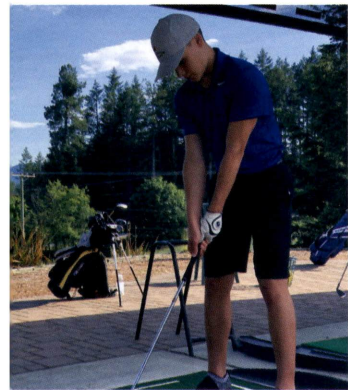

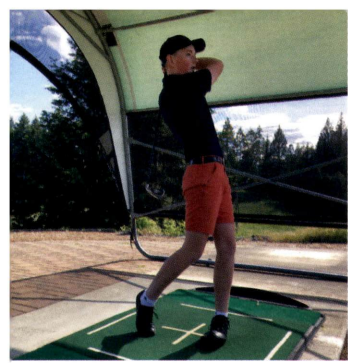

The Spring League field hockey has had a successful season for the second year in a row. When I came to Shawnigan in grade 9, there was no field hockey for boys. This changed in my grade 11 year, when we joined the co-ed league in Duncan. The team always has a good time. I think that if you were looking for a new sport to pick up, I would suggest this as it has little to no pressure but the level of play is high! In all seriousness, thank you to Julie, Ms. Conroy and Ms. Linn for taking their time to help organize and run the team.

GOLF

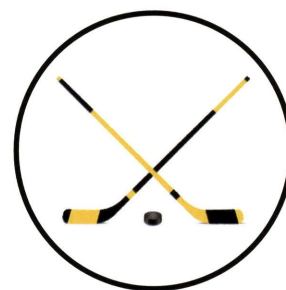

Mr. D Hyde-Lay

The competitive Golf Team has had another outstanding season this spring. Although a prolonged cold and snowy winter delayed the start of the campaign until after Spring Break, the team got into top gear in short order thereafter registering a variety of impressive finishes in the Province's top tournaments. The team battled hard in the Independent Schools, Victoria Police, Vancouver Island and Provincial "AA" High School Championships in sterling fashion, recording results of a notable merit in the process. The satisfaction and enjoyment level of the team was high all season and each and every player improved significantly in the various aspects of competitive tournament play. Coaches Grisdale and Hyde-Lay thank the players for the depth and breadth of their tremendous commitment to the cause and urge them to continue playing the great game of golf throughout the summer and beyond..

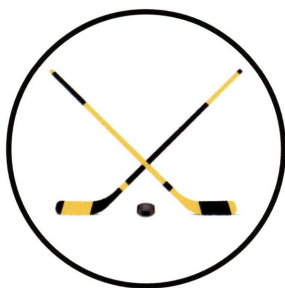

BOYS REC HOCKEY

Mr. T Murdy

The junior varsity ice hockey team had a great season. This year was somewhat different, as our girls played on a combined Brentwood / Shownigan team called 'Shaw-wood'. The girls had a great time and met many new friends from our local rivals at Brentwood. The boys competed in the local high school league where they faced opposition from Francis Kelsey, Cowichan Secondary, and Brentwood. Both teams culminating event was their participation in the Ross Cup Tournament held at Kerry Park Arena in Mill Bay. It was a fantastic event which included individual skills competitions where a number of our students were top placers in the shoot-out, fastest skater and hardest shot competitions. Next year we will be aiming to attend a few more tournaments as we try and expand this program each year.

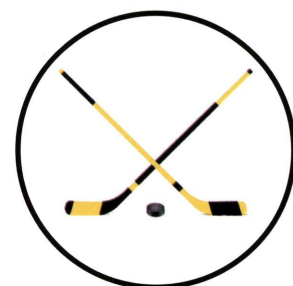

GIRLS SHAWOOD HOCKEY

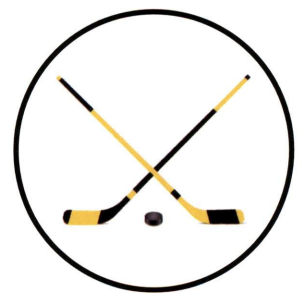

MIDGET VARSITY HOCKEY

Mr. J Polluck

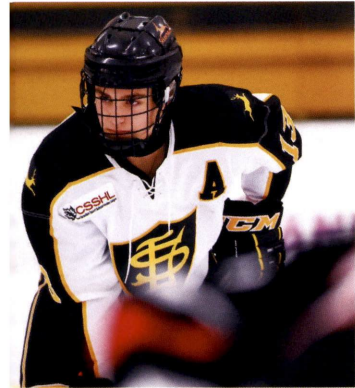

Can you enjoy an undefeated, championship season yet still overcome injuries, endure challenges all while maintaining a combined GPA 84% and Effort score of 1.30? The answer is YES! This year's Midget Varsity team grew together quickly and competed hard for each win. They worked hard during training sessions, improved drastically as individuals and grasped the team first mentality which helped us through challenging times. "The culture that was created, the ability to have fun while working hard for each other and the desire to be victorious led this team from start to finish and allowed the boys to embark on a well-deserved Spring Break after hoisting the league trophy for the 4th time in 5 years."

BANTAM HOCKEY

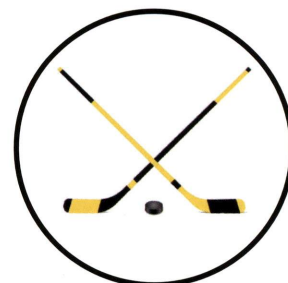

Mr. B Beatty

The 2018/19 season for our Bantam team can be summarized as a year of opportunity. Opportunity for improvement, development in leadership, experience in dealing with adversity and perseverance were available in abundance. Highlights of our season were our trip to Denver in January and especially our trip to Yellowknife just prior to Christmas.

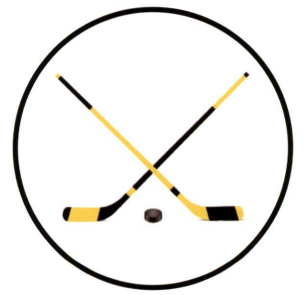

FEMALE PREP HOCKEY

Ms. Carly Haggard

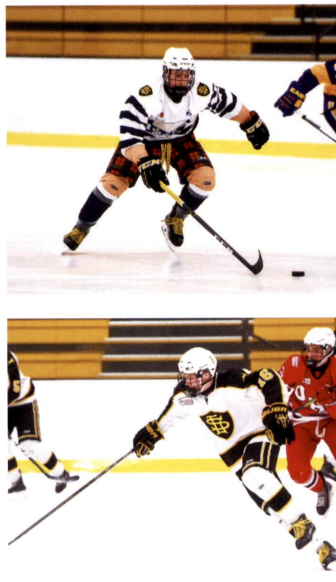

The Female Prep team got off to a great start this year, and then hit along stretch where they were competitive in almost every game, but could not find a way to secure victories. To their credit, they never stopped working and looking for ways to find wins. As the playoffs loomed, the 11 graduating players wanted to end their Shawnigan careers on a high note. The team came through in a big way. After splitting the first two games against teams that finished ahead of us in the standings, the team needed an improbable win against the 2nd place team, and a real powerhouse in the league: OHA. After playing our best game of the year and keeping it 1-1 until just over a minute remaining, OHA scored. Not ready to end like that, the girls found a way and scored their own goal with just 50 seconds on the clock. Though they eventually lost in a shoot-out, it was fitting that this team battled until the very final whistle. The team will look very different next year, but the 11 graduating players have laid the foundation and truly left a lasting, positive legacy on this program.

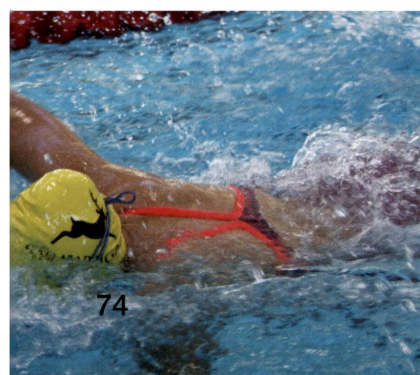

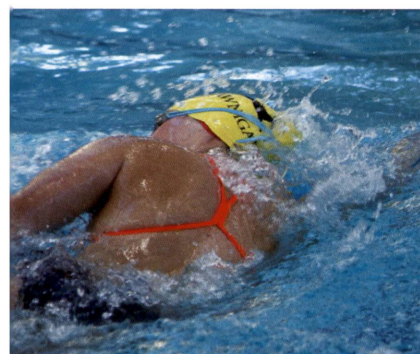

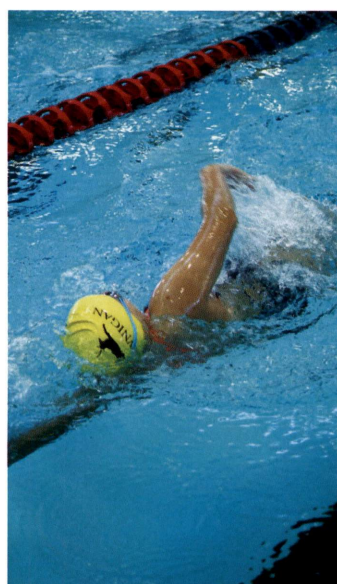

MIDGET PREP HOCKEY

Jojo Tanaka-Campbell & Keigo Hachisuka

Without a doubt, this past season was a very memorable time for all the boys. After an outstanding year of competitiveness, heart, and work, the Midget Prep Boys Ice Hockey team produced very successful results by finishing in 2nd place within our league of 15 teams. Throughout the season, we competed against many of the top teams in North America to test ourselves. We were able to make a name for ourselves after taking the number 1 team in the USA to overtime and eventually coming to a tie. For the boys, this experience changed the way we viewed hockey as our hard work and tenacity matched their high-level skill, assuring us that anything is possible as long as it is earned. Off the ice, the boys decided to strongly focus on the idea of commitment to being a well-rounded person rather than limiting ourselves to a singular passion. Soon enough, we found ourselves testing the waters with many of the boys taking part in the musical for the first time, joining rugby, and engaging in leadership opportunities outside the rink. This has played a vital role in our success as it brought us closer through unfamiliar circumstances, making us cooperate together to earn success in our passions outside of hockey--which correlated to the ice as well. From the youngest guy to the oldest guy, we came together as a group closer than ever and made a plethora of memories which will remain unforgettable. For all of us leaving next year, it will be hard to say goodbye to such an amazing group of guys. We're gonna miss all the good times spent together: on and off the ice.

SWIMMING

Bridget Pearson

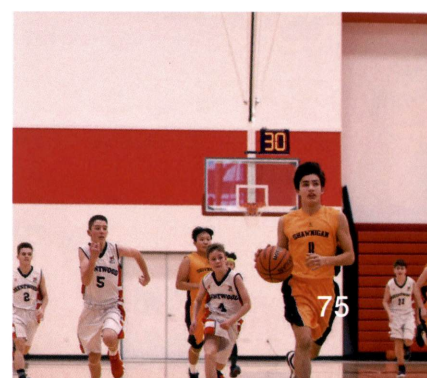

The Shawnigan swimmers had an incredible first term season. We had many new faces ranging from grades 8 to 12 with all kinds of experience levels. After many difficult training sessions at the Cowichan Aquatic Centre in Duncan, we attended ISAs in Richmond. At ISAs many swimmers achieved personal best times. This was the first bonding experience we had as a whole team, and we spent the night preparing for our races in the Holiday Inn hot tub. At this time, our team captains, Jamie Bell and Nicole Staples, formulated the plan to get bucket hats as our swimming item, which became an ongoing joke between the group. Next, we attended the Island Zone Championships in Victoria where a record number of swimmers qualified for Provincials. After our races, many of us participated in the Olympic diving board, as well as the water slides. The demanding practices finally paid off when we arrived at Provincials in Richmond where the swimmers had their best results in the School's history: The Girls 4x50 medley relay, the Boys 4x50 freestyle relay and the Mixed 4x50 medley relay each placed 7th in the B finals. The standout performance was the Girls 4 x 50 free relay which placed 7th overall (Jamie Bell, Kate Sanderson, Nicole Staples, Georgia Hall). We hope to see more unfamiliar faces next fall.

8/9 BOYS BASKETBALL

Mr. A Shepherd

The Grade 9 Boys Basketball team enjoyed a very successful campaign this past season. The team, comprised mostly of grade 9 students, started off their season by participating in two Grade 9 basketball tournaments where they more than held their own against the competition. The team gained much-needed experience and growth from the tournament play. Shawnigan Lake finished second place in Junior B League play and subsequently qualified for the BC Provincials after placing third in the Island tournament. The leadership of team captain, Jeremy Harvey, and the emergence of Emilio Sanchez, as an outstanding defensive and offensive presence, really propelled the team this past season. The team finished 1-3 at the tournament with a 16th place. Shawnigan Lake had a poor start to their tournament as the boys were rattled by the size and quality of their competition. The physical gameplay and the game pace was overwhelming at first, however, they gained confidence as the tournament went on and played much better by the time the third game rolled around. The highlight matchup was one with hometown rivals where Shawnigan Lake beat Brentwood by 12 points and was the only Island team with a victory at the Provincial Championship. Jack McDonnell was selected as an honorable mention tournament All-Star at the Provincial Championship. Coach Williams and Coach Shepherd, working together for their second consecutive season, were delighted with the growth and progression made by the team and they are confident that the Grade 9 team will foresee a number of promising players making the Junior team next year.

JUNIOR GIRLS BASKETBALL

Ms. R Brown

The Jr. Basketball girls were absolutely phenomenal, on the court and off the court they were the best teammates a girl could ever hope for! We started off the season with a tournament at Vancouver Island University and played very strong teams meeting Brentwood in the final of the tournament and coming out on top. The team worked very hard in all practices and gave everything to become better players and a closer team. The team went on to play in the Vanier tournament in Courtenay and played some of the best basketball of the season. The Independent School Association tournament in Vancouver is always a highlight for the team. Getting off the island to see tough competition and team building. Team captains Kate Sanderson, Abby Dyer, and Gerry Atkins were strong models for the team and created an environment so that everyone had a role. After a very short season, the girls ended league play in second place behind Brentwood School. In the mid-island final the players gave it everything they had but ended up placing second in the mid-islands ending our season. We will be sad to see our Grade 10 players move on to the senior team next year as they are a strong group of leaders.

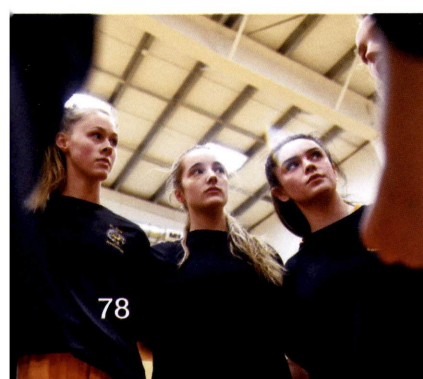

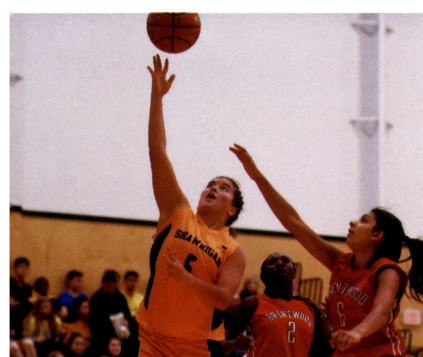

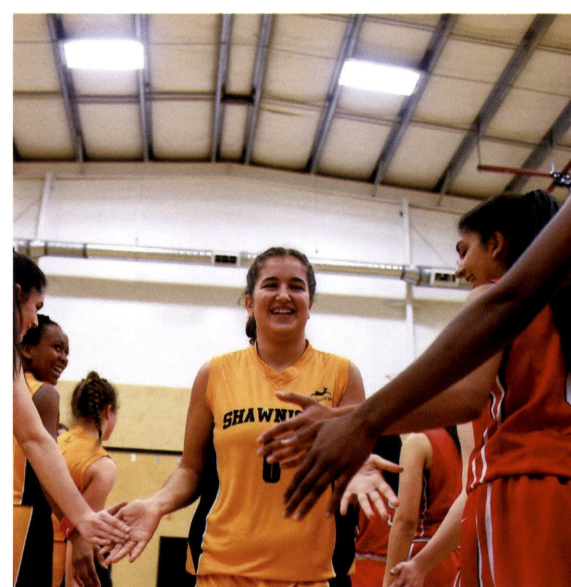

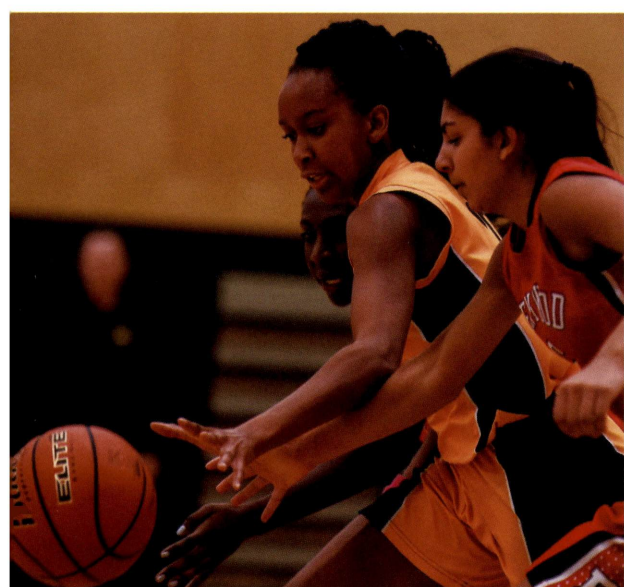

JUNIOR BOYS BASKETBALL

Mr. R Ancil

The Junior Boys Basketball team enjoyed a season of camaraderie and development. After a slow start in December with only a couple of league games and a tournament in Nanaimo, the boys played twice each week and every weekend in January. During this practice-less time, the grade 10s and one grade 9 encouraged each other on the court, laughed with each other off the court and enjoyed growing as a group. When asked what some highlights were from the season they answered, "We especially liked the weekend away on the North Shore at the ISAA tournament, the bus rides, and the late dinners together as a team." This athletic pack pushed themselves this year and have a bright future if they continue to work hard.

SENIOR GIRLS BASKETBALL

Milena Jojic & Tatum Hayhurst

This season for the senior girls' basketball was one to remember. Beginning right off the bat with the Hawaii tour, the girls were faced with some intense play to take back with them for the rest of the season. This tour not only presented an opportunity for the team to further our gameplay but also our bonds, creating lasting memories in every player. After returning home we participated in a number of tournaments, with many successful results. In particular our own Shawnigan Tournament. Coming just short of placing first after a tough finals match against Ballenas. Despite numerous injuries and illnesses within the team, the girls were able to fight hard to earn the top seat going into the South Islands. The fight continued through playoffs and right into our challenge game against PCS, resulting in the most intense game the girls have faced all year. Going into overtime after a buzzer beating three-point shot to tie up the game, the team came out on top at the end earning a well-deserved spot in islands. We are so grateful for the support and encouragement we received from Jenn and Mr. Austin throughout the whole season, it wouldn't have been the same without them.

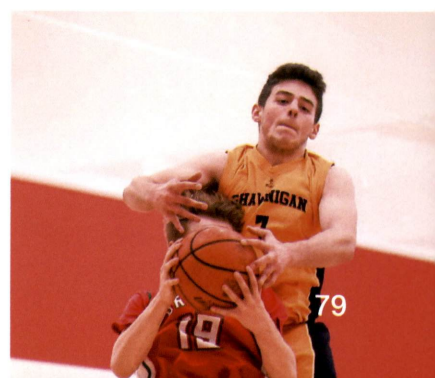

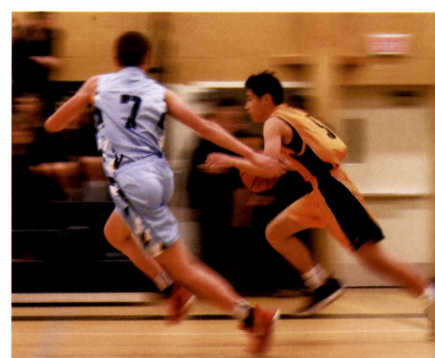

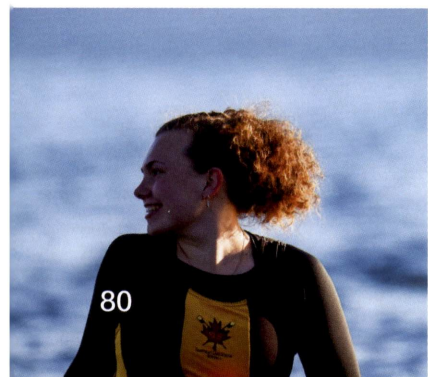

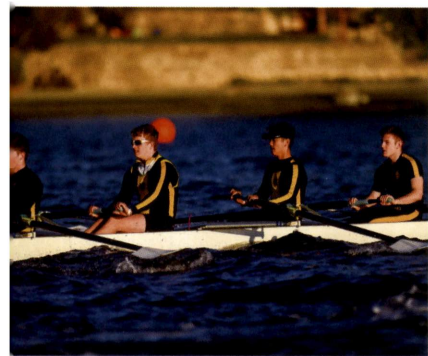

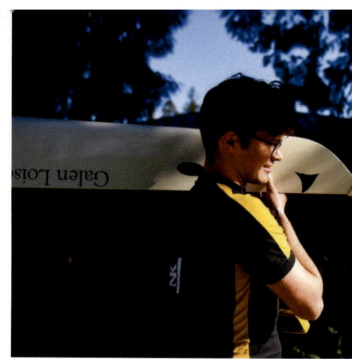

SENIOR BOYS BASKETBALL

Charles Asche

During the 2018-2019 senior boys' basketball season the team started with a core of about 7 players. With team bonding these 7 players made sure that any player that was called on could perform to the best of their abilities. The senior boys' basketball team went on 3 big trips this year; one to San Francisco, one to Los Angeles, and the last one to the NCSAA National Championships in Mount Vernon, Ohio. With every game the team's ability got better as well as the team chemistry. Although not receiving the result the team wanted at the national championship, we learned many valuable lessons.

SENIOR ROWING

Mr. Collin Mattock

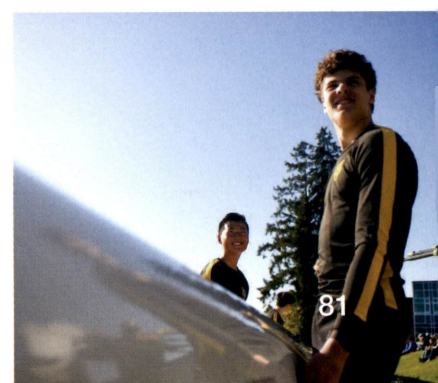

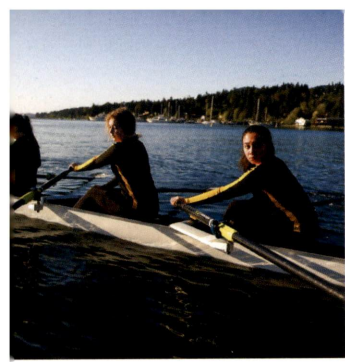

Shawnigan's senior rowers made the most of their time in the winter months up at the gym while the Crewhouse received an upgrade. Once we were through a snow-filled February, crews began the spring racing circuit starting with the Elk Lake Spring Regatta before March break and then Dueling Over a Grand when the school got back from holiday. Both regattas were great learning opportunities for racing. Maple Bay and Brentwood were the two big tune up regattas we raced in before hosting our own and the seniors did not disappoint! Maple Bay's highlight was Jaden and Nicole winning the U19 Lwt Women's 2x and the lowlight was the wind dying down once the trailer was loaded after the afternoon races were cancelled! Brentwood had more wind for us to deal with but we still managed great results with silver in both the U19 Women's School 8+ and the U19 JV Men's 4x. The seniors had a great year and we wish the best to our graduating rowers: Jaden, Wendy, Holly, Paige, Trinity, Libby, Alli, Ethan, Gustavo, and Josh!

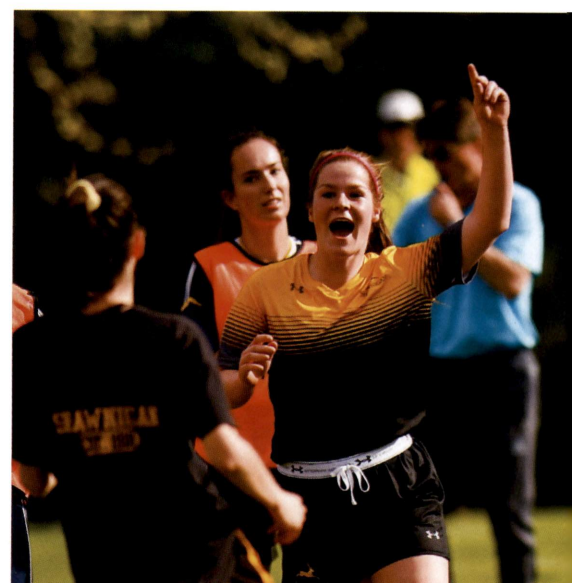

JUNIOR ROWING

Mr. Colin Mattock

Both the junior boys and girls programs were chomping at the bit to get out of the dark, cold winter term and back into boats a busy third term with lots of racing. For many who toiled on the ergs in December, January and February, they were rewarded with great results in April and May despite some blustery conditions! One highlight from Nearly all the junior rowers participated in the Maple Bay and Brentwood regattas in the lead up to ours. Maple Bay was a great learning experience for all of our novices and rowers without a lot of racing experience. The only problem we ran into was the wind that caused a good portion of the afternoon racing to be cancelled! Before racing was called though, Shawnigan was able to secure a win in the U17 Men's 8+! At Brentwood, we dealt with more wind as only a few got to race on Friday and most of the afternoon racing on Saturday was postponed. When all was said and done, the juniors had earned three medals - bronze in the U17 Women's 8+, U17 Lwt Women's 4+, and Gold in in the U17 Lwt Women's 8+.

JUNIOR GIRLS SOCCER

Mr. Jon Zacks

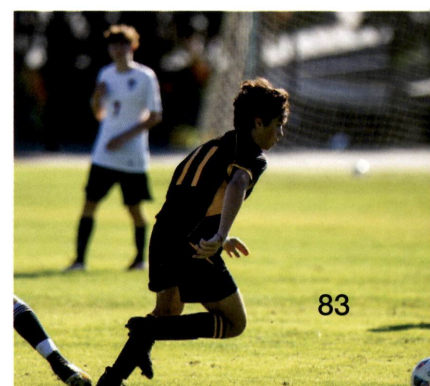

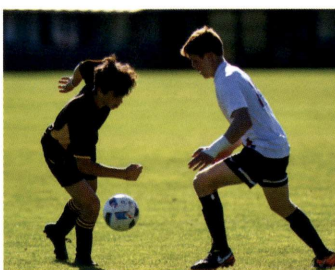

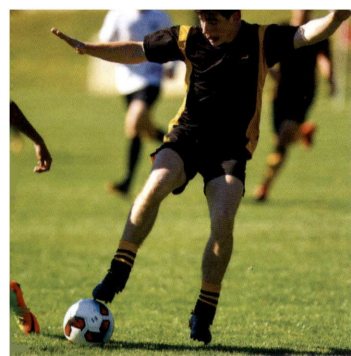

The junior girls had a huge turnout this year, with 25 girls on the roster – 24 of whom were natural right wingers. In the opening game, the girls showed signs of life, despite a 1-0 loss at Brentwood. The squad improved immensely over the course of the season, earning a strong win over GISS and posting an excellent performance (1-1) at Frances Kelsey. They also represented the school well at the ISA tournament and Islands.

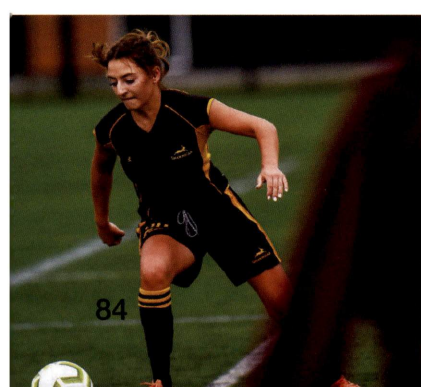

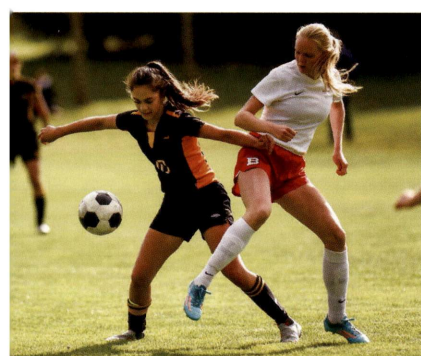

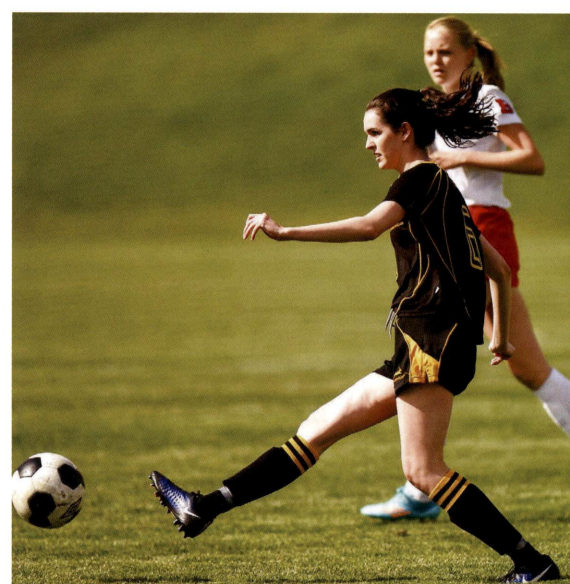

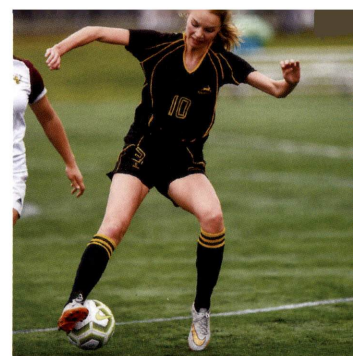

JUNIOR BOYS SOCCER

Mr. Jon Zacks

The junior boys boasted one of the stronger squads in recent Shawnigan history, earning convincing wins over local rivals and finishing second in the league behind a very talented Brentwood team. The lads also finished fourth in the ISA championship, facing St. George's in the bronze-medal game but running out of time despite intense pressure from start to finish. The team had a core group of dedicated, capable players and was reinforced by a willing contingent of Grade 8s and 9s that, when available, made outstanding contributions.

SENIOR GIRLS SOCCER

Mr. Blair Sturrock

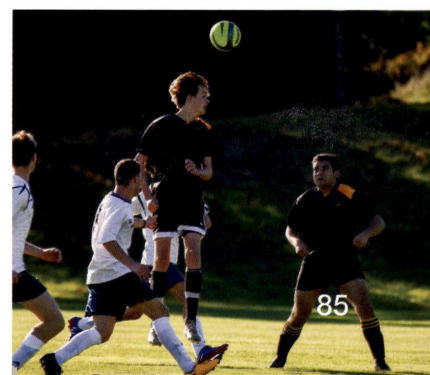

Another journey has come to an end for many of our squad and what an adventure it has been. We have traveled far and wide to compete in many challenging events and the outcomes have been vast. We prowled and hunted wins at UBC, we lulled teams into a false sense of security for wins at UVIC and we stormed the gates of Carihi School to qualify for islands. The girls did all these amazing feats whilst still attempting to grow as soccer players. They did not focus on winning at all costs but chose to attempt the new ideas and concepts that had been asked of them. It is hard to explain in words the added stress this applies to the individual, however, the growth that is recognized is immense. The fortunate thing and something the girls soon realized is that the environment they helped create soon evaporates all the negative elements involved in unfortunate outcomes. This has ultimately led to one of my most enjoyable experiences as a coach. Thank you.

SENIOR BOYS SOCCER

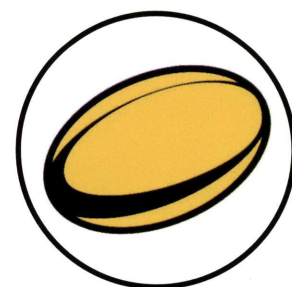

Mr. Blair Sturrock

I am happy to report that first term Boys' Soccer in both the Senior and Junior teams recognized great growth. This is best described as team performance progression and individual performance gains. Both teams' tactical understanding as team units allowed for more freedom to progress as more competent individual soccer players. An example of this would be understanding why we attempt to pass out of the back rather than smash the ball up the field. The logic they recognized was that we attempt to play through and in behind defenders, but firstly we need to bring them out of their shape, hence, having our goal keeper pass out of the back. By asking our players to implement this strategy, they were able to gain more on-the-ball repetition under pressure from opposing defenders which allowed for ability and confidence to grow. This is just one quick example of the deeper learning that I was happy to recognize in our athletes. I hope both squads enjoyed this competitive phase and I believe the returning athletes will now be able to attempt more advanced concepts in the future terms.

GRADE 8 RUGBY

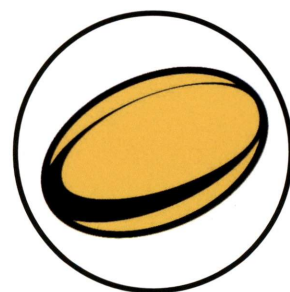

Mr. David Hyde-Lay

The Grade 8 rugby team enjoyed one of the most successful seasons in recent memory this year, compiling an undefeated record against both public and independent school rivals. The highlight of the fall season was the annual trip to Vancouver to joust with perennial rivals St Georges. The test was an entertaining and stern one which saw Shawnigan emerge as narrow but deserved winners on the day! The grand success of the fall campaign led naturally to the team being invited to participate in the Las Vegas Sevens World Championships in early March where the boys competed in determined fashion against top level opponents from around North America. To say this group of young rugby players has a tremendous future in rugby might be the understatement of the School's athletic year!

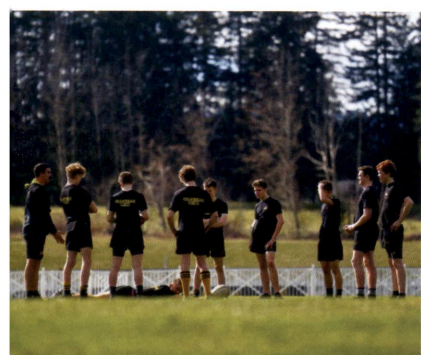

GRADE 9 RUGBY

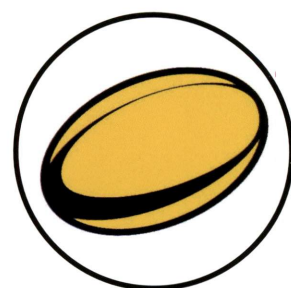

Mr. Remi Ancil

An ability to sing classic rock, a willingness to work hard in a team setting, and the possession of athletic talents were not requirements for application to join the grade 9 rugby team, but luckily for the coaches these skills and traits were present. The grade 9 boys rugby team had a great season this year both on and off the field. During practices, the players worked tirelessly on the basics of rugby to complement their impressive natural abilities. This work ethic led the team to an undefeated season beating other independent school rivals. One highlight from the year was winning both the A and B divisions of the ISAA grade 9 sevens championship in Victoria. There the team displayed sacrifice for each other, unselfish play, beautiful singing voices on the bus, and the ability to beat opponents as a group and not as seven different individuals. It was a pleasure coaching this group and we encourage them to keep playing and working hard as they have a bright future ahead.

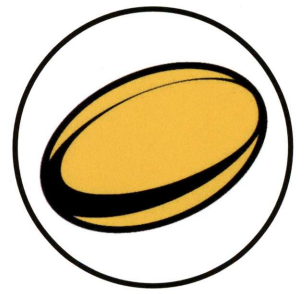

COLTS RUGBY

Tom Morrissey

With an athletic and eager group of young boys showing up to our first official colts practice, there was a sense of excitement for both the Colt As and Colt Killerbee's for their upcoming seasons. Our schedule was incredibly busy and with more games than practices. However, the boys showed promise in their first couple of games with convincing wins, and with practice, would surely be able to grow as a team. A big topic of the upcoming season was the Colts A's trip to San Francisco to play Golden Gate Rugby Club. A few of our players were able to make the experience even more memorable as they lived in the area and gave us an amazing welcome while we were there. Although there was an abundance of injuries throughout the season, the boys were able to pull together a massive display of courage and adaptation to put themselves into the top seed of the north island going into the island finals.

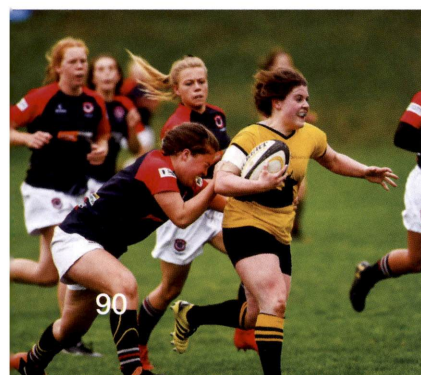

SENIOR BOYS RUGBY

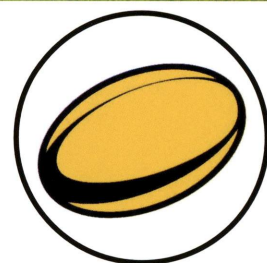

Mr. Jeff Williams

Throughout the rugby season, the team faced many challenges to which helped us grow as "one". The idea of family, brotherhood, and selflessness has been an ongoing theme and also the driving factor for our team to say the least: the will to fight for the guy next to you, to take the hits, to push through the rough, and to keep moving forward. With these in mind, we managed to produce excellent results in finishing 2nd at provincial 7s, and besting teams one by one in 15s as well. The turning point for our season was most definitely our first game of the year against St. George's. Although we lost, it was the spark to a light of pure motivation. Ever since, the boys found that our goal will be a path full of difficulties, but with one another putting our alls on the pitch, anything is possible. As the year comes to a close, and we enter into a time of reflection, all the boys without a doubt can say that we have made countless amazing memories from working hard after practices, singing "I vow to thee my country" after every win, and chatting away on road trips. Although the season is a period of three months long, it felt as though our time has run away, and we finally understand what "time flies by when your having fun" means.

GIRLS RUGBY

Ms. Shannon Atkins

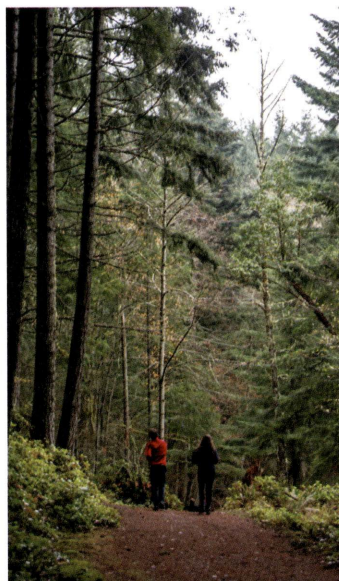

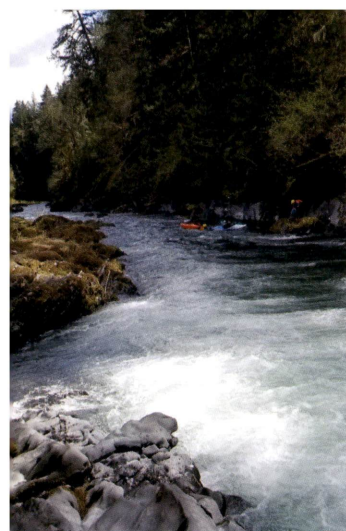

The Shawnigan Lake School Girls Rugby Team enjoyed great success in the 2019 season. The senior 7's team won the Island Championships and finished second at 7's Provincials. The team also went undefeated in 15's league play for the 2019 season. The team had the largest turnout in history with 40 girls playing on the team which has student-athletes from grade 8-12. We played six league games and many of the new players saw a lot of action and developed their skills. Fortunately, we also had many experienced players whose exceptional talent led the team to its great success. The Ironwomen outscored their opponents 326 points to 78, but the highlight of the year was an exhibition game against Fielding High School visiting from New Zealand. Although Shawnigan was defeated, it was an excellent match pushing the girls to attack harder and defend stronger. In true Shawnigan fashion, the team met their greatest opponent, Cowichan High, in the final league game with vigor. We won in high style with a victory of 65-7 claiming the Island Championship. Although the girls started the game a little slow, after the first try, about five minutes in, we were firing on all cylinders. The girls were moving the ball fluidly and running strong support lines. Great moments came from quick rucks where the girls poached the ball, created a turnover and went on the attack again. The whole year was a terrific experience for everyone involved.

OUTDOORS

Mr. Eric MacDonald

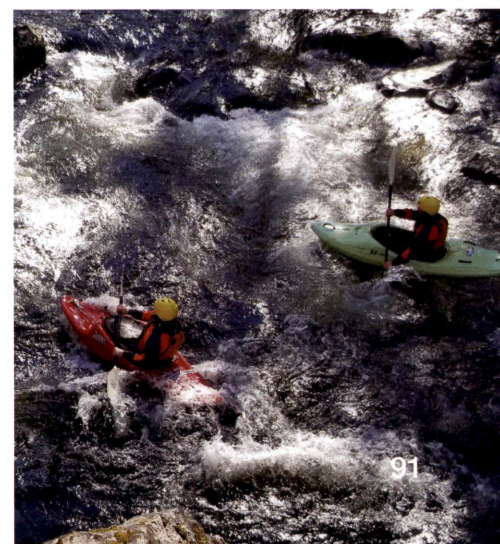

The students in Outdoors this year challenged themselves in a variety of activities, including: hiking, orienteering, sea kayaking, rock climbing and whitewater kayaking. Also having a chance to get out and explore the Gulf Islands, the Juan de Fuca Trail and many local hiking trails. The highlight of the year has been the overnight expeditions, seeing amazing sunsets and sunrises, exploring the beautiful wilderness areas on Vancouver Island.

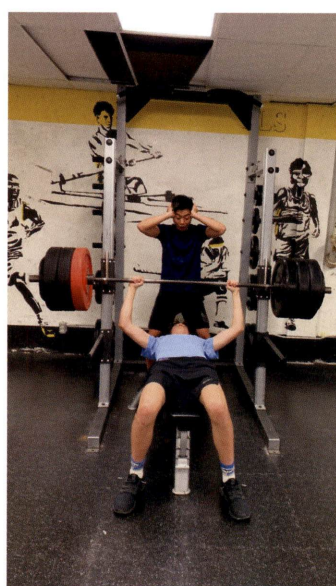

WHITEWATER KAYAKING

Mr. Kelsey McDaniel

With an equal mix of returning students and total river-rookies, this year saw another brilliant season of whitewater kayaking. Although we were faced with abnormally low water levels in all the area rivers, the students never let that faze them and embraced each new challenge that was put in front of them. For some, simply threading the needle around rocks through the rapids was the goal; for others, it was nailing their roll (and therefore making the instructors lives easier as we didn't have to chase a person, boat and paddle down the river.) And for some the challenges were quite advanced, like learning how to perform a stern squirt and then hold their boat vertical while moving down the current. Importantly, regardless of skill level the entire group was constantly cheering each other on, helping each other, and celebrating each other's achievements. In May, the group headed up to Tofino for our annual surf-kayak adventure, camping on the only private home at Cox Bay, and learning firsthand the true power of the Pacific Ocean. And of course, there was laughter throughout the entire season: Shoey doing his best hermit crab impersonation, Dom spending a lot of time upside down, Chad flipping in only the calm sections of water, Amelia being her usual ridiculous self, Mia trying to hold her breath longer than 3sec, Keely bashing into every rock in the river, Maya gaining a random British accent whenever she was nervous, and of course Marshall in a constant state of doing battle with his helmet. It was another fun-filled year in the most fun sport on campus, and the skills and memories will last far beyond the end of the season.

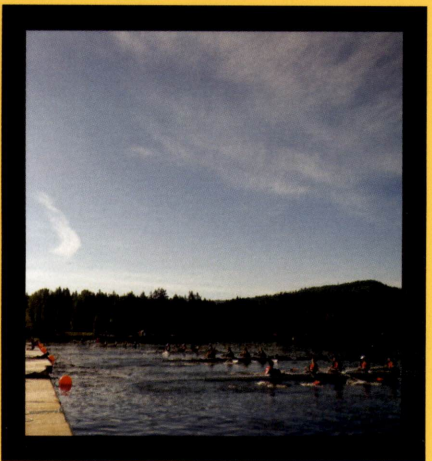

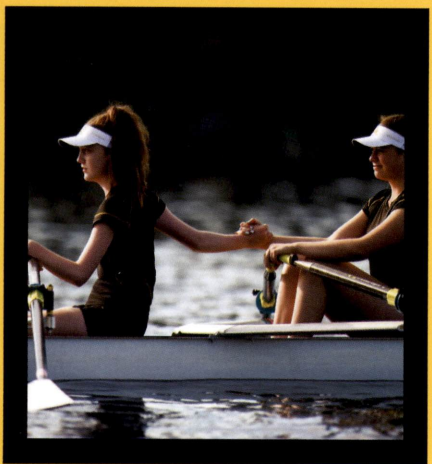

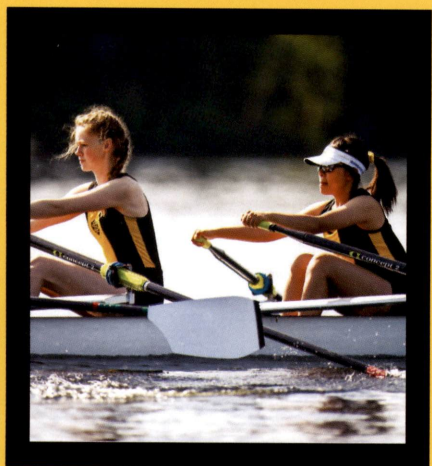

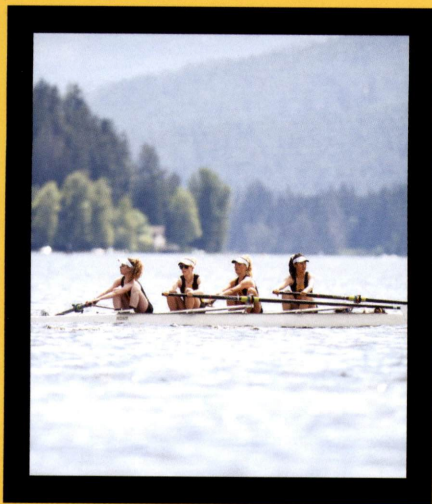

FITNESS & WEIGHTS

Mr. Stephen Watson

Strength and Conditioning gives every student an opportunity to push their personal goals to improve as athletes. Each term a new group of students takes on this challenge hoping to enhance skills or strengthen a specific set of muscle groups. It is a pleasure to oversee such an interesting group of students. When the great philosopher Conan the Barbarian was asked if there is anything that hurts him he replied, "only pain".

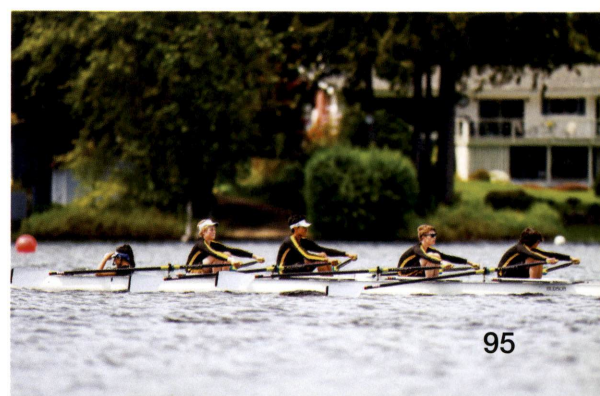

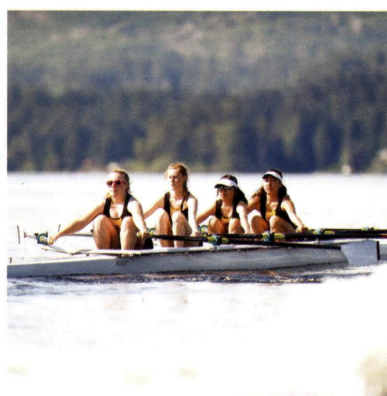

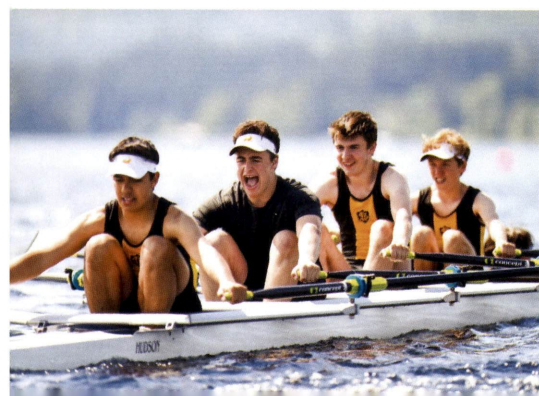

SHAWNIGAN REGATTA

The best weather of the year happened on the Friday and Saturday of our regatta! With little to no wind, crews from the lower mainland and Vancouver Island were treated to great racing. Shawnigan crews raced extremely well racing through time trials and heats to qualify for numerous finals. When we wrapped up on Sunday afternoon, Shawnigan crews had earned bronze medals in the U17 Women's 8+, the JV Women's 8+, the U17 Women's 1x, and the U17 JV Women's 2x, Silver in the U17 JV Women's 4+, U19 JV Men's 4x, U19 Women's 8+, U17 Men's 8+, U19 Novice Women's 4x+, U17 Women's 1x, U19 Men's 2x, and Gold in the U19 Women's 4+. Shawnigan came out on top of the points standing against the other schools competing in the regatta. With Claremon keeping it close earning 157 points, Shawnigan finished with 185! One of the other highlights for the weekend was the unveiling of the renovated Read Crewhouse. With our indoor training space nearly doubled, new docks, and new racing shells, the Shawnigan rowing program is primed for success for many years to come!

SENIOR GIRLS FIELD HOCKEY PROVINCIALS

This season was amazing. Every girl on the team this year made it special. When we started the season I didn't expect to be crying the last time we did our dance circle. Our team grew together and placed third in the province. I love these girls and thankful for everything they taught me. Thank you to Mrs. Conroy and Shiaz leading us this season.

SWIMMING PROVINCIALS

At the Provincials in Richmond is where the swimmers had their best results in the School's history: The Girls 4x50 medley relay, the Boys 4x50 freestyle relay and the Mixed 4x50 medley relay each placed 7th in the B finals. The standout performance was the Girls 4 x 50 medley relay which placed 7th overall! Awesome Season!

TENNIS PROVINCIALS

Our ranking was depending in the last match where we were really intense against West Point Grey. The last match was the key, where Leticia Cidrao and Janie Zhang won 5 (7-3 tie break) and gave all of us the victory and finish. Also a big thank you to our captains, Carolina & Pol for their leadership and support!

GOLF PROVINCIALS

We head off to provincials next week from June 3-5 At Pheasant Glen Golf Resort! We've had a good season and are looking forward to showcasing our hard work! The following will be representing us at the tournament: Andres Vazquez, Adam Hyde-Lay, Nick Winchester, Nolan Winchester, Jack Newman!

COLTS RUGBY PROVINCIALS

The Colts headed to Provincials May 28-31st over on the mainland in Abbotsford. They finished by winning a bronze and beating a spirited Rockridge team on the final day. It was an excellent end for a much improved squad. Well done to all!

FEMALE HOCKEY PLAYOFFS

The female hockey team's season finished at playoffs in Penticton, and everyone was more than happy with well the team played. We beat a team we had not defeated all season, and then took one of the best teams in the league to a shootout with our season on the line. Though the final game ended with a loss, no one in the locker room afterwards felt anything but victory.

BOYS HOCKEY PLAYOFFS

Three boys teams headed to the playoffs in Penticton, BC. The Bantam Prep and Midget Prep played some hard games and came away with some great learning experiences and team bonding. They highlight came with the Midget Varsity finishing first in their league! Congratulations to all the players this year!

GIRLS RUGBY PROVINCIALS

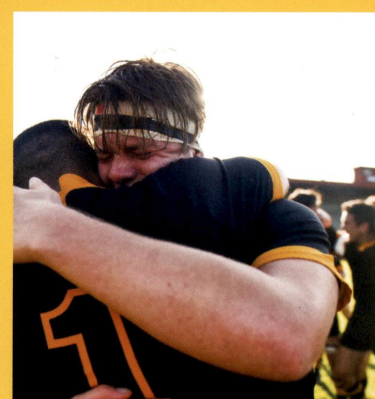

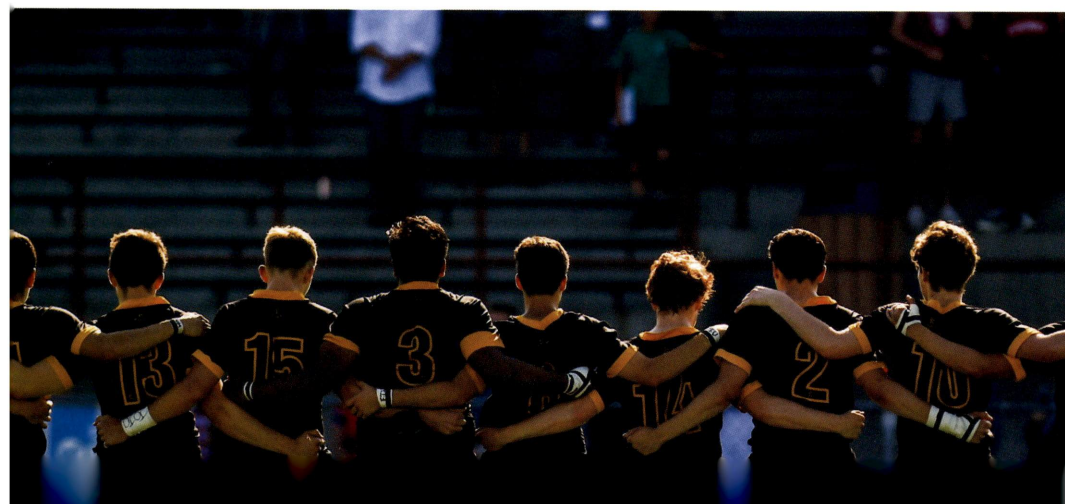

The Shawnigan Lake Rugby Team played host to 24 teams during the Provincial Championships May 23-25, 2019, and it was a huge success both as an event and for the program. The Ironwomer defended their Provincial Championship title in breathtaking fashion. They played Earl Marriott in the quarter final game and won 42-15. Although they started sluggish, they turned on the jets in second half and played the wide open, ball moving type of game this team has become known for. The semi-final game was against Gleneagle. They are a team who likes to use their forwards to move up the field. Shawnigan got caught in the moment and allowed this to happen early, but, once again, learned their lesson and started to control the play about halfway through the first half winning 42-7. They met Carson Graham, who has more Provincial banners than any other team, in the final -- what a battle it was. Although, Shawnigan opened up with an immediate try, Carson answered back by maintaining possession for most of the first half and was awarded a penalty try. The Ironwomen slipped in one more try before half leaving the score 10-7 going into the second half of the game. Both teams fought hard for possession; fortunately, Shawnigan was able to execute their play with quick ball movement allowing the wing to score two more tries in the final 30 mins of play. By the end of the game, both teams were exhausted after 60 mins of intense physical play, but Shawnigan ended up on top for the second year in a row with a score of 20-7. Champions!

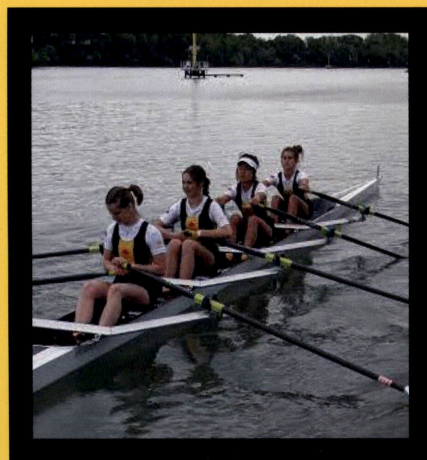

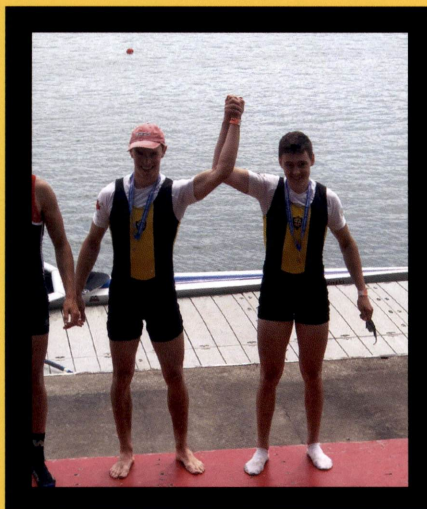

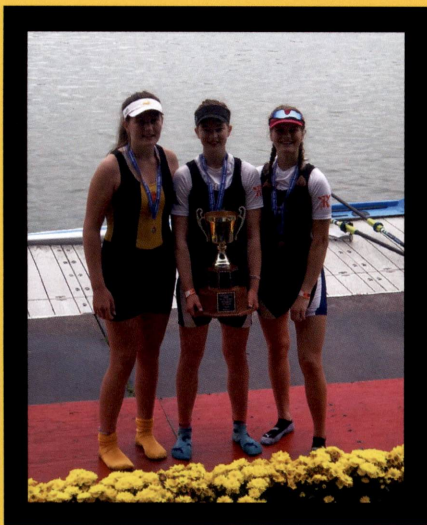

SENIOR BOYS RUGBY PROVINCIALS

Winning the AAAA Premiere League resulted in the 1st XV being the top seeded team heading into the Provincials. This secured another match up with Oak bay High School, we we had beaten to win the Island Championships a few days prior. It was a close encounter but the experience of some of the Shawnigan players proved valuable as the boys left it late to turn on the pressure, and in the end winning relatively comfortably. However, the final was a different story! This was Shawnigan's 12th consecutive final and similarly to the majority of the others, we faced a very well organized and battle hardened St George's School, who had beaten us early in the year. The grade 12s were challenged to be as physical as possible and they did not disappoint. Mohamen, Nathan, Brenner and Leo were exceptional and leading the charge, as always, was Ciaran; these boys certainly saved their best performance to when it really counted. The final whistle saw an array of emotions with the majority of players (and coaches) in tears of joy. Shawnigan are once again Provincial Champions and the planning for next season is already underway. This group has been a privilege to coach and all squad members should be proud of their accomplishments.

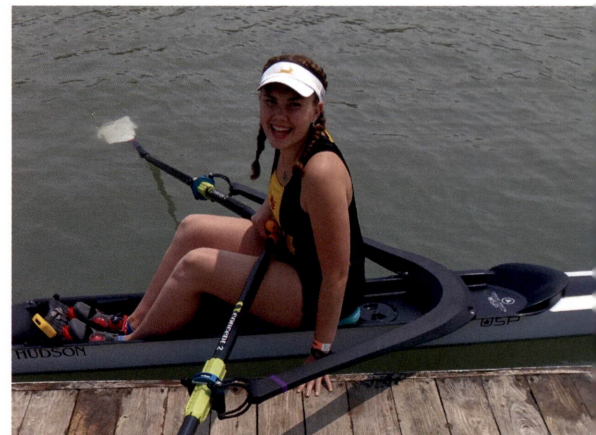

CSSRA ROWING NATIONALS

This year the rowing team sent 33 athletes who earned their seat to St. Catharine's, Ontario. After a year of training, including a term of intense training this spring, the athletes were ready to put their blades in the water and show their speed to the rest of the crews from across the country. With 19 entries, and many battles on the water, the team was able to send an incredible 11 boats to finals. On Championship Sunday, the athletes were ready to have their best race. Fighting for every inch, crews raced down the 2000m course, pushing their bodies to their limit and squeezing for every inch of boat speed. In the end, all crews had their best race of the season, with 5 boats fortunate enough to put themselves on the podium. Congratulations to the Jr Women's 4+, Sr. Men's 2x for their BRONZE medal and the Jr Women's 1x (Lexi F.), Sr. Women's 4+, and Sr. Men's 66kg 4x on their SILVER medals. A huge THANK YOU to all the athletes for their time and effort in making this happen, along with the parents for their support and the coaches for sharing their expertise. The returning crew is excited to build on these results next year!

SHAWNIGAN'S SPORTS TEAMS

Junior Boys Basketball

Back Row: Mr. Remi Ancil, Thomas Harris, Rowan Zinkan, Hayden Isherwood, Torben Gram, Aidan, Docherty, Ted Champion, Sam Hokanson
Front row: Tomas Spillane, Reuben Shepherd, Tom Morrissey, Jake Brown, Jack McDonnell, Henry Cannan

Arts & Activities

AIKIDO

AIKIDO IS THE ART OF PEACE

Steve Elskens

Steve Elskens

Aikido is a Japanese martial art that has its roots in the warrior society of the old feudal Japan and the days of the samurai. The essence of aikido is that it tries to come to a peaceful resolution for any kind of conflict. The aikidoka blends and harmonizes with the attacker and neutralizes the aggression without inflicting any harm. Many principles can be transformed into daily life. We learn how to fall and be flexible. We learn how to lead with compassion. To be the willow that bends in the wind, but does not break, as opposed to the strong but rigid oak. Aikido, like any good martial art, is not about fighting, it's about becoming the best version of yourself you can be.

BAKING

WHAT'S COOK'N GOOD LOOK'N?

Erica Hamilton

Jaden Bomans

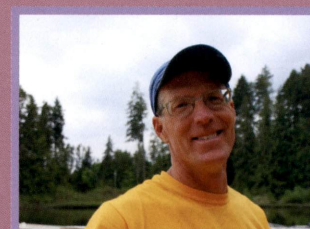

Being in baking this year has been quite the treat, Mrs. Hamilton shared her skills and love for baking with us with every session. From chocolate chip cookies to Crème Brûlée, our skills have truly been put to the test and the outcome has not always been pretty. The fun atmosphere and take home boxes filled with our take on delicious recipes made baking the perfect way to spend an afternoon.

BOAT BUILDING

DESIGN. CREATE. BUILD

John Bomans

Will Gurski

TIn boatbuilding this year, with the guidance of Mr. Bomans we started with the task of building single scull racing shell. We also assisted Mr. Bomans, in the maintenance and organization of the Read Crew House. We would repair holes and assist in the transportation of the boats within the Crew House. With the name "Boatbuilding" as our fine art you would have assumed we spent the majority of the year working on our boat. However; with the renovations that took place at the Crew House this year we were side tracked with assisting with the renovations. We were also given the opportunity to obtain our boaters license which, allowed us to complete more water based task such as, setting up for various regattas on the lake. We would like to thank Mr. Bomans for setting up this fine art this year and, for his dedication to the Shawnigan Lake School Rowing Program.

CLAY WORKS

YOU THINK IT WE MOULD IT

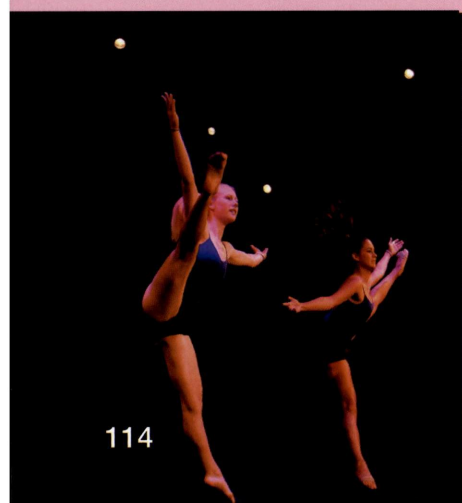

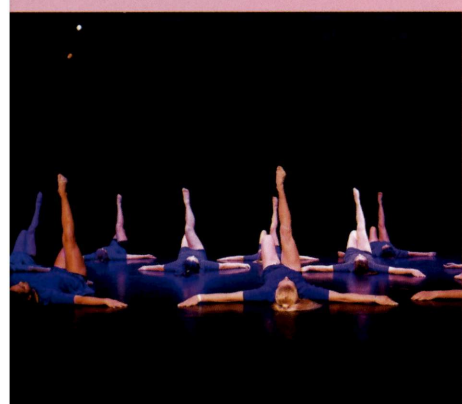

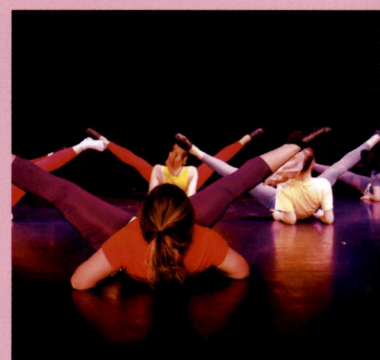

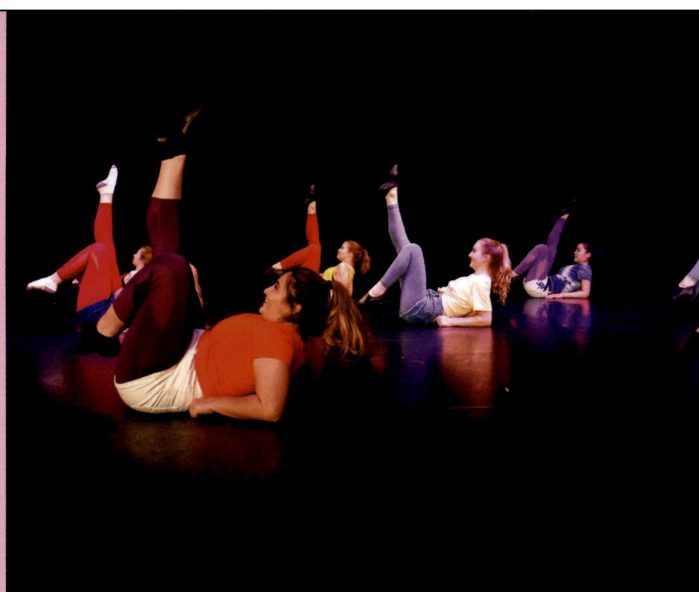

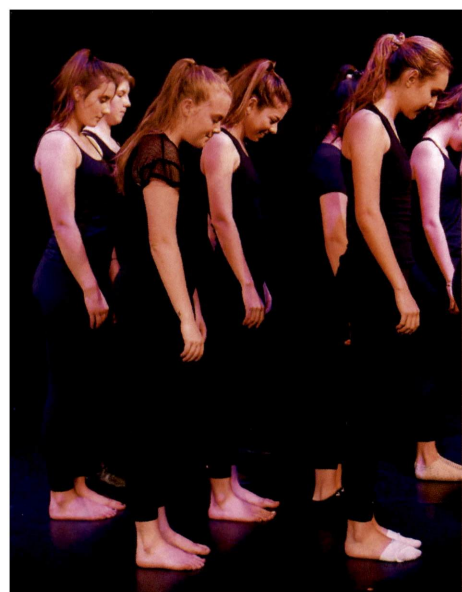

Carol Harvey

What a super year in the "Clayworks" activity. Many students tried their hands on making pottery on the wheel while others explored the various techniques of hand building. We had some wonderful mugs from the second half year group, textured bowls, platters, vases all year, along with dinosaurs, bears, human busts, dragons and more. There is no end to the possibilities in clay.

Carol Harvey

DANCE

TAKE MORE CHANCES.
DANCE MORE DANCES

Kelli McLeod

Victoria Saldat

Shawnigan has a multi-talented dance family. With classes in Jazz, Contemporary, Hip Hop, Ballet and Tap, the studio runs as a fine art and a sport. The studio may be small but our big hearts create huge space for learning. With several performances throughout the year, our dancers have competed and been showcased all over Vancouver Island. As long as you have a passion for dance, everyone is welcomed and everyone is loved.

DIGITAL ARTS

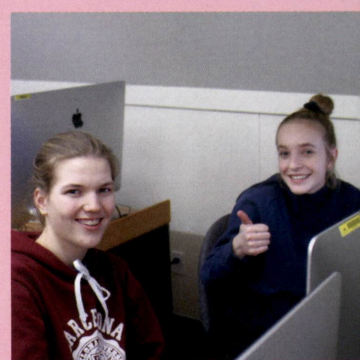

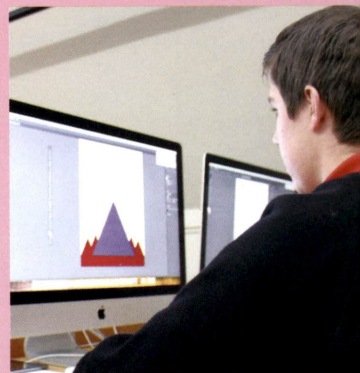

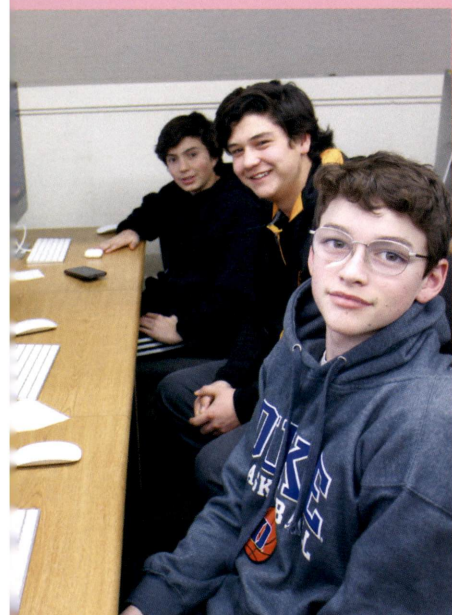

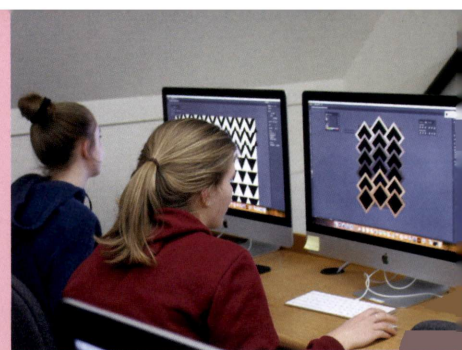

IF NOTHING GOES RIGHT, GO LEFT.

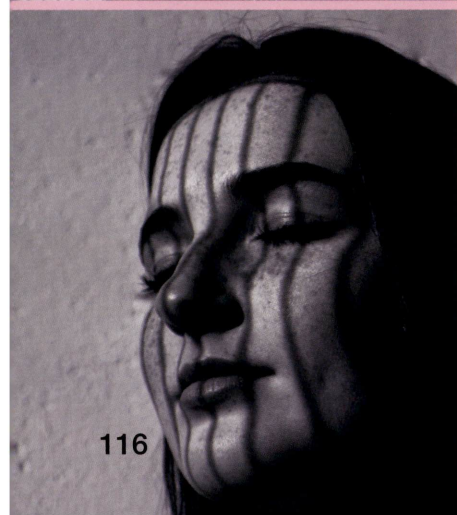

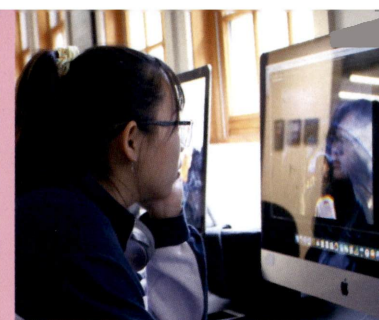

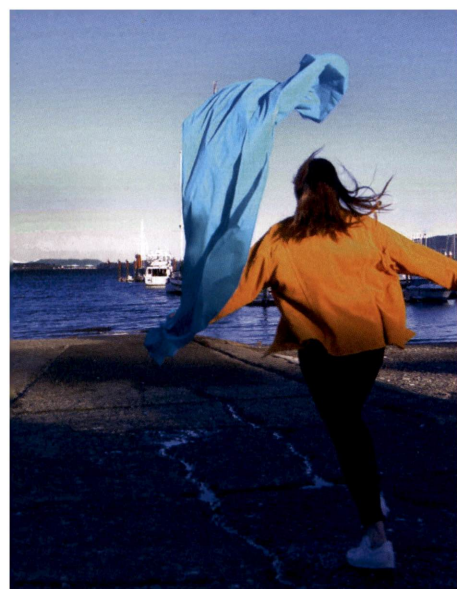

Matie Urzura

Time to use your creativity, and be prepared to squeeze every drop of it. In Digital Arts we do not only create for the fun of it, but we also give purpose and meaning to what we do. From illustrating to Logo Design the possibilities are wide! Discover the endless corners of "Adobe Illustrator" and enjoy our Mac Lab while doing so. You will learn how to control the iPad & Apple pen, and the "Cricut" to create your own stickers and iron-on designs for T-shirts. In other words, do you want to create a brand, digitally illustrate, create and imagine? This is your space!

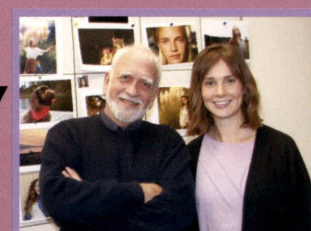

Matie Urzura

DIGITAL PHOTOGRAPHY

TRUE ARTISTS THAT CAN'T DRAW

Al Brunet & Kristen Turner

Kristen Turner

Digital Photography students harnessed their creative energy this year to produce beautiful images and portfolios of work. They started with the basics of how to use their cameras, mastering exposure through the use of shutter speed and aperture. They also explored colour theory in fashion photography, composition in landscape photography, and techniques for visual storytelling and photojournalism. They used Adobe Lightroom for images processing and Photoshop to produce composite work such as double exposures and cinemagraphs. Some students even built websites to promote their photography and enable them to work with clients. We are very proud of the work of our student photographers!

ECHO

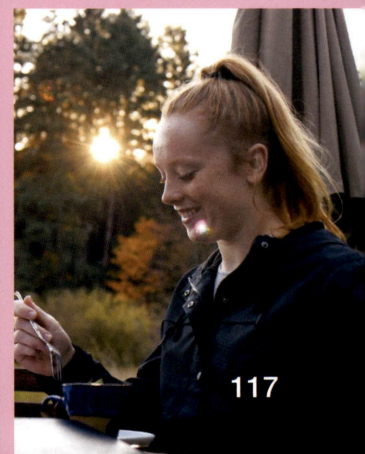

BRINGING EXPERIENCES BACK
TO SHAWNIGAN

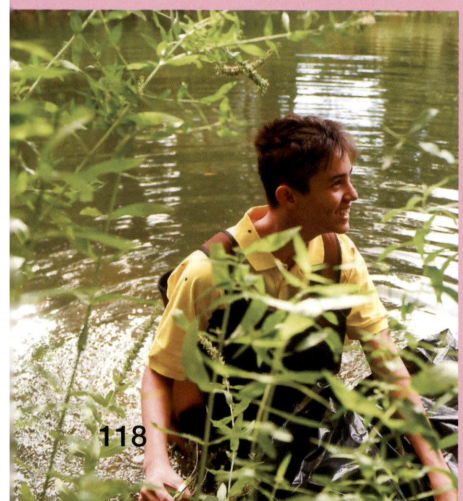

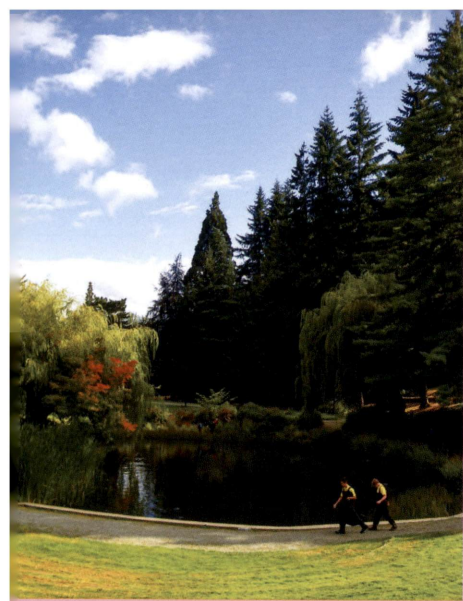

Ander Monro

Ander Monro

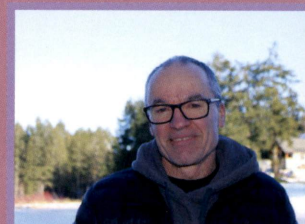

Echo has reverberated through the Cowichan Valley, endeavouring to engage with and learn from the local community. Once a week, the group heads into Duncan to work alongside the Intercultural Society with the children of Syrian Refugee families. Playing games and reading books, their English has been improving and our students have made some strong bonds in a short period of time. Trips to the Westholme Tea Farm, conversations with Fred Roland, a First Nations cultural educator, and an explanation of the economics behind Rugby Canada's decision making were highlights, as we try to better understand how communities - their people and organizations - function. The students have also been working to better understand the design thinking process, and hope to create some ideas to help students connect and relax more effectively on campus during the busy terms.

ENVIRONMENTAL CLUB

GO GREEN OR GO HOME!

Scott Noble

Scott Noble

This year's Environment Club members gave themselves to a host of initiatives that served their school community, the Cowichan Valley community and even the greater global community. Their energy was boundless, and, though at times it was challenging, they worked well to accomplish a great deal. I'm proud of the environmental contributions they have made. Their willingness to volunteer and to follow through on tasks put before them was impressive.

FIGURE SKATING

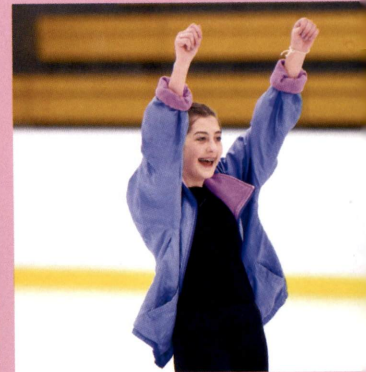

THE 'COOLEST' OF ALL THE FINE ARTS

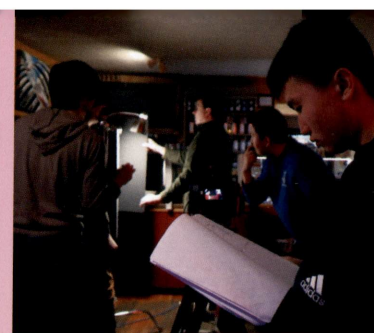

Peggy Ransom

It has been a stellar year for our figure skaters. A busy first term had skaters learning basic skills, choreography and getting ready for a showcase performance in January. Keilen R, Jazmin W and Caitlyn B took on the unenviable task of getting a synchronized team of new figure skaters ready to skate to 'Umbrella'. Hannah Sit has added a WOW factor with her talent and huge double jumps. Second term welcomed many more hockey players who wanted to work on new skills. A special thank you to Hannah Shope for her tireless work with the newer skaters. Well done, everyone!

Peggy Ransom

FILM PRODUCTION

YOU NAME IT, WE FILM IT.

Neil Trafford

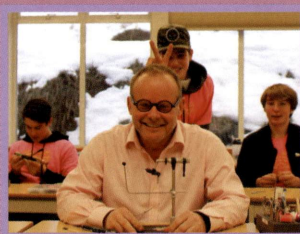

Neil Trafford

Film Production is home to two dozen of Shawnigan's finest filmmakers ranging from first time novices to four-year veterans. Collectively their films this year are being shot on everything from cell phones and gimbal stabilized Osmos systems to Panasonic 4K cameras with high-speed cinema prime lenses and, of course, drones. We've seen completed films sent off to festivals internationally this year and a handful of students even made the trek to Seattle on their mid term break to attend this year's National Film Festival for Talented Youth - NFFTY 2018 - the largest gathering of young filmmakers in North America. From the opening gala onwards the SLS students networked with other aspiring producers and directors in tomorrow's multi-billion dollar entertainment industry, along with also meeting Oscar nominated filmmakers and grads from some of the leading universities that our students are hoping to attend themselves next year. With a couple of film shorts already "in the can" from first term, and at least two others in pre-production for the second term, it looks like Shawnigan will be getting it's name out there once more into the festival circuit during the summer.

FLY TYING

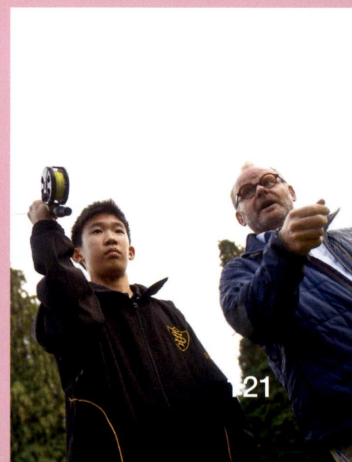

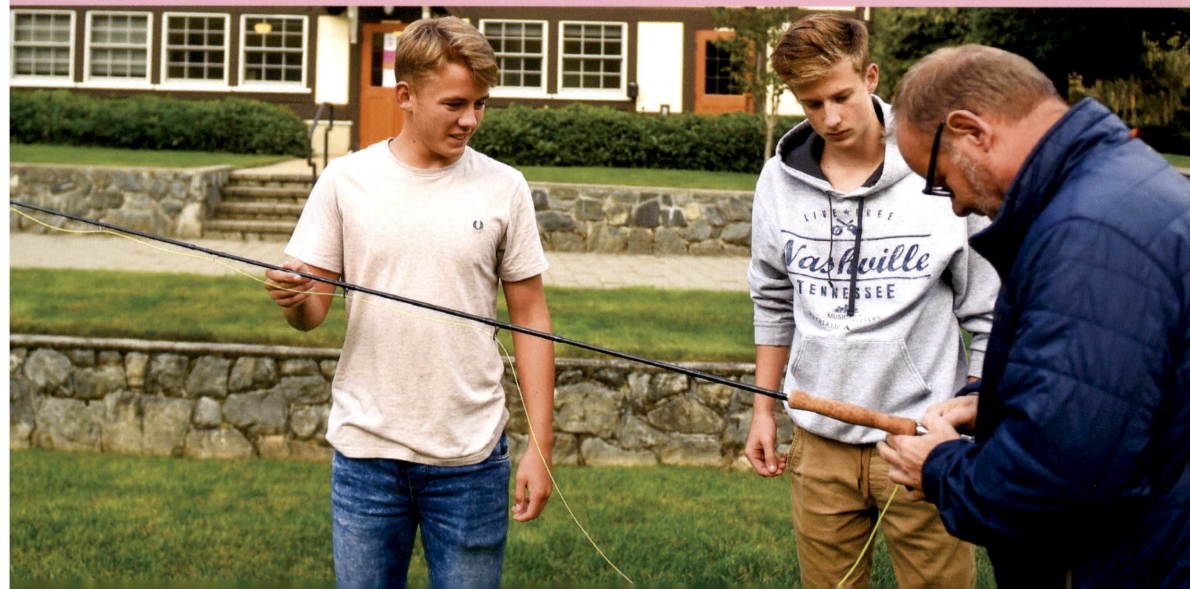

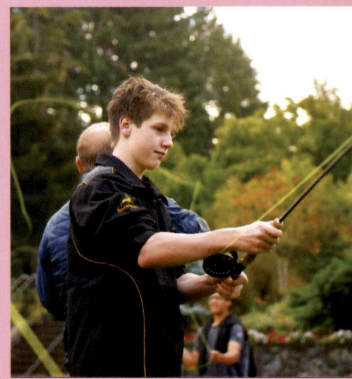

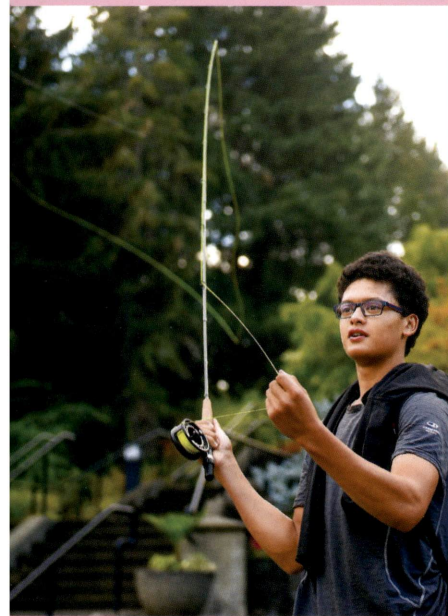

GO FISH!

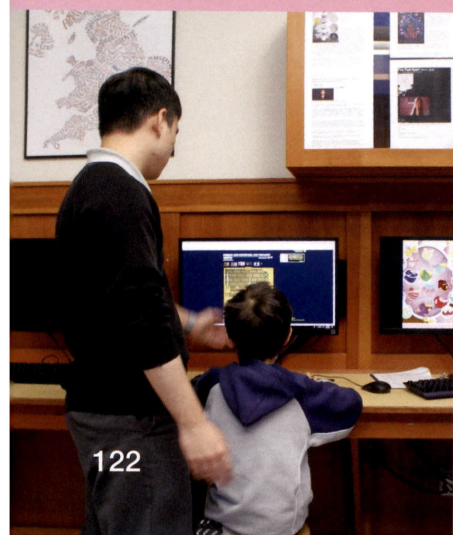

Jean-Jacques Receveaux

Diego Tame

I enjoy fly fishing. I love going outside and enjoying the lake. It's a time for me to reflect and truly appreciate the beauty of Shawnigan Lake. When I first fly fished, I found it boring and pointless, although, Fly fishing is an activity that requires large amounts of patience and knowledge. As time passed by I realized every time I was out in the lake, it made me forget about everything in my mind. I could only feel calmness and tranquility. I've always liked outdoor activities although I had never fly fished before I came to Shawnigan. I am glad I could take part in this fine art and enjoy this opportunity.

HOMESCHOOL HELPERS

WE LOVE TO HELP!

Sandy Sun

Sandy Sun

This year, the SLS Homework Helpers have continued to give back to the Shawnigan community by helping elementary students with their homework, and developing these children's music and sports skills. As role models, the creative and enthusiastic seniors have a major impact on shaping the children's work ethic. With the various types of personalities, the needs of every child are met. As much as the Shawnigan students are tutoring the younger ones, they inspire the helpers to pursue enriching their learning experience. The sense of commitment and dedication show the passion of the seniors towards the Homework Helpers program.

ILLUSTRATION & WATERCOLOR

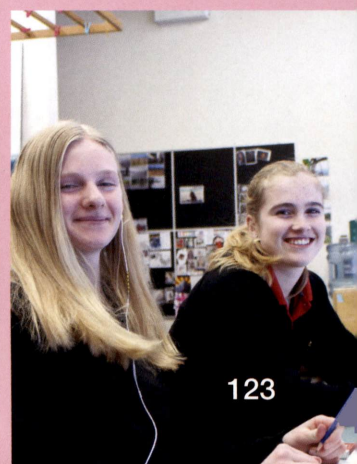

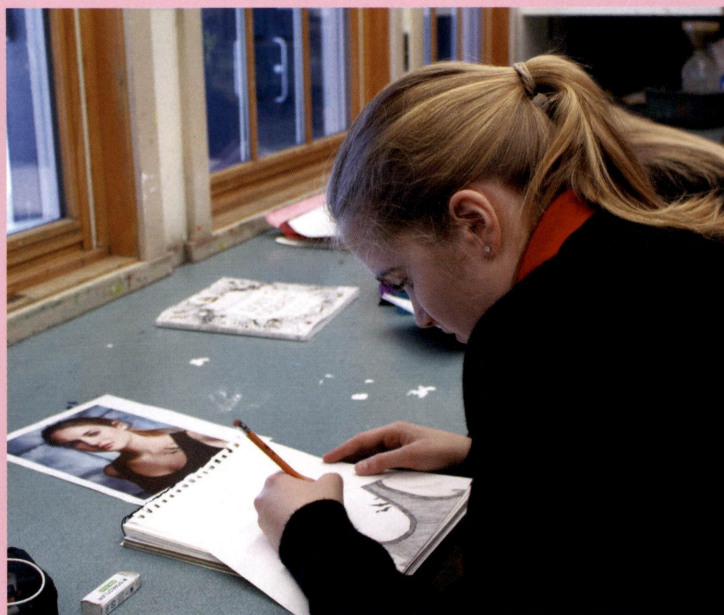

WATER THE ODDS YOU COME
BRUSHING INTO WATERCOLOUR

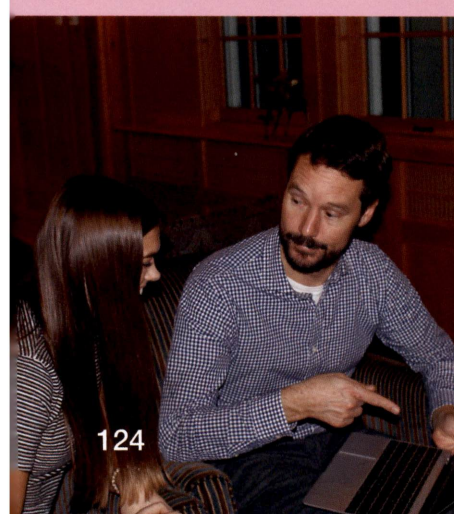

Carola Receveaux

Water Colour and Illustration is a place where students should come with a smile on their face. This fine art is a perfect combination of freedom and imagination. Students show great self-expression and personal style by choosing their own projects. Whether its sketching, watercolour or even colouring, there's something here for everyone. Students have the opportunity to explore different watercolour technique and art tools, such as masking fluid. This fine art gives students a chance to relax and take a breather. We may be a small group in a small room, but we can do big things together.

Carola Receveaux

MODEL UN

IF YOU CAN'T CONVINCE THEM,
CONFUSE THEM

Paul Klassen

Paul Klassen, Andrea Carballo & Elise Ketch

From the first conference of the year, to the last, Shawnigan's Model UN programme has had another successful year. We traveled to conferences across Canada including Whistler (VYMUN), Vancouver (VMUN) and McGill (SSUNS). The team came away from each conference with newfound knowledge, skills, some awards, and unlike Donald Trump, a passion for skilled diplomacy. Isaac LaRoy shined as our SG at the Global Goals conference as did Kerry Walker as our SG for the ShawMUN conference in Victoria - together hosting over 800 delegates - kudos to the ShawMUN Secretariat and committee directors and chairs! Shout out to the SHOC team - Malcolm Shields and Imran Karmali and forever grateful to Mr. Klassen's, Señora and Ms Ketch for their passion and dedication.

MODERN MUSIC ENSEMBLE

WALK TO THE BEAT
OF YOUR OWN DRUM

Jack Connolly

Modern Music had a jam-packed (get it??) year in 2018-19. We had 5 active rock bands which included all-female band Wilbur's Daughters, The Dakota Project, Blackjack, the Bohemian Rhapsody Band and a new unnamed all-female band of hockey girls led by Mishayla C. We held a big concert in the quad for the end of the year and look forward to seeing all of these rock stars go on to great things next year and beyond!

Jack Connolly

CHAMBER CHOIR

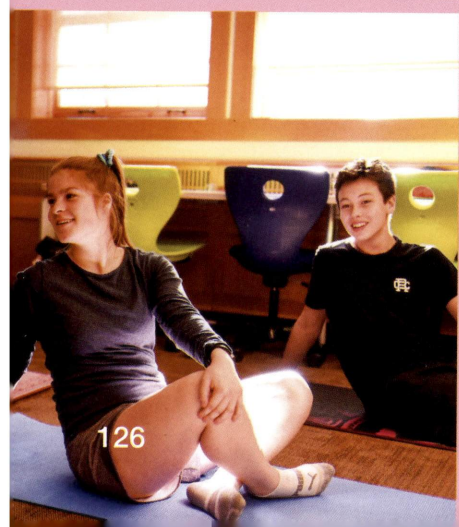

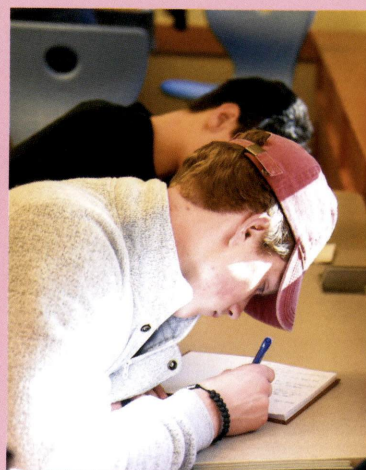

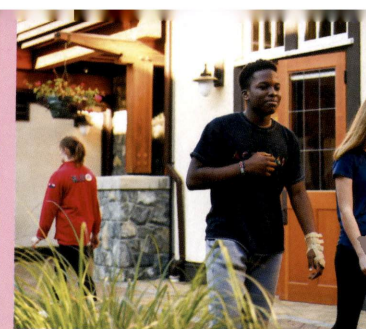

GO WHERE THE MUSIC TAKES YOU

Shannon Tyrrell

Shannon Tyrrell

The Chamber Choir—directed by Ms Tyrrell—is an auditioned group of grade 11s and 12s that gather together on Mondays and Wednesdays to tackle a variety of musical pieces. We try hard to grow and learn as a group (sometimes it's a challenge!) and to blend and balance our voices. Ms. T often makes us step out of our comfort zone when learning new music, and while it is sometimes frustrating, we always end up better singers because of what we have learned. Our favourite performance this year was the song "Lullaby" because it made us connect in a way we hadn't before. We challenged ourselves and performed the song a cappella at the West Coast Choir Festival. After the performance, we realized how strong our voices are and how beautifully we work together as a group. Our hard work paid off at the festival; we earned a Gold standing and were invited to compete at the MusicFest Canada Nationals!

PEACEFUL WARRIORS

INNER PEACE FOR OUTER STRENGTH

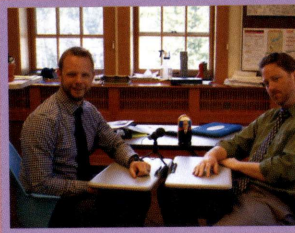

Patty Forward

By Patty Forward

The Peaceful Warriors class begins with students stepping off the 'full throttle' speed of daily school life and into a space where they can explore the inner workings of their mind, body and spirit. Here they can try out a variety of activities such as; yoga, meditation, breathing techniques, sound and energy healing, intuitive exercises, mindfulness nature walks, free flow writing, gratitude journals and more, to discover what works best for them in building an inner sense of calm, peace, joy and strength. Finding a balance between effort and ease, and calm and passion, this group of 'Peaceful Warriors' have brought their open-minds and lively creativity to make this a fun and interesting new fine art!

POD & RADIO CASTING

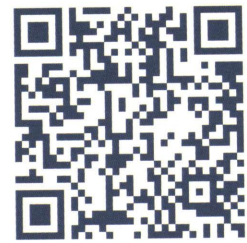

OPENING YOUR VOICE TO THE WORLD

Tom Lupton & Jon Zacks

Mr. Jon Zacks

A small group of dedicated podcasters continued to build this upstart program this year. Working in small teams on shows of their own design, the artists created unique, stimulating content ranging from Shawnigan Uncovered (a behind-the-scenes glimpse of what life is really like for a Shawnigan student) to The Manatee (a show about real and fictional animals in popular culture). While it ended before it reached global fame, The Last Picks may have created a new podcasting sensation, by forcing hosts Maddie and Sarah to speak about random topics pulled from an ordinary paper cup. New ideas and strategies are always welcome. ASMR food reviews? Audio time capsules? On-the-road interviews? Original stories? Investigations of the Shawnigan occult? Only those in Podcasting know what's next...

RECORDING ARTS

MAGIC HAPPENS IN THE STUDIO

Steve Smith

Steve Smith

The students of the Recording Arts and Sciences program continue to raise the creative bar. Their outreach to the community includes a recording session with Christ Church Cathedral of Victoria, several sessions with Genevieve Charbonneau for the "Heart is a Tower" album, along with several other student projects that have kept them engaged and expressing themselves in the studio. The RAS students also joined the film students on the "Los Angeles Applied Arts Tour" which was a highlight of this year. The students would like to extend a huge thank you to Mr. Lamont, The Bradley Family Foundation, our instructor Steve Smith, and all those that support this program.

ROBOTICS

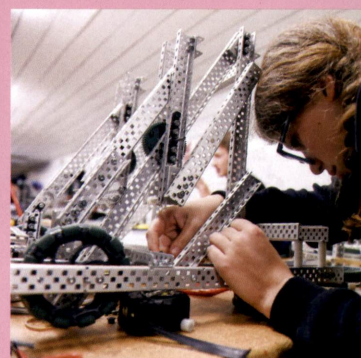

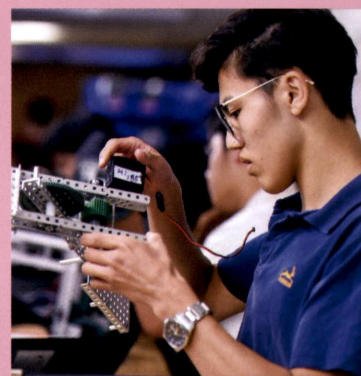

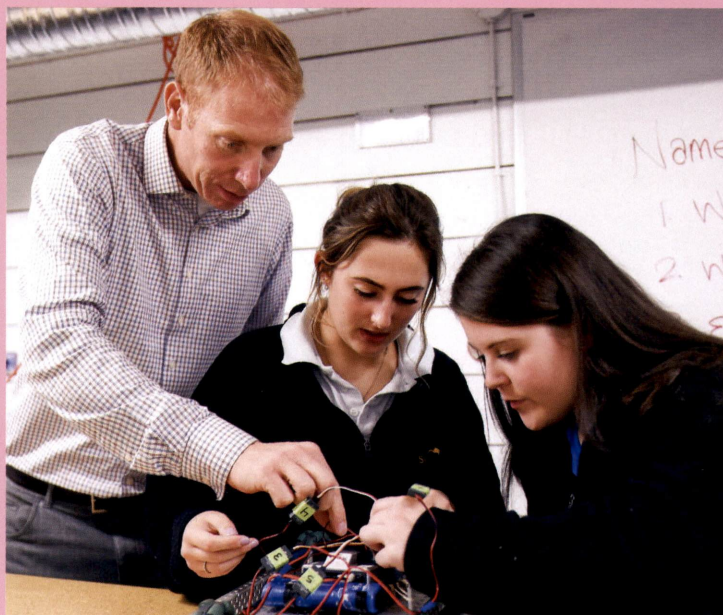

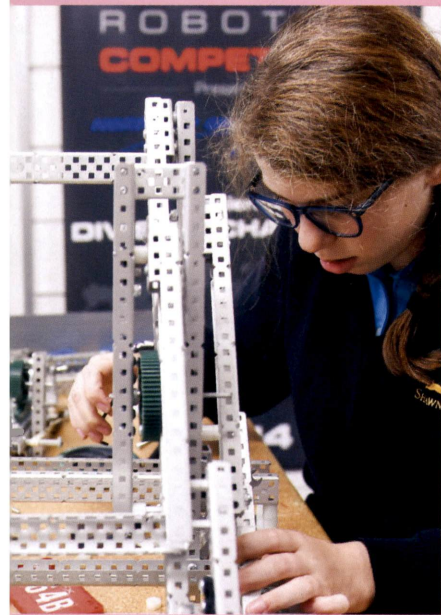

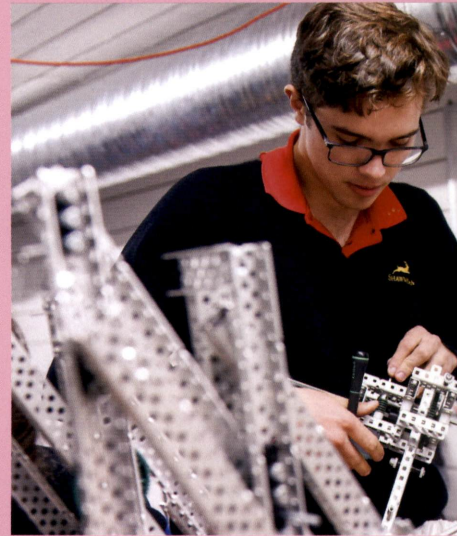

ROBOTS. INVENT THE FUTURE.

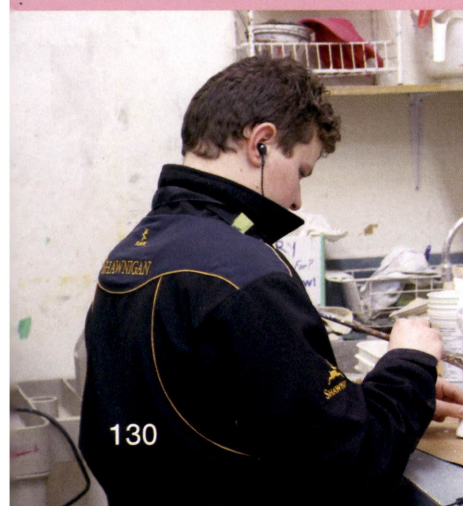

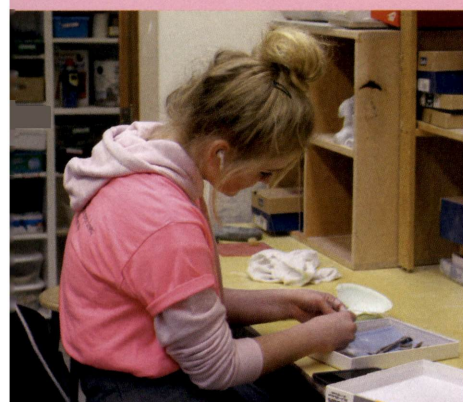

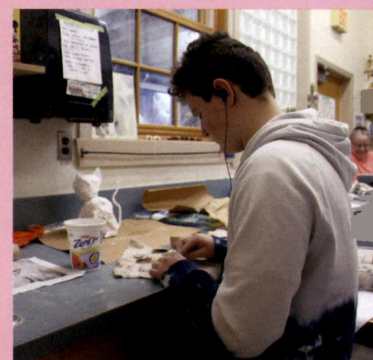

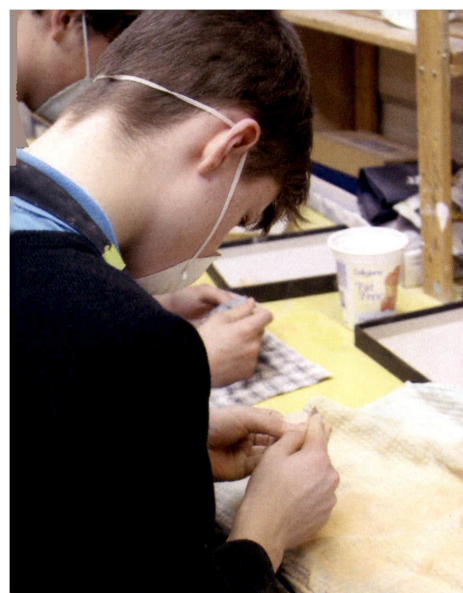

*Nigel Mayes, Sarah Williams,
Paul Doig & Dr Taylor*

Cade Hamilton

Welcome to a fine art full of creativity, math and science. In this fine art students learn how to make, program and drive robots in multiple competitions throughout the year. One of the most prominent competitions is VEX. Its hosted by Shawnigan and over 120 people attend from schools all over the lower mainland and Vancouver Island. One of the nice things about this fine art, is that we can have a diverse group of individuals - everything from beginners to top programers. It is exciting, because this year they came out with some new programing gear which made the robots faster and smarter. The game also changes every year, which keeps them on their toes to address new problems and solutions each year.

SCULPTURE

MAKE'N THINGS 3D!

Lindsey Henderson

Lindsey Henderson

In the Fine Art of Sculpture you experience many different and unique materials. You experience and better your art skills from a variety of projects throughout your time in Sculpture. The main theme in sculpture is using soapstone to make absolutely anything you want using a mineral called soapstone. It's a cool mineral that allows you to slowly take off its body by using any tool that you desire to do so. It takes time but when you finish your product it's smooth, shiny and absolutely beautiful. You can also experience other materials like cardboard, tinfoil, clay and so much more! I know if you join sculpture it will better your art skills without a doubt especially with the help Ms. Henderson gives you. She is always there if you need to help and loves questions to be asked. She's amazing at sculpting and really tries to help better your skills. I would highly recommend joining sculpture, it's not hard at all if you put effort into it, you do not need to be good at art to join Sculpture and succeed.

SEARCH & RESCUE

FUTURE HEROS

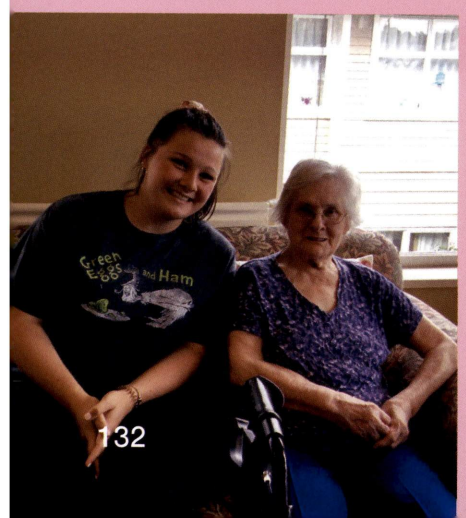

Kelsey McDaniel

Kelsey McDaniel

Whether jumping off a bridge into a river or rappelling down the side of a cliff, the students of this year's Search & Rescue Program have never backed down from a challenge. Beginning the year with the basics of knot tying, and knowing which ones to use in a given situation, this year's dedicated team of would-be rescuers threw themselves into each session ready to learn and try something completely new. By the end of the year, the group was able to perform complex rescue scenarios involving multiple moving parts: reaching the "patient", performing first aid, transporting the patient from the middle of the river to the shore, building a rope retrieval system, packaging their patient into a stretcher, and then bringing them up the side of a cliff in said stretcher. Importantly, they are now able to do all these tasks with minimal help from their instructors. Along the way, they earned their Swiftwater Rescue Technician Level (via Rescue Canada), and their CPR Level "C" (via the Red Cross), two certifications that can open up a whole new world of opportunities for the students. And by far the most important of all - they made memories that will never be forgotten: building snow caves in -30; overcoming a massive fear of heights while standing atop a 100' cliff ready to rappel down; learning firsthand the importance of a safety line; swimming in a river while the banks are covered in 2 feet of snow; and Austin trying to convince everyone that a t-shirt is plenty warm enough in the middle of winter. As we like to say, "You probably won't remember today's English class, but we PROMISE you will remember today's SAR class."

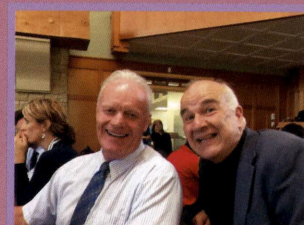

SERVICE

CONNECTING WITH OUR COMMUNITY

Gary Dukelow

The Shawnigan Service Club spends their time trying to help people outside of our gates. We visit four elderly care centers on a weekly basis. Relationships are created that last a lifetime, as the students focus on helping those that are lonely. The group also feeds the homeless in Duncan on a bi-weekly basis. Opportunities are given to students who want to help the homeless in Victoria as well. Shawnigan Service Club is always open to other opportunities, and have worked with Big Brothers Big Sisters, MS Walk, Clements Society, the Food Bank and Hike for Hospice.

Gary Dukelow & Jim Holland

SEWING

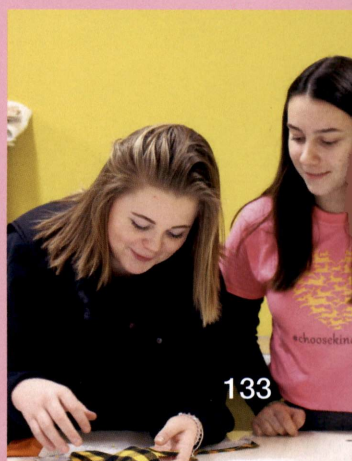

TAKING LIFE STICH BY STICH

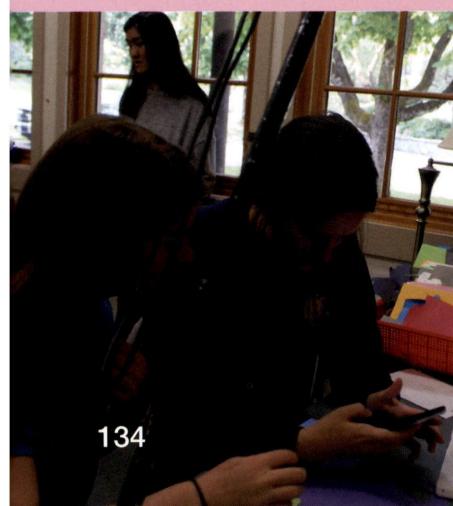

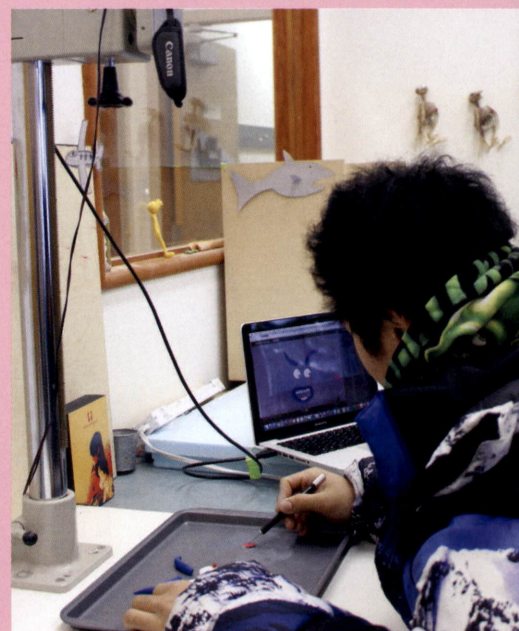

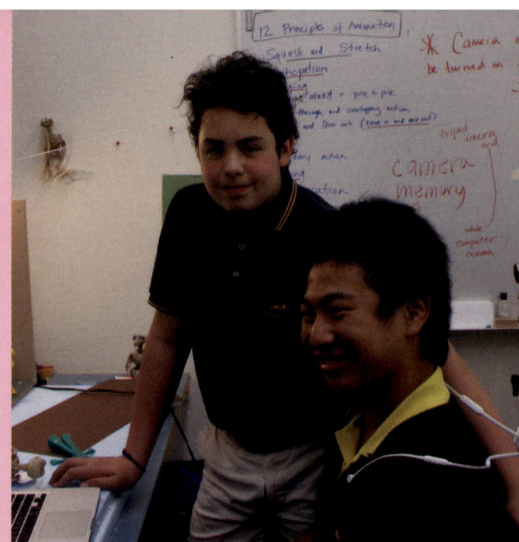

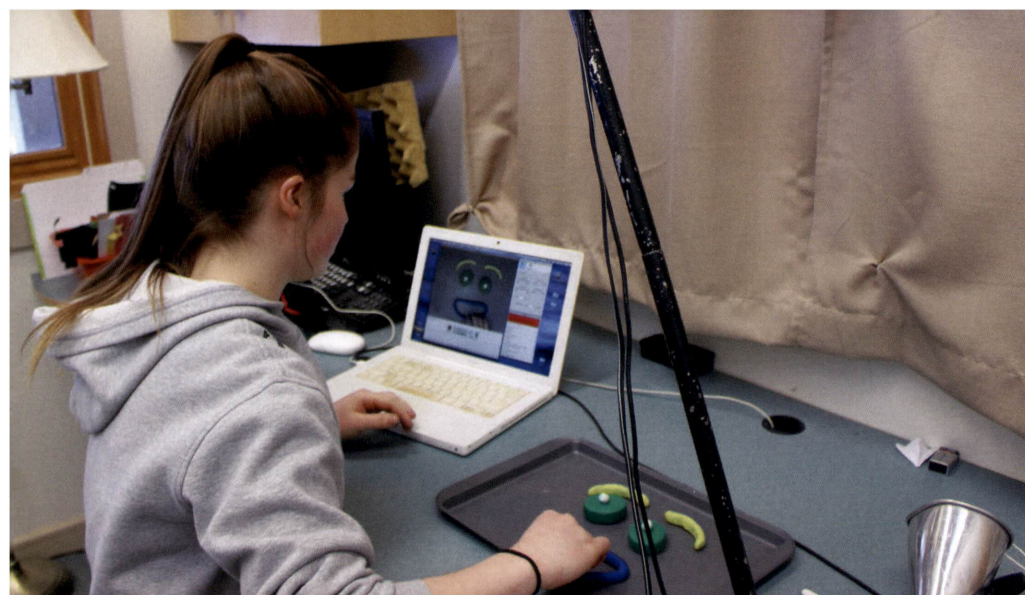

Stacie Wilson

Stacie Wilson

2018/19 brought both new and returning students. This year we shifted our concentration on useable items to our everyday life at Shawnigan. Senior class started out with making canvas backpacks that truly turned out remarkable, and our beginners concentrating on learning the basics with simple gym kits bags. Once these projects were completed, students then ventured on to making personal fun favourites. Some of these favourites were boxer shorts, dresses, sweatpants, shirts, sleep-masks, blankets, hair towels, and of course the classic hoodie. You may have even noticed a scrunchie or two for sale in the commissary, to help support the sewing program. The memories that have been stitched together, with in our four walls have been an experience that will be remembered.

STOP MOTION ANIMATION

ANIMATION CREATION NATION

Tracy Lewis

Tracy Lewis

Stop Motion Animation is a Fine Art where you can create anything from nothing. We create our films from script to screen. An idea pops into your head and is put together and given life through film. With a camera, a laptop and a bit of paper, you can make a character look like it is breathing or flying or catching on fire. You can create whatever you desire: a simple journey of picking berries, fighting dragons, or recreating a favourite scene from a show, a game or a movie. You can give a visual association to an old tale, or create a new one. There are many different styles and techniques to use, depending on what will suit the story best, such as: paper, plasticine, whiteboard, sand, lego, and steel armatures. We create sets and backgrounds, characters and props. We explore sounds and music to find just the right sound to fill our videos. During the editing process, we can use a various assortment of special effects to enhance our films. There is a lot of hard work that gets put into making a stop motion animation film, but seeing your idea come to life is worth all of the effort.

STUDIO ART

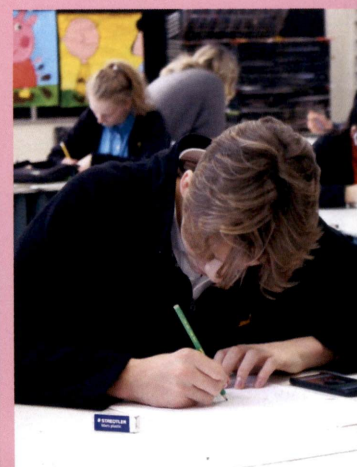

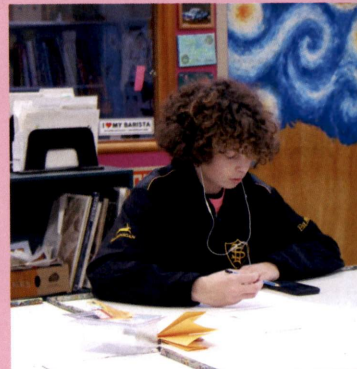

PAINT YOUR H-ART OUT!

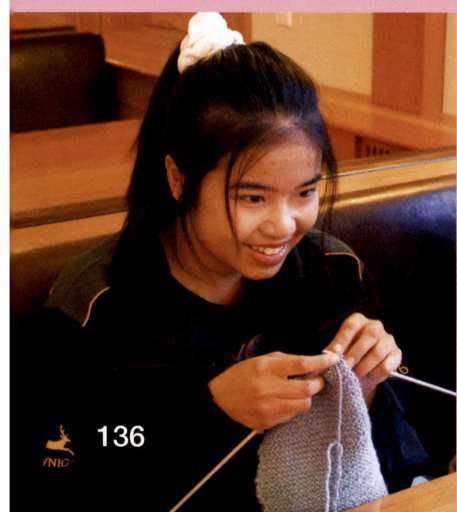

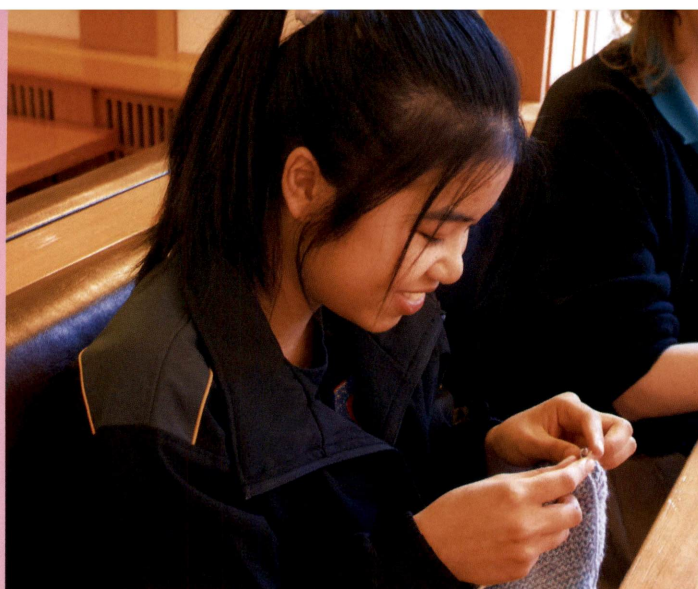

By Jennifer Hutchins

Enter the art studio to lose yourself in the creative process. Explore with colour, value, texture, line and form to watch your ideas take shape on canvas, board, fabric or paper. From stunning portraits in oil paint, watercolour or acrylic to colourful collage, process over product is emphasized in our self-directed, afternoon sessions. Leola joins us this year, introducing altered books and drawing with wool. If you can imagine it, you can envision it, and this is the place to create it! Mix graffiti, engraving on scratch board, printmaking, graphic design or mixed media with pop art, impressionist or surrealist inspirations. Take a walk around the studio to see the amazing variety of artwork created by our students. No experience? Just jump in and try. Mistakes are valued in the studio. Freedom to express yourself is a key component. Art is life!

Jennifer Hutchins

TEXTILE ARTS

"DISCOVER THE 'TEXT' IN TEXTILES!"

Leola Witt-McNie & Julia Truong

Leola Witt-McNie

The textile art class has been exploring the craft of knitting, weaving, and needle felting. The fibre world is multicultural and a language we can all speak. In addition, our class has the opportunity to make warm and comforting articles for the Service Activity - keeping people on the street warm with our projects and telling our stories.

We have two students from Vietnam in our class, and they have been teaching us their culture throughout each fine art session: Lớp học dệt may của chúng tôi đã đang được khám phá những kĩ năng tuyệt diệu về đan len, dệt sợi, đặc biệt là làm nên những tác phẩm nghệ thuật đặc sắc từ nỉ và một chiếc kim bé xíu. Thế giới của những cuộn sợi không chỉ là một kĩ năng, nó là cả một nghệ thuật mà tất cả các văn hoá ở khắp mọi nơi đều có và ca tụng. Nó như một biểu tượng cho ngôn ngữ để chúng ta giao tiếp với nhau, ngăn cản truyền thống, văn hoá và tiếng nói khác nhau ra sao.

WOODWORK

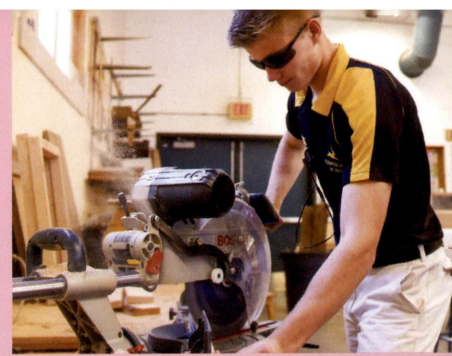

GOT WOOD?

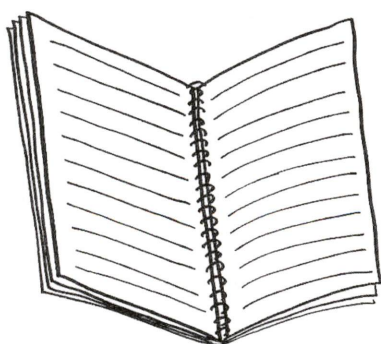

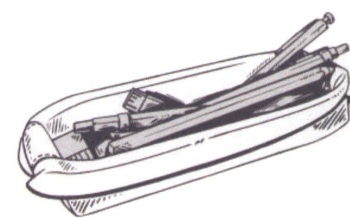

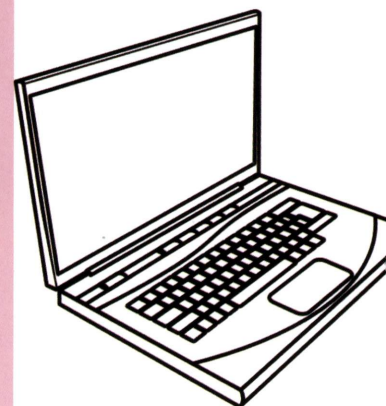

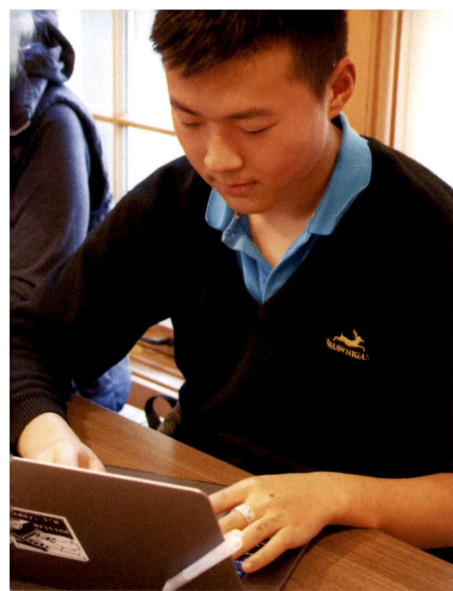

Bryden Boyce

Bryden Boyce

Woodwork is an inventive space where Mr. Boyce gives us the opportunity to design and build projects we did not know we were capable of building. Our projects range from building pool tables to building wooden tandem bikes. There is no limit to what we can build here. Everyone walks in on the first day asking Mr. Boyce what to make, he responds everytime "what do you want to make? Print a picture out and we will figure out a way to make it." Woodwork is a creative space where we all enjoy each others company and help each other with our individual projects.

WRITE CLUB

FIRST RULE OF WRITE CLUB?
WRITE!

By Carol Anne-Shaw

Carol Anne-Shaw

Write Club is a place where word nerds gather to celebrate wordsmithery of all kinds. Whether your thing is fiction, poetry, children's picture books, or journalling, Write Club will help you to reach your literary goal. A supportive environment, we endeavour to hone our creative writing skills, while sharing our work with other members for honest critiques and general feedback. Sometimes we engage in random creative writing exercises and prompts, and other times we simply plug into our music and work on our "own" stuff," surrounded by books in the beautiful SLS library. Write on!

YEARBOOK

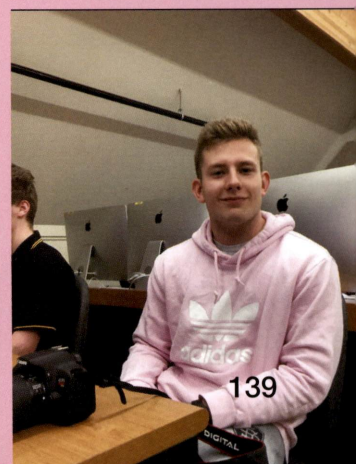

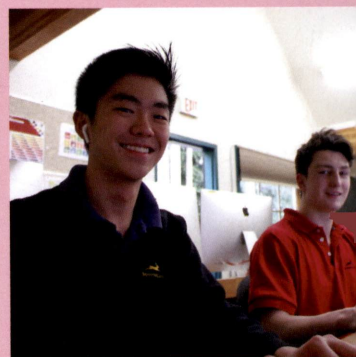

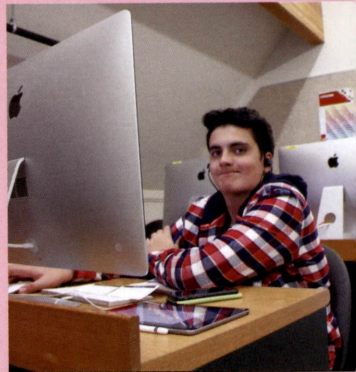

PUTTING YOUR YEAR IN PAGES!

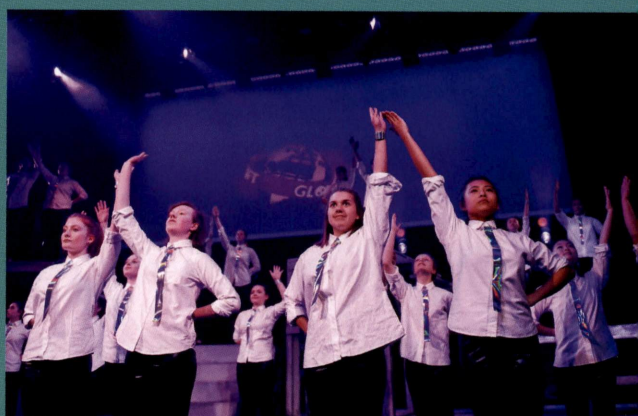

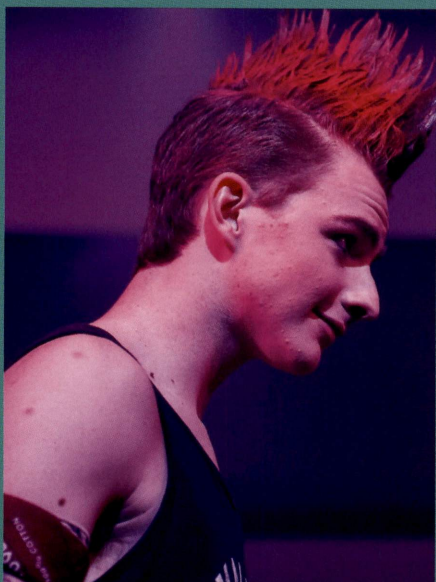

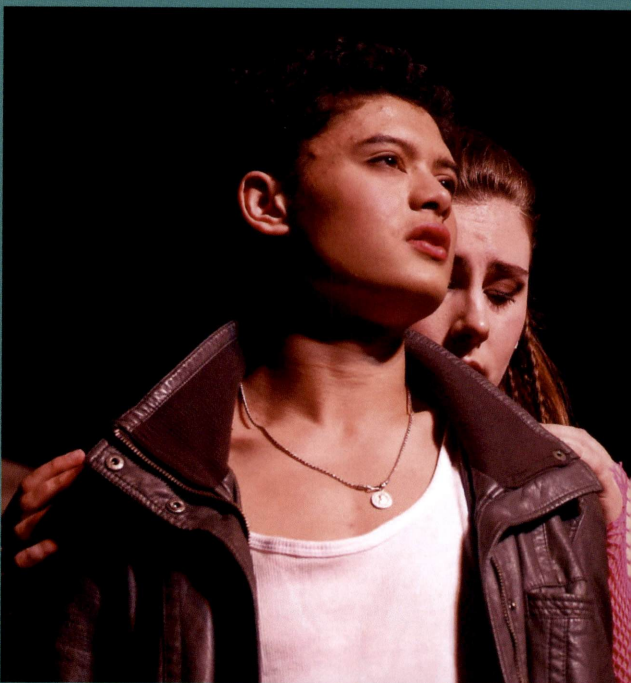

Vikki Agate & Bessie Sebastiano

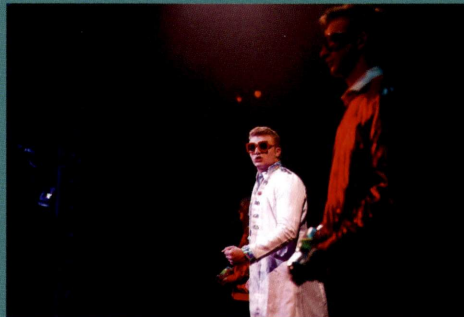

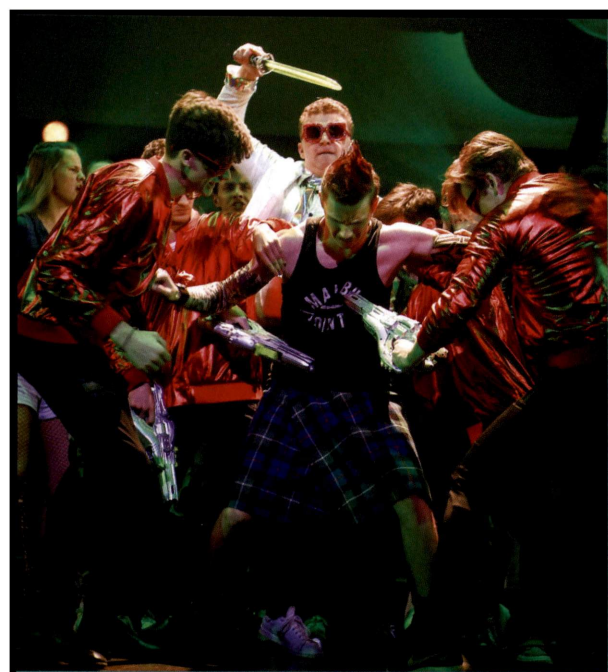

Vikki Agate

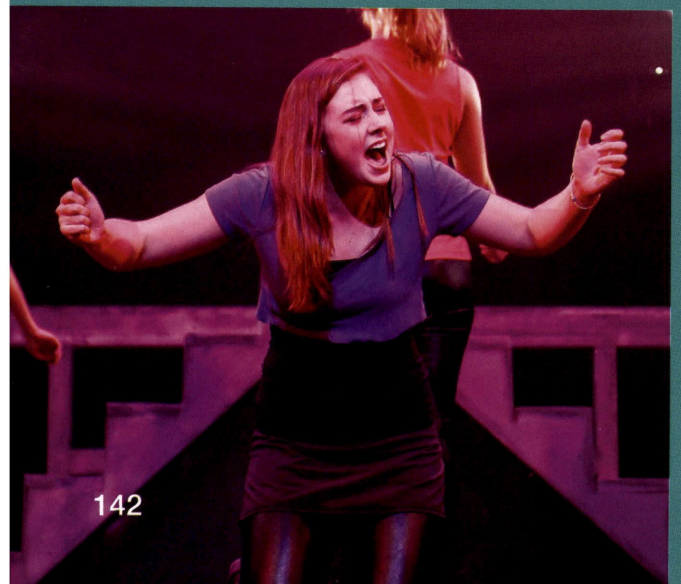

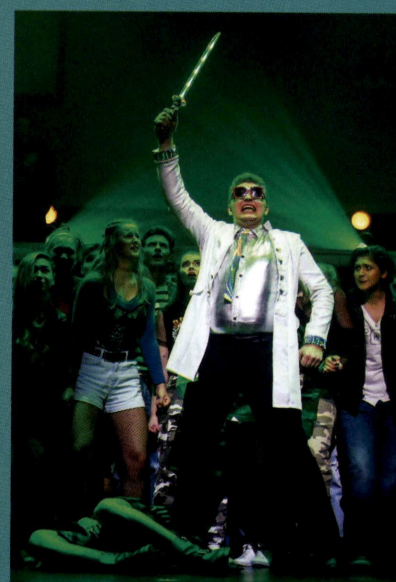

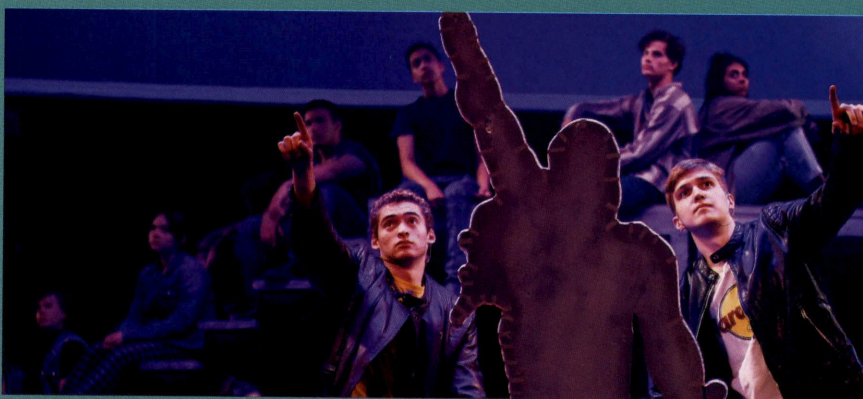

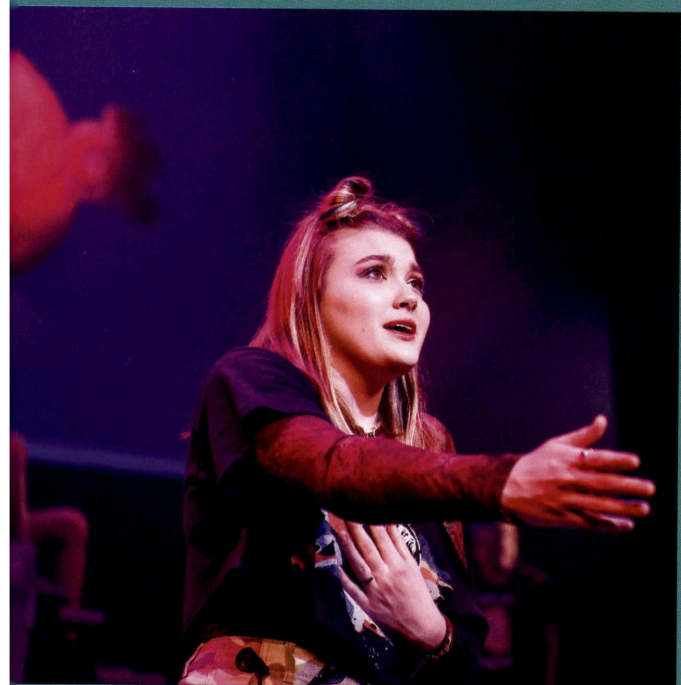

It was a busy three terms in the yearbook this year! With more students than ever joining this awesome fine art... we had many hands on deck to create a book that is just under 300 pages! With a new yearbook company to come along for the ride with us this year, we have had some extra help from our FutureBook gal, Kara! The students split into groups at the beginning of the year to take on different pages of the book. Each group had a writer, photographer, and designer. Although some students moved between jobs, by the time Christmas rolled around, we had begun to find our groove! With many events happening all over campus this year, we still had some photographic help from the talented Arden Gill and couldn't be more thankful for her! With a larger number of students, things seemed to move a little faster this year, and although the book is almost done, we still have a few loose ends to tie up! We hope you enjoy the Yearbook in June!

Fine Arts

Mr. McLeod, Ms. Agate, Mr. Boyce, Mr. Connolly, Mrs. McLeod, Ms. Tyrrell, Ms. Urzua

We are the arts. If we could offer you only one tip for the future, the arts would be it. Ladies and Gentlemen, the Fine Art Department for 2018-2019:

~Mr. McLeod is the dramatic director of this talented troop and this is his cast of diverse characters.

~Ms Urzua is the interface of our graphic design program. She clicks and drags ideas into a coded masterpiece.

~Mrs. McLeod dances like everyone is watching. Her classes are a well-choreographed routine, but she's always eager to try some new moves... cuz she's flexible.

~Ms Tyrrell is the voice of our wilderness. She brings harmony to our melody and keeps us all out of treble.

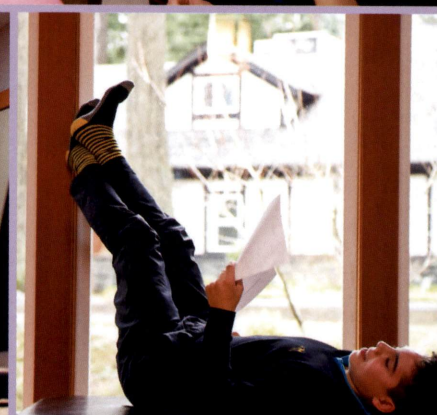

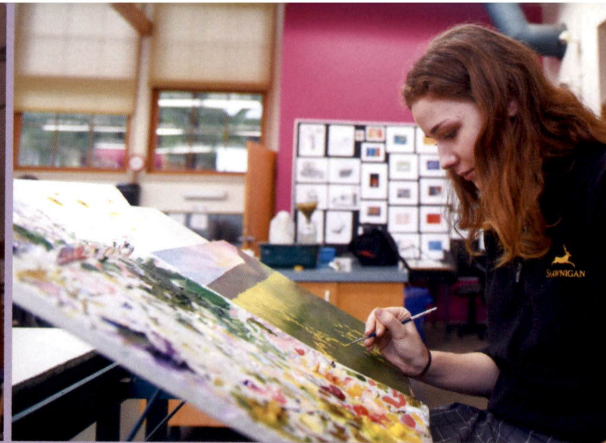

~Mr. Boyce is our resident old-growth spruce. Despite a few close calls, he has yet to lose a limb or digit, while he teaches kids to work with their hands. Mr. Connolly is back to rock the ~chapel and bring rhythm and soul into his classroom while making 'band' cool again.

~Ms Agate lives on the spectrum of techni-colour. She'll draw you in, teaching you the fine lines of the life of an artist in splatter-paint covered clothes.

~Ms Turner is our newest creative collaborator. She is a flash of inspiration, bringing focus to a newly developing program in media arts.

The skills fine artists learn must be experienced - practiced and rehearsed. Sketched and erased. Sanded and glued. Improvised and performed. They will try and they will fail. They will pick themselves up and they will try again. While it can sometimes feel scary, embarrassing or unfamiliar, the arts nurture passion, poise, confidence, tolerance, acceptance, appreciation, self-expression and reflection.

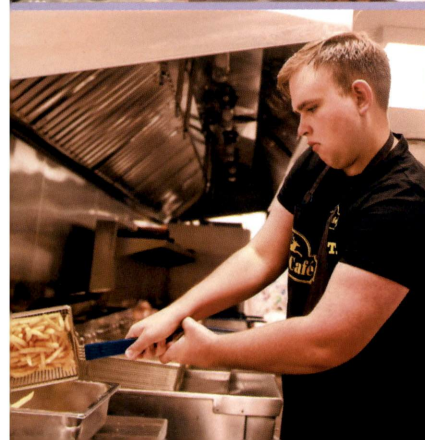

Trust us on the arts.

Business & Planning

Mr. Dukelow, Mr. Watson

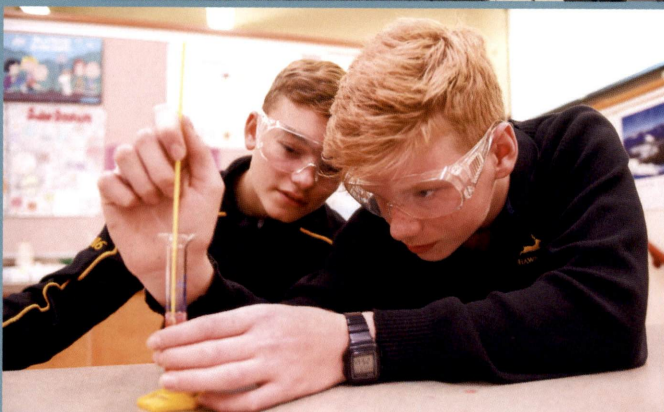

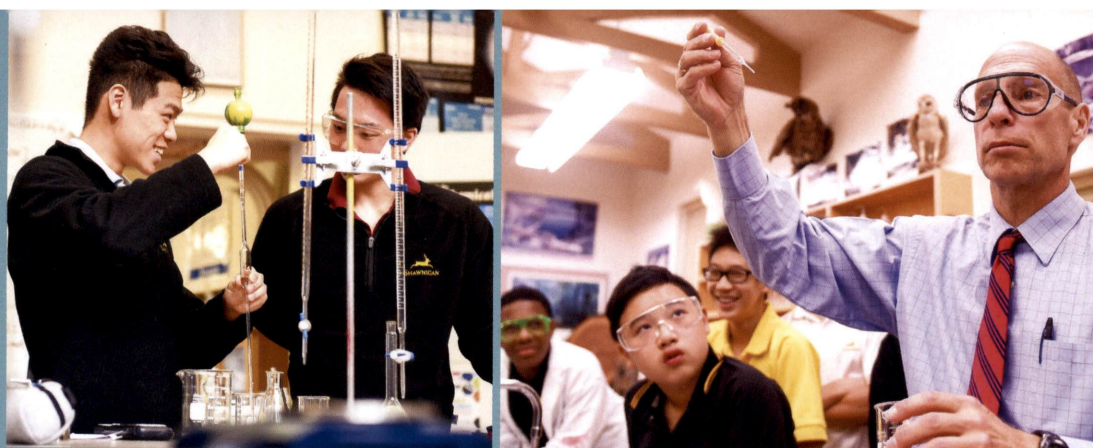

Classes encourage individual and group engagement, problem-solving and creative thinking. All topics are presented with an emphasis on the BC Core Competencies. To complement this theory in a practical way, students “startup” food businesses, where they will examine innovation, marketing, operations, human resource management, and finance in an experiential setting. This is a student-driven activity, where failures are common and invaluable to the learning process. Other skills taught are presentation, attitude, initiative, grit and organization.

Science

Mr. Mayes, Mr. Austin, Ms. Brewer, Mr. Doig, Mrs. Hamilton, Mr. Morris, Mr. Noble, Ms. Ransom, Ms. Robson, Dr. Taylor, Mr. Wilke, Miss Williams

This year has been full of highlights in the Science Department. Our grade 12's are moving on with some fantastic skills that have secured them placement in competitive programs at university. We are impressed with the number of graduates that are pursuing paths in computer science and engineering. The science department prides itself on the experiential learning opportunities that are available in this area. These include our salmon hatchery, observation beehive, living lab, robotics and the observatory. Our annual grade 11 biology trip to Bamfield was blessed with fantastic weather, making this experience a fantastic memory for all those who participated. In May, we introduced some outstanding student-produced astronomy images to the Shaw Center foyer. The quality of these images are a testament to the persistence of our students and the progress we have made with the equipment in our observatory. In the new year we welcomed about 300 visitors to the observatory for the January 20th lunar eclipse. This was a fantastic opportunity to invite the local community to our campus. We have now been fortunate to participate in the Japan Super Science Fair for the past four years. Mr. Noble led this trip in November and the students on the trip had transformative experiences. We are keen to engage in a collaborative project with our Japanese hosts for next year's version of this amazing opportunity.

Languages

Mr. Linn, Sra. Carballo, Mr. Hyde-Lay, Ms. Linn, Mrs. Receveaux, Mr. Receveaux, Ms. Sun, Ms. Turner

SIX TOP REASONS WHY WE ALL STUDY ANOTHER LANGUAGE AT SLS

(....and there are many more)

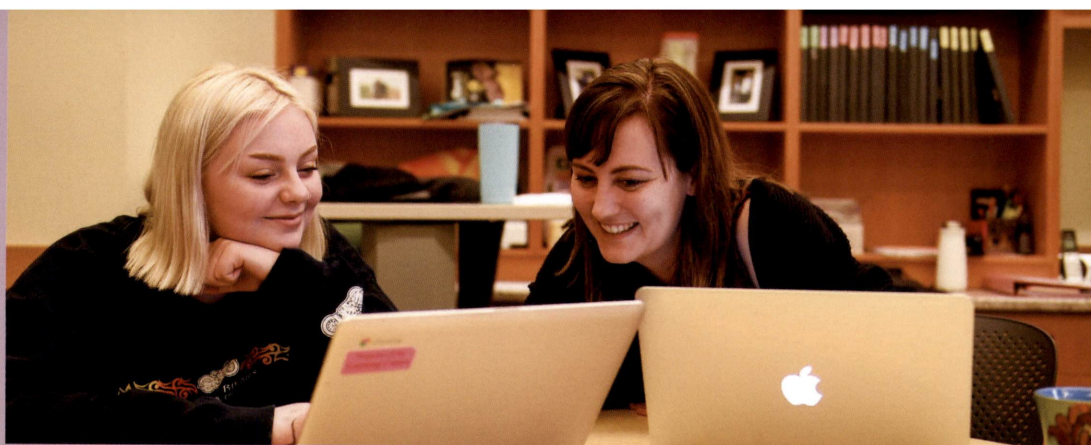

1. We live in a multi-cultural community that values cultural and linguistic diversity, and so we 'walk the talk'.
2. Studying another language encourages respect for others, one of the key values of Shawnigan.
3. Emphasizes the value of communication, both spoken and written, in today's increasingly isolated world.
4. Enhances listening skills and memory.
5. Increases our students' opportunities in later life in fields such as government, business, medicine, law, technology, military, industry and entrepreneurship.
6. Provides access to some of the most creative and interesting teachers, many of whom are native speakers and who consequently bring a different vision to teaching and learning in our Shawnigan 'bubble'.

Learning Center

Ms. Lupton, Ms. Russell, Ms. Hutchins,
Ms. Platt Mr. Mattock, Ms. Robson, Mr.
Watson

The LC is a space where every day, it finds a new way to makes me feel so lucky to be a part of it. Whether I'm stumped in math or need a bit of help for another subject, the amazing, caring and supportive LC teachers are always ready to lend a hand. The LC also gives me a chance to get some school work done during the school day, which I find to be a huge help, particularly when Shawnigan gets extra hectic.

Library

Mrs. Hyde-Lay, Mrs. Murdy

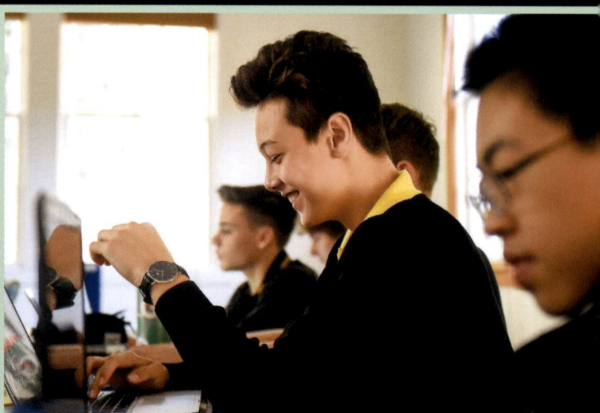

The library has been buzzing with students this year. Support for finding just the right book, in fiction or non-fiction has kept the library staff hopping! In addition, Mrs. Hyde-Lay introduced and taught the new citation builder software, RefWorks, and had the opportunity to teach students how to evaluate sources, use the library databases, find reference books and improve their research skills. All of the students did an excellent job of learning new skills! Fun things that continued were the winter break activities for reflection and giving back (wishing tree - charity donations - coat drive) and the ever popular blind date with a book. As always our library is a warm and welcoming space, thanks to the students who use it daily!

English

Ms. Boudreau, Mrs. Atkins, Ms. Bell, Mr. Chant, Mr. Connolly, Mr. Coy, Ms. Edgson, Mr. Monro, Ms. Owen, Ms. Smith, Mrs. Wilke

The English department has launched a reading program this year in response to its goal to increase students' reading stamina. In our first year of the program, we gave every student the ability to read at the beginning of every English class for 10-20 minutes. We have experienced great success: students are reading more than ever, finishing a record number of books. They are proud of their reading accomplishments this year, and teachers are noticing greater interest in reading and a greater ability to read for longer periods of time, all of which will serve students well in their post-secondary endeavours. In addition to our reading program, students participated in various writing contests, including Shawnigan's inaugural Murray Dawson Creative Writing Contest, and the Hector McIntosh speech competition. Students continue to enjoy the diversity of course offerings made available by BC's new English curriculum at the grade 10 and 11 levels and are demonstrating their English language skills in a variety of areas: creative writing, literary studies, spoken language, new media and composition. This year marks the final year that grade 12s write the English Provincial Exam. The English Department is looking forward to supporting all teachers in a variety of disciplines, as we get ready for students to write the new Literacy Exam, which will be written by grade 10 students in the next academic year and grade 12 students in the 2020/2021 academic year.

Math

Ms. Dalrymple, Mr. de Leeuw, Ms. Milne, Ms. Montgomery, Mr. Morris, Mr. Swannell, Mr. Venables, Mr. Wilke, Williams

BEDMAS 2018-2019

Math students are encouraged to learn math by cooperating, discussing and practicing. (Teachers recognize and accommodate the individual challenges that this subject often presents)

Math students understand that mistakes are opportunities for exponential growth.

Math teachers differentiate and organize topics so that students can devote undivided attention to developing their skills and finding personal success.

By practicing multiple step problems, students develop the ability to justify their choices and demonstrate critical thinking.

The addition of two new teachers to our team this year has brought a new perspective to our group of hard-working and dedicated teachers.

With subtraction (retirement) of Mrs. Dalrymple, the department will continue to flourish under the helm of Mr. Jarrett Wilke.

Social Studies

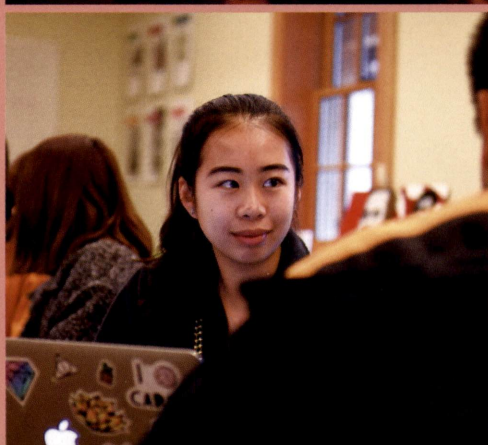

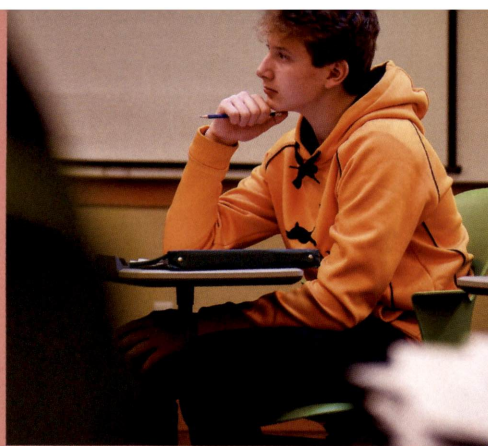

Mr. Lupton, Mr. Anctil, Mr. Clinton-Baker, Mr. Fraser, Ms. Grass, Rev. Holland, Mr. Klassen, Mr. Loiselle, Mr. Pasquale, Mr. Plater, Mrs. Wilke

It has been another full year in the Social Studies department and Shawnigan Lake School in 2018-19. As we have moved in the full adoption of the new BC Curriculum, we have evolved our lessons to better reflect the student experience in Social Studies. Central to that is our departmental philosophy around engagement and interaction.

The start of the year saw a flurry of activity, whether it be the enormous Model UN assignment, project on religion, or hiking up Mt. Prevost. Other involved activities included the Refugee simulation, mock trials, engagement with our local community and preparation for AP exams.

As the calendar ticked over into 2019 the pace in the department did not slow down. Our senior students were involved in the powerful Holocaust and Genocide symposium and all students began the important process of writing research papers. Spring Break allowed a short breather before the final push of the year began: AP exams, final project due in, research papers galore and finally exams in June to wrap up the year.

It has been a breathtaking year in Social Studies thanks to the hard work and dedication of the amazing group of educators who have the privilege of teaching such wonderful students. However, we are sad to say goodbye to beloved Social Studies teacher Vito Pasquale who will be helping students elsewhere next year. We are sorry to see him go, but are grateful for all the hard work he has put into the department over the year. Thank you, Mr. P!

P.E.

Mr. Williams, Mrs. Conroy, Mr. Doyle,
Ms. Haggard, Mr. Murdy

The Aim of Physical Education 8 and 9 is to enable all students' to develop knowledge, movement skills, positive attitudes and behaviors that contribute to a healthy, active lifestyle.

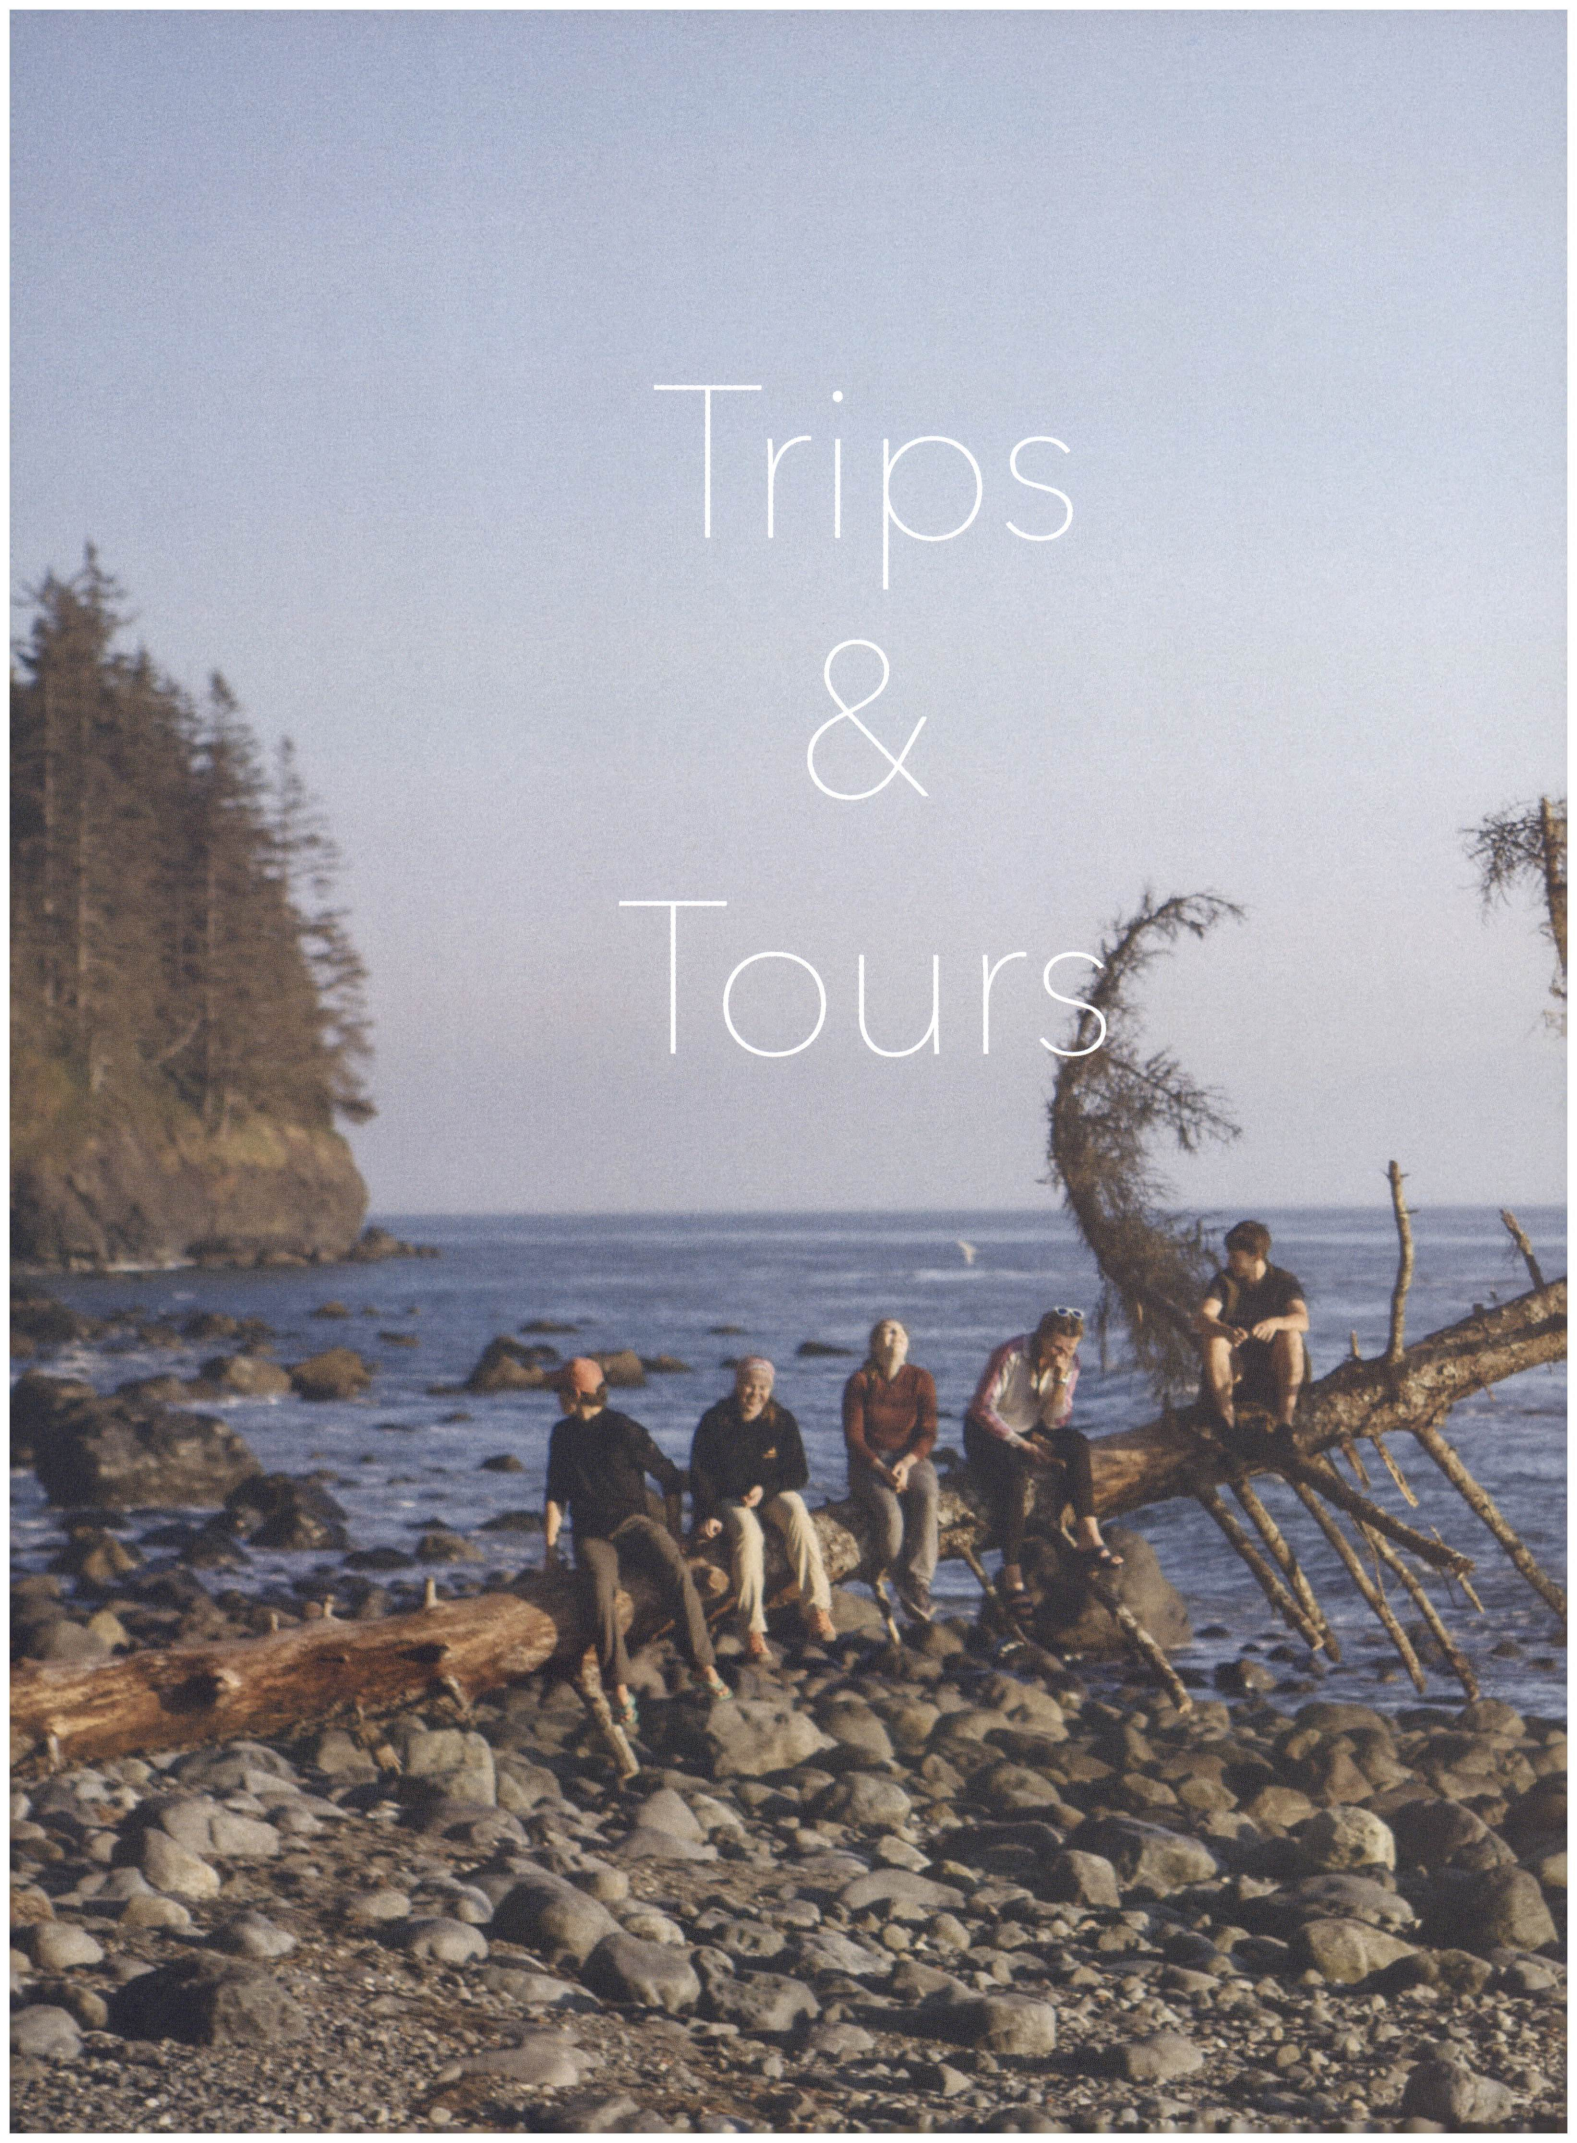

The Departments goals are to give the students numerous and different sporting opportunities. The emphasis is placed on skill acquisition, but these skills are then advanced into more game play and the decision making aspect of sport in a safe and positive learning environment.

In addition, the units assists students in developing teamwork and individual skills that is transferable to other areas of their lives.

Ultimately, the P.E. programs intention is to teach the students to establish and appreciate the benefits of having a healthy lifestyle.

Trips & Tours

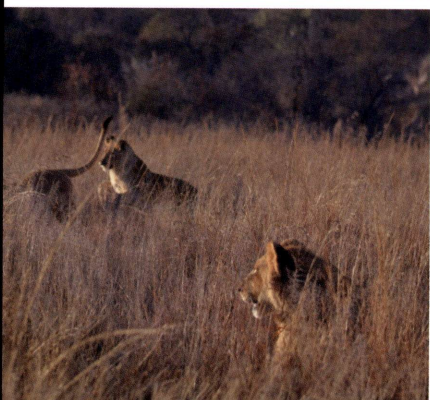

Zimbabwe, Africa
Jun. 25 - Jul. 17

EDGE ZIMBABWE

A HAND UP - NOT A HAND OUT

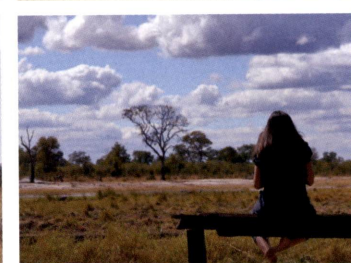

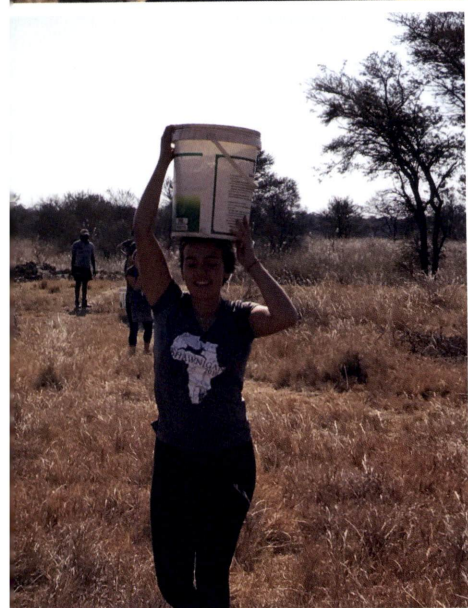

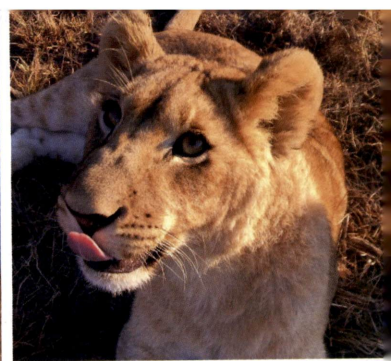

Best memory from trip?

One of our main jobs was to go to a local orphanage and spend time with the children there. I'm not going to lie, this was one of the most emotionally challenging days we had. I spent the day with a three year old orphan named Anodai. Though his English was very minimal and at first he was a bit shy, I formed a bond with him that will last with me forever. Because he was sick and it was windy outside, he had almost no strength to walk. So I carried him around for all our activities. I will never forget the moment he fell asleep in my arms, while wrapped in a blanket.

~Tatum Hayhurst '20

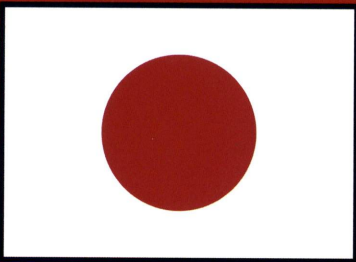

Tokyo, Japan
Oct. 31 - Nov. 4

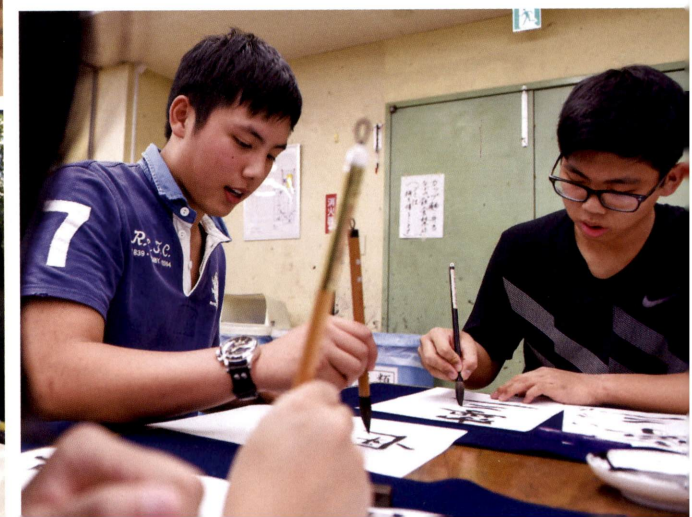

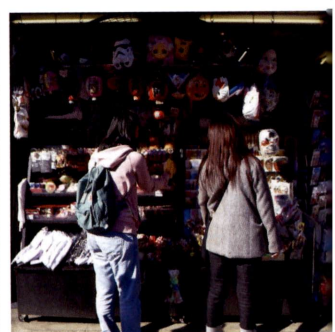

AZABU EXCHANGE

EXCHANGE TO AZABU SCHOOL IN JAPAN

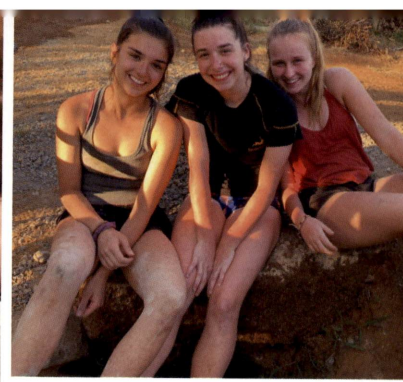

Best memory from trip?

Although I found it hard to choose a favorite experience, I would say it was the time we sang and danced with the Azabu students at a karaoke place. It is said that experience is the best teacher, and now I agree. In Tokyo, we learned how quickly you can establish a deep, long-lasting connection with people and places that will and now remain forever in our hearts.

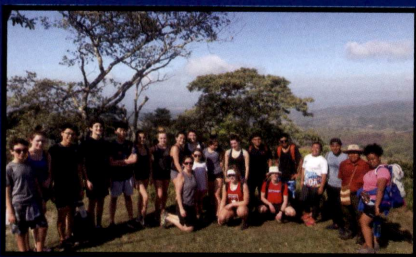

Costa Rica
March 6th - 22nd

EDGE COSTA RICA

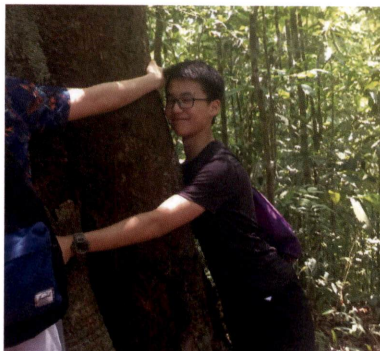

PURA VIDA

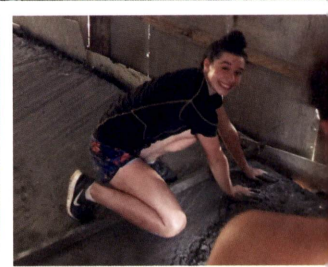

Best memory from trip?

EDGE Costa Rica was truly a life changing experience for every person on our team. The trip had a perfect balance of work, experience, and fun. Not only did we learn what the team was capable of physically (harsh six hour hikes, shovelling concrete for hours, and taking freezing showers,) but we also learned the importance of not taking things for granted and giving back to others. Our sincerest gratitude to Ms. Cholack, Lozzy, and Esteban for giving us the most memorable trip of our lives. The bonds we have created as a group living and working together are truly unbreakable. As all of us sat crying in the airport returning home, Megan Cholack (Kaye's '16) left us with wise words based off of her experience in EDGE Thailand. "This trip is something that you will think about every day for the rest of your life." While at the time most of us shook it off, our group has come to realize how accurate Megan's words are.

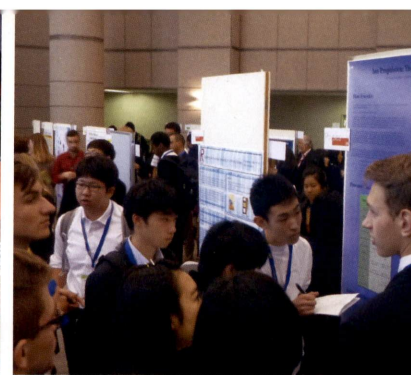

~ Bridget Persson

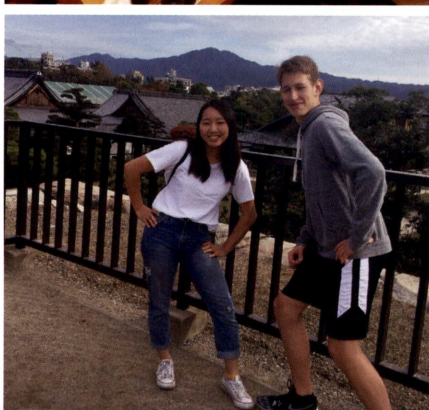

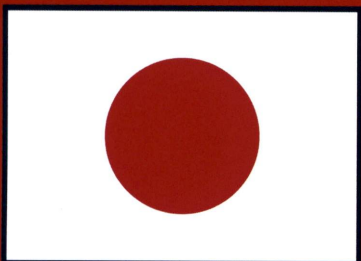

Kyoto, Japan
Nov. 10- Nov. 19

JAPAN SUPER SCIENCE FAIR

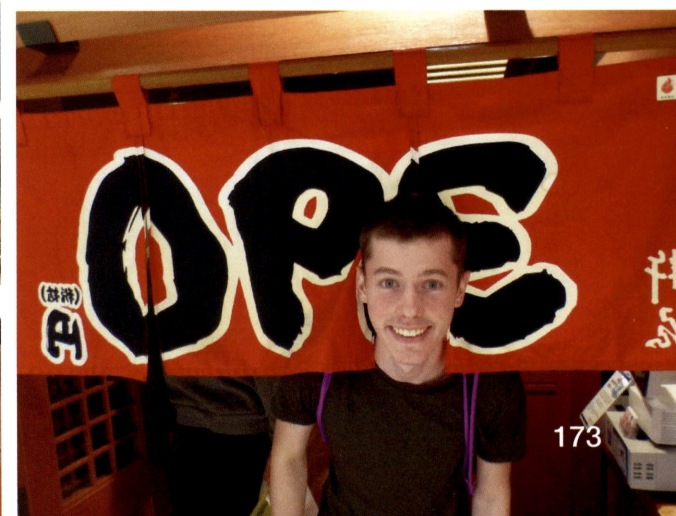

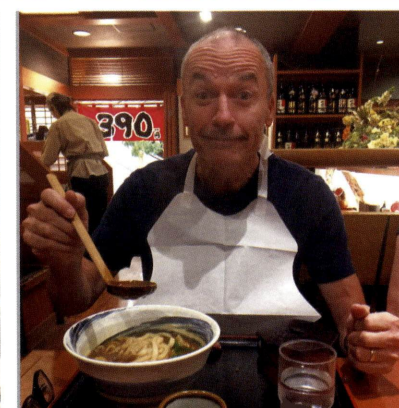

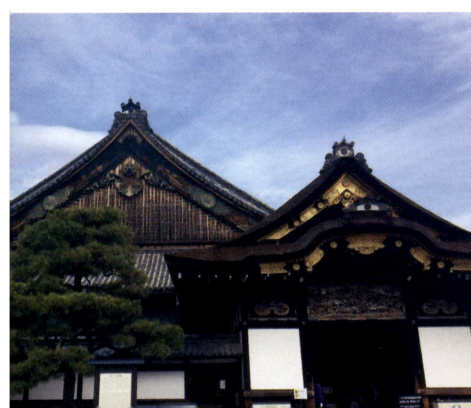

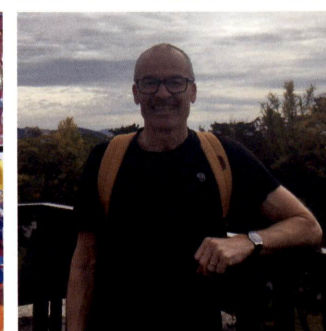

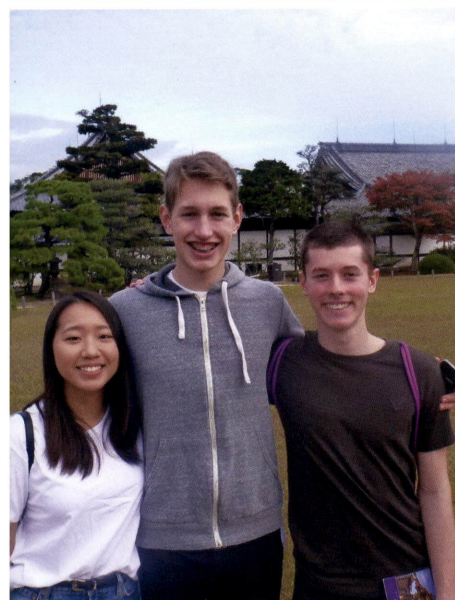

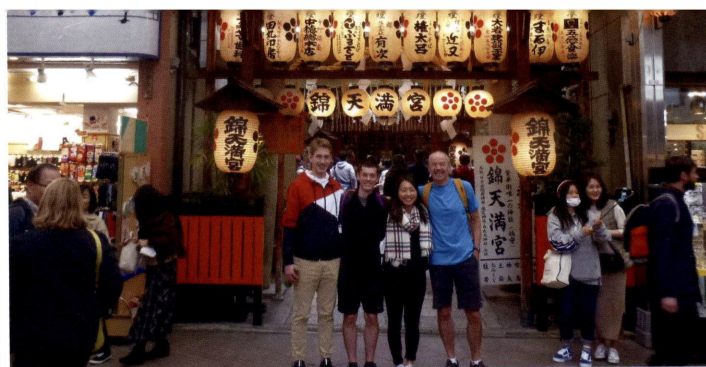

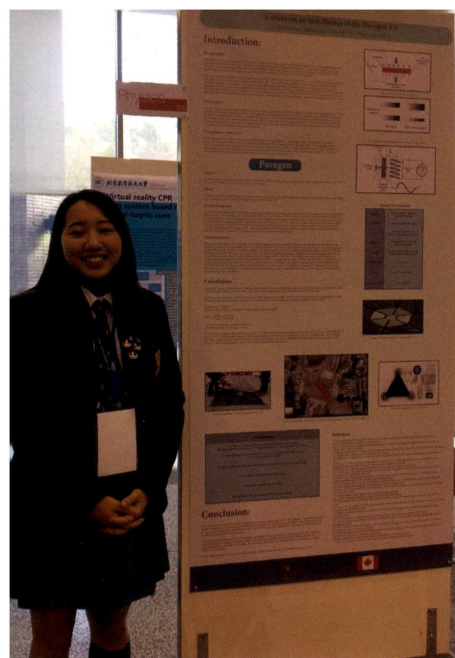

"SCIENCE RULES" -BILL NYE

Best memory from trip?

One of my favourite memories from this trip was making connections with people from around the world. The main purpose of this Science Fair was about meeting new people. Although we, students, were at the fair for a short amount of time, I believe that we all got very close from collaborating together on team games, sharing our science projects with each other, and spending a day in downtown Kyoto. I am grateful that I got the opportunity to go on this trip.

~ Selena Lee

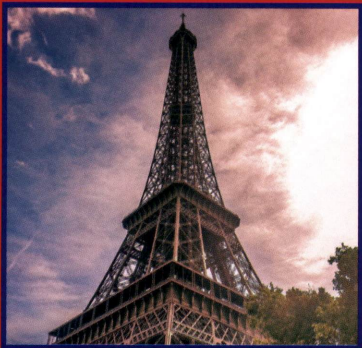

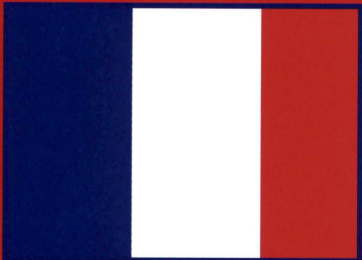

Angé, France
Mar. 17- Mar. 31

FRANCE EXCHANGE

CULTURAL EXCHANGE TO ANGÉ SCHOOL

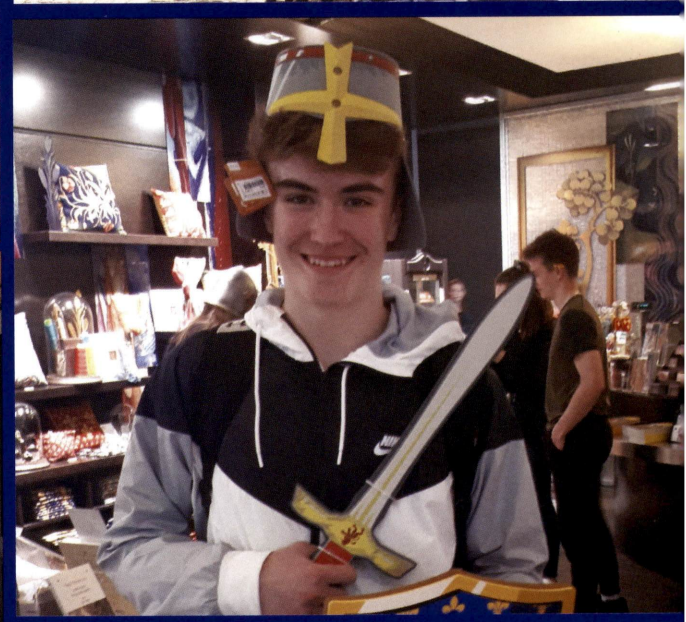

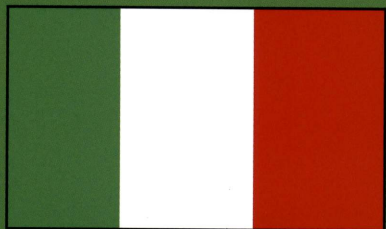

Best memory from trip?

France was something I will cherish for the rest of my life, the family I was paired with were the best hosts ever. They were truly like a second family to me and made me feel at home. The people I met were what made this one of a lifetime experience so special to me, I met various students at the school and become close with a lot of them. All this made leaving nearly impossible. France was an experience I will never forget.

~ Rhys Jobbit

ITALY EDUCATIONAL TOUR

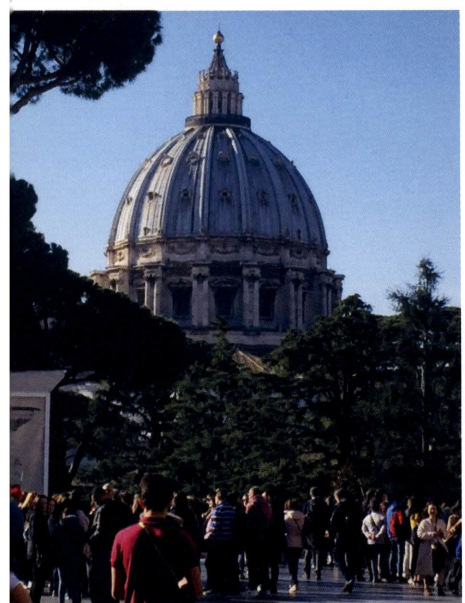

Venice, Rome, Florence
March 13- March 22

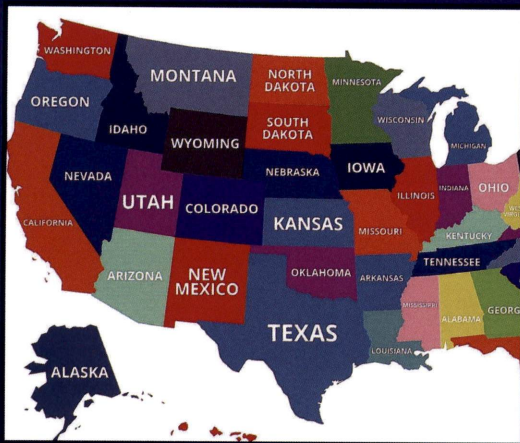

Ah, Italy... The province of fine art, great history, and exquisite food! Many of the astounding opportunities Shawnigan provides are not simply confined within the school gates. No, there is a wondrous world out there for people to explore and experience. For the lucky 15 of us, our journey to a foreign landscape, would commence during spring break. Over the next 10 days, the events that followed would be truly unforgettable. To recount everything would take a novel. So in that case, I would like to simply recall of our most cherished experiences as a group. Now getting across half of a country within the span of nine days is NOT an easy task. Especially when you're trying to see as much of it as physically possible whilst still getting enough sleep. Therefore we would spend a great deal of time aboard our very own bus, driven by the one and only "Antonio!". Sometimes it would be 30 minutes, sometimes it would be 8 hours. There was plenty of room for everyone to lounge about so most of the time we'd just kick back, chat, relax, and take in all the beauty of an ever-molding picture: our Italy. However, we'd quickly be interrupted by this loud phrase over the speakers, "Wakie Wakie!!". That would be our tour director Mario, getting everybody up to continue with the day's plans. I'm not gonna lie, at first we were a little annoyed by this. But as the days went on, Mario's lively humour became the feature of our trip! His kind heartedness was contagious, leaving us full of joy and wonder. It wasn't what we did or what we saw that made our trip what it was, it was the people we shared it with, and the memories made.

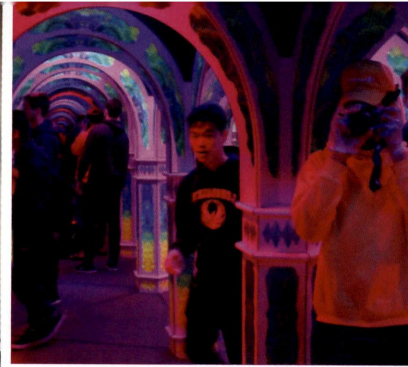

~ Spencer N

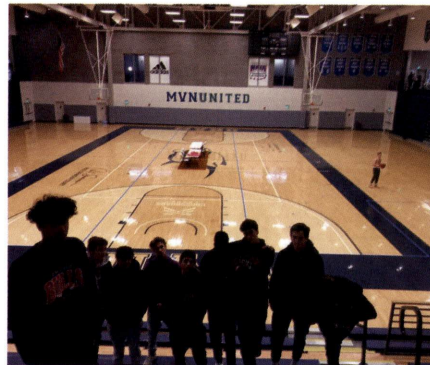

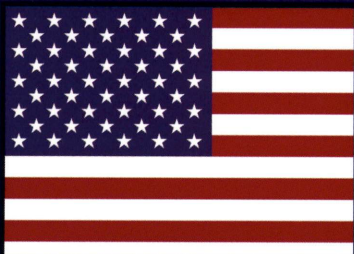

California Feb. 4-8
Ohio Feb. 26- Mar. 2

USA TOUR

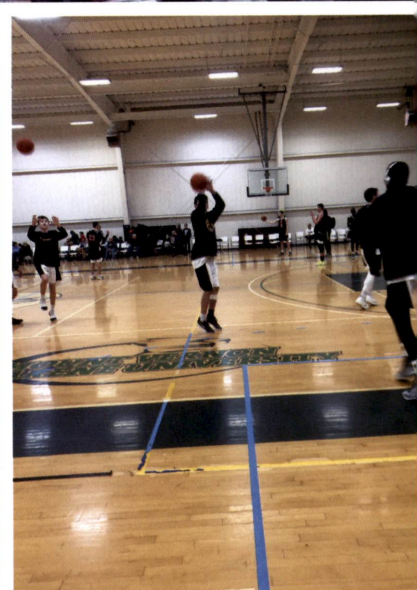

SENIOR BOYS BASKETBALL

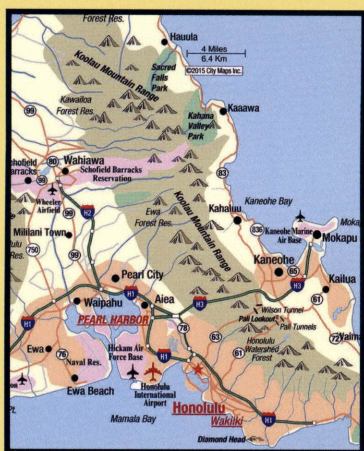

Best memory from trip?

During the 2018-2019 senior boys' basketball season the team started with a core of about 7 players. With team bonding these 7 players made sure that any player that was called on could perform to the best of their abilities. The senior boys' basketball team went on 3 big trips this year; one to San Francisco, one to Los Angeles, and the last one to the NCSAA National Championships in Mount Vernon, Ohio. With every game the team's ability got better as well as the team chemistry. Although not receiving the result the team wanted at the national championship, we learned many valuable lessons. ~Charles A.

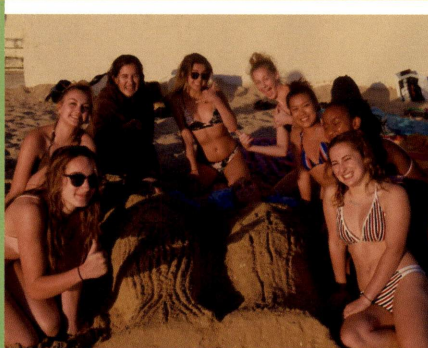

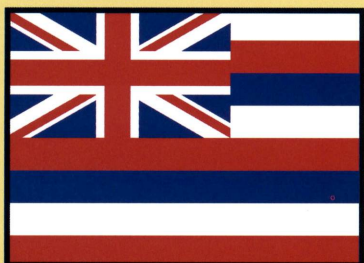

Honolulu, HI, USA

HAWAI'I TOUR

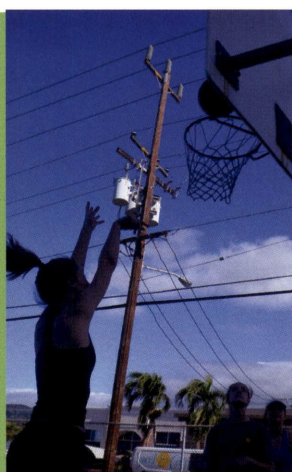

SENIOR GIRLS BASKETBALL

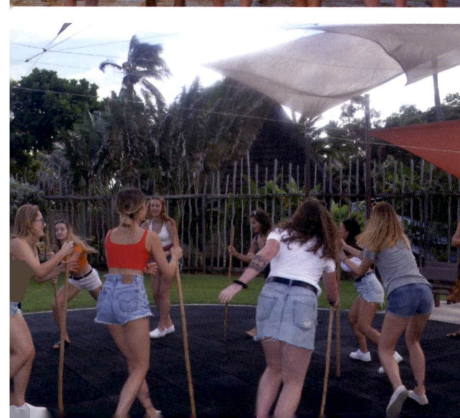

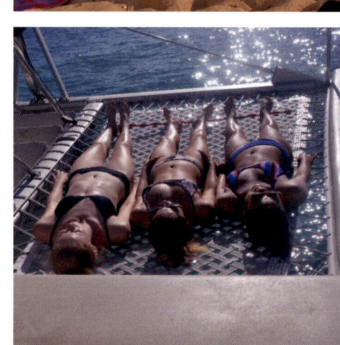

Best memory from trip?

The 2019 girls basketball tour to Hawaii was an incredible experience and one that will stay with all of us. From our first day adventuring to Hanauma Bay where we went snorkeling to our last basketball game that had our team on the edge of their seats this tour was truly a special experience for everyone. We took part in many fun and engaging activities ranging from catamaran cruises to team bonding activities that would leave laughing till our stomachs hurt. The tour gave us the chance to play at a high caliber which challenged us and pushed us out of our comfort zones. The progression from game one to our last was phenomenal and we learned throughout the tournament to rely on each other and just take in the experience which bettered us all as players. This trip was truly memorable and the girls on it made all the difference. I want to thank everyone involved who made it what it was it wouldn't have been the same without you all.

~Lenny J

Best Memory From Trip?

Viva Las Vegas! What a thrill it was for the Grade 8 rugby team to be offered the occasion to play in the Las Vegas Invitational Sevens Tournament in early March. It was the first time that Shawnigan's Grade 8 team had toured as a squad and, so, anticipation as to how we might fare against top ranked teams from all over North America was brimming from the very outset! Also exciting, of course, was the venue itself. Warm weather, dips in the hotel pool, spending time with close friends and seeing the bright lights of the Las Vegas Strip were to be encountered. The quality of play on the rugby field was every bit as challenging as billed and, as such, the team learned a lot about the importance of full commitment to the cause. Games were won, lost and drawn and, most importantly, the proverbial "good time" was had by all. They escaped the city with only a few minor bumps and bruises – par for the course in such circumstances! The tour served its purpose of exposing as many young players as possible to the great game of rugby and those players should be very proud of the quality of their play and of their commitment to the School and its values. We are already looking forward to the next chapter of play in this exciting endeavor!

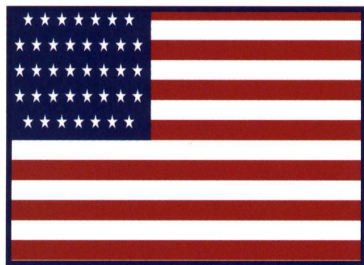

~ Mr. Hyde-Lay

RUGBY 7'S TOUR

LAS VEGAS, NEVADA, USA

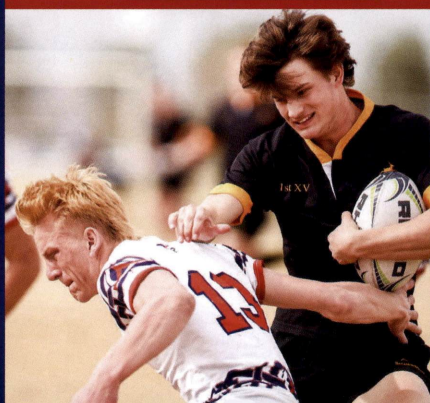

FEB. 28-MAR. 2

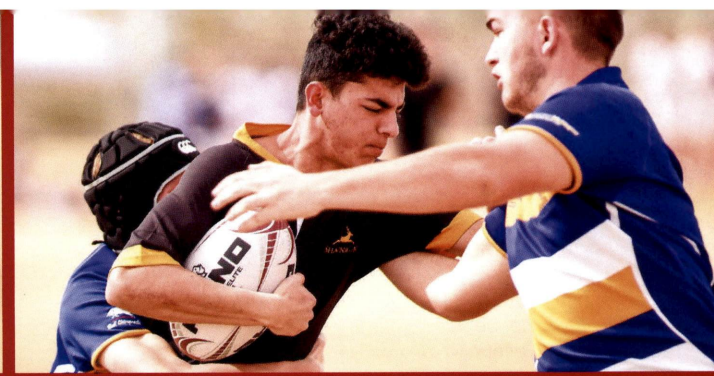

Best Memory From Trip?

Two teams competed in the Las Vegas 7's Invitational tournament February 28 - March 2. They played in two divisions: the Elite Girls 7's and High School Open 7's. The Elite girls team had great success with strong performances by all of the senior players. The team played with heart, never letting down, and came third in the tournament. The Open team was comprised of both veterans and brand new players. These girls improved in every game with great leadership from the young and the experienced Hailey Stephens. Newcomers to the sport also showed great skills. A wonderful time was had by all both on the field and in the town as they experienced Las Vegas to its fullest with a Cirque de Soleil show and they enjoyed a lovely dinner and the fountain display at the Bellagio!

COPS FOR CANCER

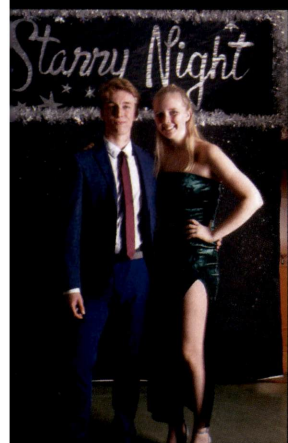

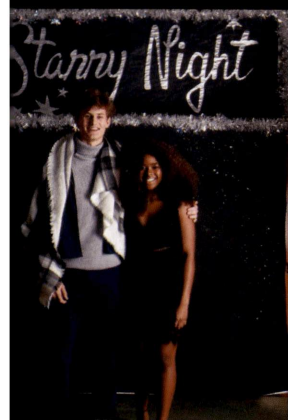

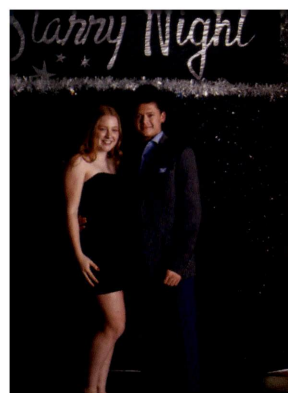

SHAWNIGAN FIGHTS CANCER

Once again, the staff and students at Shawnigan Lake School came together as a community to support the Terry Fox Run and Tour de Rock to help fight cancer. The money raised from this even helps to fund leading-edge cancer research that is improving cancer treatments, preventing cancer, and saving lives. It also provides reliable and up-to-date information on cancer, risk reduction, and offers vital community-based support services for people living with cancer and their families. this year we raised approximately \$23,000!

Joseph (Jojo) Kazuki Tanaka-Campbell

It's pretty cliché, but I have to say I can't describe what Shawnigan is to me in one paragraph. After spending my entire high school life here, the final farewell is without a doubt the hardest thing I have ever experienced so far. For five long years, Shawnigan has taught me so much about myself and what I can become—an opportunity and experience to which I am forever grateful for. Ironically, my fondest memory was my very first day at Shawnigan. I remember being terrified and overcome by nervousness as we made our way up to Ripley's. As we arrived, I was greeted with the biggest smiles from Lachlan Bramley and Noah Crumb. That's when I knew my life would change. I didn't know them but it felt as though I did. This is Ripley's house—you're more than just a group of guys; you are forever a part of the family. But my family didn't stop there. In the hockey world, the boys always knew how to cheer me up. On my bad days, it was difficult to even call it a bad day once I left the rink because no matter what, I always had a smile on my face. Finally, all my friends being there for me changed my life and I can't even imagine being the "me" I am today without them. Small things like these made up my Shawnigan. People always talk about the big, unforgettable moments, but to me, Shawnigan wouldn't be the place it was without all the small moments put together. An anonymous person once said that "time is not measured by clocks, but by moments." They were completely wrong. My time at Shawnigan wasn't defined by moments at all; it was defined by many GREAT moments gone far too quickly. While I have the chance, I want to thank all of the hockey boys, rugby boys, teachers, house staff, coaches, and friends that joined me in my journey through my life at Shawnigan. No matter what, I will cherish these memories and hopefully down the road, I will once again come across a special place similar to Shawnigan. A home away from home. Acta Non Verba. Palmam Qui Meruit Ferat.

"You cannot alter your fate. However, you can rise to meet it." ~Hayao Miyazaki (Princess Mononoke)
"A lion doesn't concern himself with the opinions of sheep." ~Tywin Lannister

Tolani Akinyosoye

Whoever said that "time flies", was right. Shawnigan has been the best thing to happen to me, and I will be forever grateful to my incredible parents who gave my sister and me the amazing opportunity to come here. Over the years, I have been fortunate enough to have built such deep connections, and feel so much trust within this community. The people that I value here have been with me through some of my toughest times, but have also been alongside me for my most memorable moments, and I couldn't be more thankful. Saying goodbye is hard enough, but when it means leaving a place that has held some of my most sentimental moments already feels too nostalgic. Coming to a new school was hard enough, but I was glad that I had Tobi alongside me. She has always been my go-to and has always inspired me to be better. In addition to her, I have been incredibly blessed to have spent my time here living in Strathcona, a house that has held so many girls who have become some of my best friends. Because of you all, I carry countless tears, laughs, and stories in my heart. As far as the staff members who have impacted me from grade 8 until now, I just want to say thank you. Mrs. Connolly and Mrs. Conroy, thank you for your unconditional love and support for the girls in the House and to Mrs. Pasquale, thank you for being such an incredible, and patient advisor, and giving me the best hugs especially when things felt overwhelming. Shawnigan has been my home for years, and although this goodbye will be difficult, I can't wait for what the future has in store.

Charles Asche

Over my past two years at Shawnigan, I have made countless friendships that will last for life. Even though I will probably be nowhere near any other Shawnigan grad's in the near future, I'm sure that we will share these memories and moments for life. Coming to Shawnigan, I did not expect the basketball team to be anything special, but through playing, I have had some of my best years because of it. Coming to Shawnigan also introduced me to rugby. I barely knew what the sport was before arriving here, but now I love it. I have enjoyed playing Shawnigan sports thanks to the coaches and my fellow teammates. I am very thankful to my parents for giving me the opportunity to attend Shawnigan. Without them, I never would have experienced the place which has given me some of the best moments of my life.

From the two awesome years I've spent at Shawnigan, I have way too many people to thank. When I first arrived at Kaye's, I was ridiculously shy and quiet amongst a herd of not-so-quiet teenage girls always getting in my personal space. Now (thank god), I am not very quiet, I'm kind of crazy, passionate and, most importantly, I'm not scared anymore. A big part of that was Shawnigan. So thank you to my advisor, Ms. Dewis, for guiding me through my tough times, Mr. McLeod for always welcoming me in the theatre, and finally my Kaye's girls. Thanks for making me the best version of myself.

Looking back on my four years here, I am filled with nothing but gratitude. The lessons I have learned and the people I have met have truly changed my life. I want to say thank you to my family at home for their support to get me to Shawnigan. The memories I have made over the years are ones I will hold dearly forever. Thank you to Mrs. Conroy for keeping me in check and giving me a little sister away from home. Thank you to Renfrew House, especially the three lovely ladies who run it, and last, but definitely not least, my field hockey team and especially my rugby team. I would not be who I am today without every single person who has been a part of my journey.

The past two years have been so much fun. Thank you to all the people that made high school great.

"Guess what, I have flaws. What are they? Oh I don't know. I sing in the shower. Sometimes I spend too much time volunteering. Occasionally I'll hit somebody with my car. So sue me." ~Michael Scott

Jamie Bell

"My time at Shawnigan has been short and sweet. I have met so many amazing people, explored many new things, and have formed friendships that are sure to last a very long time. I have learned during my time here at Shawnigan that this is a place where there is never a dull moment, and I could not be more grateful for the busy and enriching experience I have had over the past two years. Some of my favorite moments at Shawnigan include times spent with the swim team, beautiful days spent out on the water rowing, and daily house meetings and interactions in Renfrew. I feel incredibly fortunate to have come across such a supportive and caring community that is Shawnigan. I would like to thank everyone who has made my experience so positive and one that I will never forget.

My past three years at Shawnigan have been a complete roller coaster ride; one that I wouldn't want to spend with any other people in any other place. Thinking back to when I first arrived, it feels like forever ago -- but also just like yesterday all in one breath. To my hockey team, thank you for always having my back and supporting me these past three years. The highs, the lows, and all the memories that fall in between I will carry with me forever. To my advisor, Mrs. Ransom, for always supporting me and being there even if it's just through one of my mental breakdowns, I couldn't have done it without you. To the Renfrew duty staff and to all the girls, my time here wouldn't have been the same without you; especially you, Maggie Banks! Lastly, thank you to my parents for making this all possible -- I truly owe it all to you.

*"You have to dance a little bit before you step out into the world each day, because it
changes the way you walk." ~Sandra Bullock*

Wendy Bryden

When I started at Shawnigan two years ago, I was a completely different person than I am now. At Shawnigan, I discovered new passions, made new friends, and began creating my own identity. I'd like to thank my House director, Ms. Cholack, for treating me like her own daughter and making Shawnigan feel like home, along with the rest of the Groves' staff, as well as my advisor, Mrs. Hyde-Lay, for a literal lifetime of support. I'd also like to thank my fine art teachers and sport coaches for constantly pushing me to try new things and keep getting better, even when I thought I couldn't try any harder. The girls in Groves' House were like a family to me, and their constant love and support are what I'm going to miss the most about Shawnigan. Lastly, I'd like to thank my parents for all the opportunities they've given me.

"Things are never as bad as they seem." ~Harper Lee

Groves'

The years I have spent at Shawnigan have gifted me with so many warm memories, and for that, I will be forever grateful. From eating stag in the Ritz to playing in the championship rugby game, I have tried my best to soak it all up. I want to thank my volleyball and rugby coaches for bringing out the best in me over the past few years, specifically, Mr. V and Coach Leibl who gave me confidence and responsibility which bettered me as a person, and Mrs. Atkins, who from day one, told me I was awesome and I knew what I was doing even though I really didn't. I have the absolute best friends I could ever ask for, and I am honestly so thankful, especially for my sisters in Strathcona. Most importantly, thank you to my parents who have sacrificed so much for me to be here.

Coming to Shawnigan as an innocent grade 8 I didn't know what to expect but I quickly made friends that would last a lifetime. I'd like to thank my parents for giving me the opportunity to go to this school and to the girls in Groves', past and present, for all the memories. I remember the grade 12s five years ago telling me that my time here will be over before I even know it. I never believed them then, but, looking back, these past five years have flown by. I'm excited for what the future holds and thankful for all the wonderful people at Shawnigan who have helped me to become who I am today. I hope to see you all soon.

"Live a life you will remember" ~Avicii.

If you asked me to write a script for my time here at Shawnigan four years ago, there is no way I would've been able to dream up this journey. Four years of Shawnigan have passed in a blink of the eye. There have been times of joy and disappointment, and these experience have helped me to mature and become a stronger person than I was when I first stepped through the gates. To Mr. Trafford, Mr. Smith, and Mr. Beaudry, thank you for helping me to find my passion in film. To Steven, Freddy, and Marcus, thank you for supporting me in my time of need. To Will Harris, I will definitely beat you in Super Smash Bro and Overwatch one day. Lastly, I would like to thank my parents for providing the opportunity for me to expand in character and mind.

I have had a truly memorable time in Shawnigan--my time here has left me with experiences that I'll eternally cherish. Every year brought on a new wave of triumphs and challenges and I'm sad to leave it all behind. I would describe all the highs and lows of those in brief, but it's actually the simple, passing moments in Shawnigan life that resonated with me the most. Random late night conversations about everything, particularly good comebacks to past and present roommates, attempts to play racket sports, corny jokes made by teachers in class and time spent in Robotics with the weirdest but best group of people. I know were just some of the fragments that made up a fun and fulfilling high school life. Here's to everyone who shaped these memories and got me this far; your support has been invaluable and I'll appreciate it forever.

"Time you enjoy wasting is not wasted time." ~Laurence J. Peter

"They underestimated me." ~George W. Bush

"Some Crap About The Future." ~Ben Cooper/Electric President"

Wow! Three years ago when I entered the Shawnigan community, I never imagined how much this place would mean to me. Being part of the first ever competitive female hockey team was truly a dream come true. Thank you to all the hockey girls on my team for being the best family I could ever imagine. I love you all so much and my Shawnigan experience would not be the same without every single one of you. Carly, Tcoy and Kristi, you guys are the best set of coaches I have ever had, and I would not be the player I am today without you--thank you. Likewise, thank you to all the girls of Groves', Ms. Cholak and all the staff members because this house has become a home, and I will miss it tremendously. Thank you, Shawnigan, for an amazing three years.

Throughout my time at Shawnigan, I have truly grown to be the person I want to be. When I skipped grade 7, it wasn't easy transitioning from grade 6 into grade 8, but having the people I care about near me made it more enjoyable. Now, I am a five-year graduate, and I feel very accomplished. Although I have had many highs and lows at Shawnigan, my friends and the people that I am close to really supported me in this experience. Thank you to everyone who has made my journey incredible.

*"That's so funny the last time I heard that I laughed so hard I fell off my dinosaur."

I have been at Shawnigan for two years now, and throughout these years I have met the most amazing people and had the most incredible experiences that I know I will never forget. Coming in grade 11, I thought it would be hard to make friends, but I was proven wrong when I quickly made 60 new ones all at once on the first day. I am sad to see the last couple months of my years at Shawnigan come to a close so soon. I will be leaving behind a huge part of my life, but I am happy to say that I will be bringing all the wonderful and unforgettable memories with me. Thank you to Ms. Cholak and Mrs. RJ for always being there no matter what. And thank you to my parents for giving me the great opportunity to grow and succeed here at Shawnigan.

Over my two years at Shawnigan, I have made so many memories and friendships that will last me forever. I truly cannot begin to express my gratitude to each person at Shawnigan and the support all of you have given to help me grow into the person I am today. I would especially like to thank Señora, Mrs. D, and Mr. Fehr for your unwavering support over the past two years; you have helped me at times when I didn't believe in myself and proved me wrong. You put up with my craziness and were always there to lend a hand. I cannot believe the past two years have gone by so fast. I have grown in so many ways and I know the memories and friendships made here will always be in my heart.

I have been at Shawinigan for three years now, and I find it impossible to describe all my experiences here in just 150 words. When I first arrived at Shawinigan, I had no idea what I'd gotten myself into; living in a boarding school is not easy, but I learned how to keep up with 50 girls every single day. I am sad that my time is up, but I am grateful for this experience. I am going to miss all my sisters in Kaye's, and I am leaving a piece of my heart in this place. Even though it is a love/hate relationship, Shawinigan makes you grow in a way that I thought I would never do. I want to thank everyone that made my life at Shawinigan so amazing, especially my advisor Ms. Tyrrell, for always encouraging me on giving my best in life.

Shawnigan has been my home away from home. During these past two years, I have experienced so many things starting from huge culture shock to self-discoveries by being exposed to new opportunities. When opportunities were closing just before my final step, Shawnigan accepted me with open arms. And now, I am graduating! This moment wouldn't have been possible without so many supporters: Thrangu Rinpoche, Shirley, Mrs. Samuel, my parents and host parents and the list does not end there. I am immensely thankful to my advisor, Mrs. Lupton, with whom I can share my every concern and achievement. Shawnigan would have been hard without her love and support. Also, Ms. Edgson for making me confident with my writing, Mr. Brown and Ms. Gottfried, my guidance counsellors, and every members of Kaye's house for making these past two years memorable. I will forever treasure the friendships that I have made here.

"Just do your best and the path will unfold itself along the way." ~Dad

Paige Doig

5 years at Shawnigan have gone by in what feels like the blink of an eye but has been so full of memories. When I came to Shawnigan in grade eight, I was a shy child with a passion for art and math; now as I graduate, the love of art and STEM subjects have not changed, but I have grown more confident and also have found another passion: rowing. Rowing is one of the main reasons for my growth of confidence, as I found a safe group of crewmates that I could lean on in times of need. I want to thank all my coaches and crewmates over the years for shaping me into the rower I have become today. Also, a sincere thank you to Mrs. Milne and Mrs. Connolly for guiding me all the way from September of grade eight to now, the end of grade 12.

My three and a half year experience at Shawnigan Lake School can be boiled down to the growth of independence and maturity. Starting a new life in a foreign country will always be a hardship, but I am so grateful that I met many lovely friends and teachers who will always be there with me no matter what. Groves' house is my shelter, always protecting and tolerating me; Ms. Gill is my big sister, always helping and caring for me. Many sincere and supportive smiles around the campus inspire me to be confident, as though they are my family members who unconditionally trust and encourage me. Shawnigan has shaped my personality into what I am today. I genuinely believe that everything I experienced here is worth remembering and when, in the later decades of my life, I can look back and feel happiness.

My ride at shawnigan has taken me a long four years. Throughout those years, I have made some best friends for life and seen other friends come and go. Nothing will be more special to me than the people that Shawnigan has introduced me to, in particular my little sisters in Renfrew house, Meghan Gillmore and Ellexi Fulton. Both Meghan and Lexi have made me the happiest person ever. My advisor, Ms. Agate, has also been my best supporter through my time at Shawnigan, never giving up on me, making sure I'm okay, and helping me to change more than i ever could alone. I could never be more grateful that I am now for the people in my life. Thank you, Shawnigan, for all you have done for me, I don't know where I'd be without you.

The past four years at Shawnigan have gone by in a flash. I have made friendships that I will carry on forever, and getting to meet people around the world has been the highlight of my high school years. These past years at Shawnigan have taught me life lessons that I will cherish forever, and have made me the confident woman I am today. I want to thank my parents for giving me this amazing opportunity to pursue my dreams and helping me through this journey. Thank you Mrs. Robertson, who also helped guide me through my first three years, Mrs. Carbello, my house director, for being a very approachable second mother, and to the other duty staff, Ms. Dalke and Ms. Turner. I would also like to thank all the teachers I have had throughout my time here. A special thanks to Ms. Ketch for being the best advisor in my graduating year and for making it a seamless final year of high school.

"We are all born ignorant, but one must work hard to remain stupid." ~Benjamin Franklin

Jacob Fraser

My four years at Shawnigan have taught me so many different life lessons and have given me the opportunity to become friends with so many people from all over the world. Being in Copeman's house and playing on the hockey team, I have become a much more independent person, while making friendships that will last a lifetime. Shawnigan has not only helped me grow as a person but it has helped me become a better student and has developed me into a better hockey player. I'd first off like to thank my parents for all the sacrifices they've made to give me this opportunity. I'd also like to thank my house director, Mr. Hyde-Lay, the staff of Copeman's house, my hockey coaches, and my advisor the Rev. Without all of these people I wouldn't have been able to make it to where I am today.

A paragraph isn't enough to explain that these past five years were the greatest five years I've ever had. I learned here, at Shawnigan, about the many different roads to success. The road to sustained happiness becomes less windy when we discipline our behaviours. The Duxbury boys taught me how to love unconditionally and how to persevere. This Shawnigan experience sparked a thousand dreams and ambitions I plan to accomplish both in the near future and beyond. I thank all of my teachers, house parents, peers, Duxbury brothers, and my family for this unforgettable time. In the back of my mind, I will always have everyone who helped me achieve my goals here. I encourage all who read this to not ever give up on that dream that keeps you awake at night.

A huge part of a memory is the way it felt in the moment, and Shawnigan has left me with so many memories I'll never forget. I feel the need to share a couple of these moments that are so special to me. Hugging my parents the night before I headed back to school. Hugging my friends the day I arrived back. Late nights talking about everything. Shawnigan chicken. Interhouse with your brothers, cheering beside each and every one of them. Putting the juniors to bed. A sunny afternoon on the docks. Those awful exam rows. Saying thank you to my greatest supporters - Board Members, teachers, friends, Mr. Monro, and especially my parents, without whose their support and sacrifice none of this could have happened. I wish everyone the best of luck, and I hope each of you finds what you're looking for.

First and foremost, I would like to thank my parents for granting me the opportunity to study at Shawnigan Lake School. Without them, I would not have experienced the period of time I can proudly say have been the best four years of my life. Over my four years here, I have developed relationships with staff and teachers such as Mr. Hyde-Lay, Mr. Anctil, and Mr. Venables, that have made a significant impact on my life and have helped to shape me into the person I am today. Lastly, to the boys of Copeman's, I will forever appreciate the memories that we shared together, from inter-house to late night banter in the dorms. To my fellow grade twelves and B-town, I wish you all the best for your future endeavors wherever life takes you.

"Here for a fun time, not a long time" ~Fergus James

Xinyun (Angelina) Huang

Shawnigan, surrounded by natural beauty, is a place for me to be inspired. So many compelling tunes and fragments of poetic lines have occurred to me here on daily basis. It is also a place to reflect, to learn how to face challenges on your own. I could not appreciate more what Shawnigan has offered me, especially how it tolerates my childish behaviours and guides me to a successful future. Even though I tried to think of a witticism to conclude my stay at Shawnigan, I realize that nobody would probably understand my ice-cold jokes. Hopefully, I will still read as many books in the future as I am reading in this school. I hope to pursue what makes me happy instead of what is essential, or academically pleasing to me.

"What is the point of worrying oneself too much about what one could or could not have done to control the course one's life took? Surely it is enough that the likes of you and I at least try to make our small contribution count for something true and worthy. And if some of us are prepared to sacrifice much in life in order to pursue such aspirations, surely that in itself, whatever the outcome, cause for pride and contentment."

"Shawnigan has taught me values that will guide me for the rest of my life. As a four year student, a graduation write up is not nearly enough to fully reflect my Shawnigan experience. By being pushed in academics, fine art, and sport, I can truly say that there is nowhere else that I would have been able to reach my full potential. I can truly say this place has been integral to shaping who I am. Many thanks to everyone who has aided me in my journey, Mr. and Mrs. Coy, Mr. Monro, Mr. McDaniels, Mrs. Grass - the list goes on. I couldn't have made it without all of you. Furthermore, thanks to my parents and grandparents for making this incredible experience possible. Final thanks goes to my brothers of Lonsdales, I'll miss you all incredibly.

Over the past two years, Duxbury has become my home. I am grateful for the boys in my house who I think of as my brothers. I think back to all the good times we had playing touch, basketball, or other games and know that it will be difficult not seeing the guys everyday in the future.

Shawnigan has been one of the craziest journeys of my life. Having 52 of your best mates living with you under one roof is an experience I never thought I would have and having the kind of support system that we have in Copeman's is more than anyone could ask for. I want to thank Mr. Hyde-Lay and Mr. Anctil for challenging me to be the best I can be and to take advantage of every opportunity that I can. I also want to thank the homies for putting up with me and always finding a way to make our time here a party.

Shawnigan has been one of the biggest decisions I've made so far in my life, right behind volunteering in Africa and dying my hair red... But in all seriousness, it has also been one of the best. Living here has made me into a person that minds her own business (when necessary) and eats whatever is available. The school has also made me more empathetic, social, and ambitious than I ever thought possible. I've met some awesome people here and I'll be sad to not see them everyday. I won't miss the uniforms, but I'll miss the family I'm leaving behind. Peace y'all!

My three years at Shawnigan have gone by so fast. This school has taught me so much about myself and I know that I wouldn't be the same person I am today without the amazing opportunities that Shawnigan has offered me. To the people that have supported me and helped me to become who I am today, thank you. This year has gone by so fast and I am so thankful for the friends I have made over these three years here at Shawnigan; thank you for helping me to become a better person and pushing me to step further. I know I will never forget the wonderful stories and friendships I have made here.

"Never regret. If it's good, it's wonderful. If it's bad, it's experience." ~Victoria Holt

Brenner Kelava

Since coming in grade 10, I can say I made one of the best decisions of my life. Coming at first just for rugby and to improve as a player, I can say I learned a whole lot more at this school. I made life-long friendships and connections from all over Canada and the world. One person that made my time here unforgettable was Mr. Monro. He was a second father to me in the good and bad times and I can't thank him enough for teaching me to be the person I am today.

I have been at Shawinigan for 5 years. Now that may not seem like a long time to many people but take my word for it, it was LONG. Despite the early mornings where Chapel cut through my extra 30 minutes of sleep, or mandatory sports 3 times a week being the bane of my existence, it had a lot of good to offer as well even if I could not always discern it. I would like to thank Mrs. Ransom, Mr. Lam, and Señora for putting up with me throughout my highs and lows as well as my best friends and the Renfrew girls for always being there. Lastly Mom and Dad, throughout my whole life you have provided me with as many opportunities as you could and I will never forget that.

I am so grateful for the unforgettable memories I made during the four years of my Shawnigan career. Coming from Japan, I was absolutely nervous and scared of the journey I was about to begin, but here I am. Graduating. I still can't believe that it's come to an end. Without my parents, I would not have made it this far, and I am so grateful to have such supportive parents. I would like to thank my advisor, Ms Dalke, for keeping up with my weekly breakdowns and Mrs. McLeod for giving me every single opportunity to dance and making sure I was always full of energy. Also, thank you to every single girl in Kaye's house; each and every one of you brought something special into my life. Thank you for always being there for me. I don't know what I am going to do without you next year. Love you!

First off, I want to thank my mom and dad for everything that they've done for me over the years. I remember telling my mom that I wanted to come to Shawnigan and in 2017, and then I was in Copeman's House with 56 goofy, outgoing guys like me. To my brothers in Copeman's, it's been a hell of a ride from the late night talks to the laughs and fun times we've had together. You boys will always have a place in my heart and will never be forgotten. I'd like to thank you all the teachers who helped push me to become a better student. I would like to thank Mr. Hyde-Lay for being a big influence and role model for me. Your funny jokes said in House meetings and the ones on the bus to golf will always put a smile on my face long after I'm gone.

I've been chasing success my entire life. While my 5 years at Shawnigan have been the best years of my life, they have taught me to chase passion and happiness instead. Success for me is the byproduct of happiness and you are whole because you're following your passion. Some of the most successful people in the world are a success due to their drive for their passion. Shawnigan has instilled a drive in me to spread laughter and joy. This has stemmed from my fellow graduates who have taught me a lot about what it means to be happy. As an advocate for happiness, I wish generations after us a world of happiness and joy!

Although I spent only two years here at Shawnigan, they have been some of the most impactful and valuable years of my life. When I first started in grade 11, I was immediately greeted by my sisters in Kaye's house, and while I could tell they were all slightly insane, I knew that they would be my best friends for the next two years. I have learned many lessons that I will carry with me for the rest of my life, and for that, I would like to thank Mrs. D, the coolest Dog around, and Mike Johnson (Big Mike). I would like to thank my girls in Kaye's house for being my second family and for always bringing a smile to my face. Lastly, I would like to thank my parents for giving me the opportunity to attend Shawnigan, and for supporting me every step of the way. I will miss you, Shawnigan.

After five years of lighthearted pleasure — unfortunately only three with Mr. Fehr — I am sad to say the sun is setting on my time at Shawnigan. After over 1,000 days of school since the first time I arrived, I have discovered many things. The first and most important thing I learned was don't wear classroom dress on opening day. The second thing I learned was that when you initially come to Shawnigan dive right in. Shawnigan remains a place that people come to gain broader knowledge and remarkable experiences. The experiences, friends, and brothers that I have made during my time at Shawnigan will never be forgotten. It goes without saying I would like to thank everyone that has made my time here possible. My teachers, friends, coaches and most importantly my parents, who, although it sounds cliché, have sacrificed so much for me to be here today.

There is far more to be said than I could possibly say. There are too many people to thank and too many memories to hold and too many tears to cry. But in brief, thank you for taking me from small and uncertain to who I am today. Thank you for becoming my family. Thank you for being the greatest gift I could have ever received.

"I don't know where i'm going from here, but I promise it won't be boring." ~David Bowie

Jacob Lillywhite

"To my teachers and coaches, thank you for all the hard work and dedication you bring to your jobs. Special thanks to Mr. Hyde-Lay and Mr. Murdy for working with me and encouraging me to be the best that I can. I have gained so much respect for the work you both do during my five years at Shawnigan. I would also like to recognize my sister, friends, and my brothers in Copeman's house. I have so many memories from my five years that will not be forgotten. Mom and Dad, I will always be thankful for your selflessness; sacrificing a better future for yourself to better the lives of your kids makes you the greatest role models a son could have. I suppose the best way I can repay you would be to tell you that the five years of Shawnigan has been the best time of my life.

Shawnigan has been my home for three years. In those three years, I've made so many memories. I still remember my first day, overwhelmed as I navigated through the school. My years at Shawnigan have been paved with laughter, tears, and stress. It is here that I have made friendships that last a lifetime. I would not have made it far, though, if it weren't for the support given to me. Thank you to Arden, who never failed to encourage me whenever I was down; to Mrs. Turner, who always seemed to know what to say; to Senora, who never failed to be there when I needed her. She truly was a mother to me. As my final year at Shawnigan comes to an end, I look back knowing I have made the best out of it. And now all I can say is thank you for being a part of it.

Reflecting on my five years at Shawnigan, the whole journey seems pretty arbitrary; I came to Shawnigan primarily for the campus's beauty, athletics... and of course the academics. Yet, as I prepare to leave Shawnigan, it's not the facilities and amenities that I will miss. It will be everything that occurred inside the walls of the boarding houses, inter-house events, and the formation of bonds that will never be forgotten. Looking back on my time at Shawnigan, I would always find myself counting down the days till break. However, now that the chance to escape Shawnigan has become easier than ever before, I find it difficult to leave and say goodbye. I would like to thank my eyes for always looking out for me, my arms for always being by side, and most importantly my friends and family for always having my back.

"My mother said to me, 'If you are a soldier, you will become a general. If you are a monk, you will become the Pope.' Instead, I was a painter and became Picasso."

Five years at Shawnigan has filled me with gratitude for everyone who pushed me to learn and helped me even when I didn't want to ask, especially my parents. I am overwhelmed with love for my friends who showed me how to believe in myself. To my field hockey team and Kaye's house, thank you for teaching me what it means to be a leader. Thank you to everyone who touched my life through music and theatre, specifically Ms. T and the cast of We Will Rock You. It's really scary leaving a place that I've called home for so long, but because of every of stumble and triumph I've experienced, I can look back with pride and forward with hope. Thank you all for allowing me to be dramatic and loud. I guess the one thing I never learned was when to stop talking.

As my final days at Shawnigan come to an end, I am beyond grateful for all the wonderful opportunities, experiences, and memories that the School has given me. Shawnigan has shaped me to the best version of myself. However, this would not be possible without my parents, who always have my back. I would like to thank my mum and dad for providing me a chance to attend this amazing school with great spirit. I would also like to thank my advisor, Ms. Dalke, for always supporting me with my crazy future plans. Next, thank you to all the friends that I have made in and out of the house for being there during my ups and downs. Lastly, thank you to everyone who is making it so hard to say goodbye. Although it is sad that this chapter in my life has finally come to an end, I know another beautiful chapter will open.

My time at Shawnigan has been a wild experience. Starting here in grade 8 was like entering an entirely new world. Of course, I thought about graduation from day one, but I never thought of how quickly it would come. For all the opportunities to grow and learn, and the experiences that Shawnigan has offered me, I am very grateful. Bumps in the road are unavoidable, and I am honoured to have been accepted into a house that holds values like perseverance so highly and to be with brothers and staff that were always there for me.

I joined Shawnigan for my last year of high school and if I had the chance to go back in time, I'd have came earlier. Shawnigan has taught me so much, not only as a student, but as a person. It has helped me develop skills that I'd never even thought of applying in life, and has pushed me to become a better version of myself. All of this wouldn't of happened without the support of my family and my second family of Lonsdales. Without the boys in Lonsdales, I wouldn't of been able to become who I am today. The amount of support the boys of Lonsdales provided was more than I could ever ask for. To my Lonsdale brothers, I say once a Phoenix always a Phoenix—I love you boys. Wish you guys all the best—Moose.

"Do not go where the path may lead, go instead where there is no path and leave a trail." ~Ralph Waldo Emerson

"The purpose of life is not to be happy. It is to be useful, to be honourable, to be compassionate, to have it make some difference that you have lived and lived well." ~Ralph Waldo Emerson

Alexandra (AJ) Mears

Although my time at Shawnigan was short, it was a time I will never forget. Coming in my final year of school was a risk, and one I do not regret. This year was packed with amazing memories and unforgettable experiences. Without Shawnigan, I would never have met the people I call my best friends. Together we shared plenty of laughs and cries, and sometimes at the same time. Being a part of the Shawnigan Iron Women was something of a dream. The rugby itself was amazing, but my teammates were really what made it special. I've never been so happy and proud to walk out onto a pitch as I did playing with them. Finally, and certainly not least, the Service club. Through the club I got to meet the most wonderful people. My biggest take away was something Mr. Dukelow would often tell us: "Don't mistake kindness for weakness."

"Sometimes you've got to put your oars in the boat and go with the flow" ~My Mom

It's hard to believe that five years ago I came to Shawnigan as a 13 year old brat, with her mind set on staying at Shawnigan for only one year--clearly my plan catastrophically failed. First of all, I want to thank my parents for putting up with me for the last 18 years, for never failing to support my crazy ideas and always prioritizing my education above anything else. I want to thank all the girls in Kayes house - past and present - for loving me through my most annoying and "princessy" moods. Thank you to Mrs D ("D-Dog"), Rev, and Mr Boyce, for helping me cope with the madness of Shawnigan, keeping me sane and out of Wilbur. Finally, I would like to thank all of my "buddies" for making my time at Shawnigan one I'll cherish forever. Thanks for the memories, boizz!

This place, these people, the memories -- it's been a crazy roller coaster! I am so grateful for the opportunity to spend three years here, not to mention the opportunities that were offered. Grade 10 was full of socializing, and grade 11 seemed like I was constantly having breakdowns about school. Now, grade 12 -- to be honest, I don't know how to summarize this year. It's gone by so slowly, yet it couldn't have gone faster. I'm always going to carry these times with me, and I just want to say thank you. Thank you for being in my life whether it was just seeing your face around campus or being one of my go tos. Hey you! Yes, you! The one reading this: text me, call me, I don't care who you are or what you're doing; I miss you!

"Wait, so you were named after a planet?" - yes, I was, relax, no need to call me Venus - we're not in Russia anymore. I have to admit, living the life of a normal person without Anstey's attempts to say "zdravstvuite" or Mr. Wilke's, "How's Vlad today?" or one of my friends screaming "Mother Russia" in the hallway whenever I pass by, will take some getting used to. Okay, now I actually have to write something serious. So, seriously: "Copy and paste everyone else's thanks to the school and their parents and their friends" because I'm not a serious kind of person - if you know me, you know that. At the end of the day, you might leave Shawnigan, but Shawnigan never leaves you. Even after we leave this place, we will still feel the strong connections, and the bonds we've made here - and realizing this is the best part of graduating.

*"You live but once; you might as well be amusing." ~Coco Chanel

Johnathan (Jack) Newman

Year one quickly turned into year 3. I want to start by thanking my parents for supporting me. For their countless sacrifices and waves of encouragement in my high school endeavours ...thank you. Secondly, Mr. Pasquale and the boys on the court, you've shown me the meaning of teamwork, togetherness, and family. Furthermore, I want to thank all of my teachers, advisors, and coaches, signaling out Mr. Hyde-Lay, and Mr. Anctil for their hard work and dedication, for their guidance and life lessons. It's been a pleasure to work with you; for this, I offer my thanks. Finally, to my brothers in Copeman's, you boys are what make this House so special. Keep up the Raider spirit and traditions. To those that still have the fortune to be at Shawnigan, make the most out of it! You are a part of something special. I will forever have fond memories of this place and what it has taught me.

"Growing up I was never the most talented. I was never the biggest. I was never the fastest. I certainly was never the strongest. The only thing I had was my work ethic, and that has been what has gotten me this far." ~Tiger Woods

Maddie Nicholson

My time at Shawnigan -- what a thrilling three years. I arrived in grade 10 and didn't know a single soul except a few girls coming for the hockey program. My debut at Shawnigan started off well, cracking jokes with my roommate and bonding with the hockey team during Carly's deathly workouts. These years have passed by incredibly fast, and suddenly I am struggling to choose my grad quote and compose my grad paragraph. How do you capture such an amazing experience -- great new friends, fantastic teachers and staff, and countless memories -- in a single paragraph? I think more than anything I'll miss dying of laughter with my roommate, spotting a rat on our windowsill in Kayes, and of course our Halloween iconic duo costumes.

"It has been four years since I first embarked on this journey full of challenges and surprises. During the past four years, I was forced to endure many hardships which contributed to shaping me the way I am today. However, I'll admit that at first, I was skeptical about how enjoyable my experience at Shawnigan was going to be. This worry quickly got out of my mind as I met amazing people around the school, starting with the boys in Copeman's who were with me through all my ups and downs. We might not share the same blood, but they will forever be part of my family as our bond will never break. Also, the rugby team influenced me to be the person I am today. Since grade 10, the team and coaches have motivated me to work harder and be the best I can be; especially now in grade 12, they've taught me the true meaning of brotherhood. Also, I would like to thank every teacher that had to deal with me. I know it wasn't easy, but I hope it has been fun. I would especially like to thank Mrs. Conroy and Ms Agate, who had to handle me for 3 weeks straight in Zimbabwe. And last, but not least, a big shout out to B-town.

To be real, I didn't think I was going to finish high school, due to my learning disability of dyslexia but mainly because it's high school. The boarding house of Duxbury at Shawnigan Lake School over the past four years has taught me to live life by the following "Duxbury Pillars": Perseverance, Respect, Integrity and Honour. The four pillars of my boarding house have taught me to fight through difficult situations that I've encountered throughout my time here at Shawnigan. I will proudly carry these pillars through all of my future endeavours.

I've been at Shawnigan for four years, starting in my grade 9 year. The people are what make the School truly memorable, namely Mr. Robertson, Mr. Vendables. and the boys in Lake's. Even playing golf, I still find walking across grass difficult after hearing Mr. Robertson's countless reiterations during Chapel and in Marion Hall of "If you cut corners in the grass, you're going to cut corners in life." I had Mr. Vendables as a teacher in both my grade 9 and grade 12 years; he is the best teacher I've ever had, with the ability to make even math interesting. I'll always remember his affection for pronouncing phrases with the first letter of each word switched. Lake's house has been a good home for the last four years, and the never-ending stream of entertainment provided by the boys will be something I truly miss next year.

Hi everyone! When I arrived for grade ten, I was excited for the opportunity to be a part of this truly amazing school where I was able to pursue my hockey career and develop academically and socially. The incredible three years I have spent at Shawnigan were made by people who were engaged and proud to be part of Shawnigan. Thank you to Mrs. Plater, Ms. Montgomery, Mrs. Conroy, and Mrs. Hamilton, each and every one of my teachers, staff, and of course, my coaches: TCoy, Kristy, and Carly (my second mom). You all have contributed to my amazing experience. There have been many unforgettable experiences provided by my Shawnigan families: the hockey girls and Kaye's house. Also, I am eternally grateful for my personal family, as they are the backbone of my strength and success... and Maddie Nicholson who has made my stomach hurt from laughter on a daily basis.

My five years at Shawnigan have been amazing. This place has been the highlight of my life. I would like to thank all the boys in the House that have been my brothers for five years. The bond and memories we have created will stick with me for life. I would also like to make a special thank you to Mr. Hyde-Lay for never giving up on me. I would also like to thank the Rev for everything he has done for me. He has been like a second father to me, helping me through my toughest days and turning me into a better man. He has always had my back and I will be forever grateful for that. Finally, I would like to thank my parents; the sacrifices you guys have made for me are extraordinary. I will forever be in your debt, and I love you both dearly.

I sailed from never raw land, where the sun never sleeps, and the heat never ceases. There I stirred my wooden boat to the blue wilderness of cold. Adventuring on the raging ocean, I was set in motion to discover a new tomorrow. At the end of my journey, I went from a mere navigator to an old salt sailor.

"It is through the turbulent sea that great sailors are made. Thus, I consider myself an experienced navigator of the unforgiven blue desert called the ocean." ~LGSMC

When I first arrived at Shawnigan I immediately knew that this school was going to surround me with some very memorable people. Now, I am in grade 12 and I think back to all the great times and amazing bonds I have made at this school. There are so many individuals that have made my experience incredible. Ms. Allen, my wonderful advisor, who I will miss so much. My teachers, for providing me with the knowledge I have today. Lastly, all of Kaye's house; the girls and the staff throughout my years have been nothing but kind and I thank you all for being a part of my life. Thank you to everyone who makes saying goodbye so difficult.

The two years I've spent at Shawnigan have been a whirlwind. My experience at this school has had many ups and downs, yet I somehow managed to hang on for the ride. I would like to thank my parents for supporting me through all of my wishy washy decisions and for letting me create my own path. I would also like to give a shoutout to Mrs. Conroy whom I look up to indubitably and who has never stopped supporting and believing in me. I am internally grateful for all the friends I made at Shawnigan and the memories I will cherish forever.

The two years I've spent at Shawnigan have been nothing short of incredible. I've forged friendships that will stand the test of time and have memories I will cherish forever. This school has become a home away from home, and the people have truly become my second family. I'd like to firstly thank my friends and my family for getting me through the worst. I'd also like to thank Mrs. Ketch for her endless kindness and support throughout the year, Dr. Taylor for calling me Marissa for half of my senior year, and Mr. Lupton for making even my weakest subject insightful and exciting. I'll definitely miss this place.

After 5 years at Shawnigan, I can hardly believe that my current lifestyle will change vastly over the course of the next few months. I've learned much at Shawnigan, education aside; I learned how to appreciate the friendships that I've made throughout my years here. Each person I've met has had an impact on my life, no matter how small that may be. I learned to challenge myself in all aspects of Shawnigan--academics, fine arts, and sports. The past 5 years have been an amazing experience for me. Thank you to everyone that has supported me up to this point!

I am beyond grateful for all of the incredible memories that I have made over the past three years at Shawnigan. Thank you to all of my teammates and coaches from my volleyball, basketball, and rugby teams for being a constant source of happiness in my life and for shaping me into the person I am today. I also want to thank the duty staff in Strathcona, my friends both in and out of the house, and all of my teachers for being so supportive and always putting a smile on my face. Most importantly, I want to thank my parents for making all of this possible and for everything that they do for me.

My three years at Shawnigan have flown by, but I am extremely grateful to have gotten the opportunity to create amazing memories and make life-long friendships. I want to thank my coaches Carly Haggard, Tim Coy, and Kristie Sykes for putting up with my many tears, jokes, and overall craziness throughout my three years. I also could never have done it without the support from the Strath girls, especially the 12s for being the best friends I could ever ask for.

"You'll never know what you can't achieve, until you don't achieve it." ~Mr. Gordon

I have had more than eighty sisters come and go through the doors of Kaye's house. Every single one of them played a vital role in creating the sister, daughter, friend, student, player, dancer, cousin, niece, and granddaughter I am today. I will never be prepared to say goodbye to the family who adopted me with open arms. The only attached conditions to being a member of the Kayes family were spirit, love, and noisiness. I have had the best three years at Shawinigan, with the best people by my side. I've learned to never cease from mental fight, and I will forever carry my purple memories with me. I am beyond grateful that my parents gifted me the opportunity of a Shawinigan education. So thank you, Mom, Dad, Lara, and Auds for encouraging me to be myself, and most importantly, to persevere. To both my families, thank you.

Class of 2019....After five years of Shawnigan, it has come to an end. I will never forget the memories I have of Copeman's House and of the hockey rink. Copeman's House was the best place I could've spent these last five years. Mr. Hyde-Lay took me in and was someone I have looked up too ever since I walked into his office and shook his hand in grade 8. Hockey has been the highlight of my Shawnigan experience. I hope to keep making new memories throughout my life and have them reflect my experiences with my team. From playing with Var Gold to playing on Prep for Kevin Cooper, it's been a fun ride and I'll never forget it.

Carl Swanson

You never stop learning. If a day goes by and you can wholeheartedly admit that you have not learned something, it was wasted. People talk about the greatness of university, saying it teaches you everything you need to know, when really, you'll never learn everything--life is too short. As we depart adolescence to enter the realm of reality, our knowledge is what shapes us. It frays normalcy, making us unique. I am an adventurer and have always desired to study and live abroad. When you are limited to knowing the culture and commonalities of your own world, you live within barriers. Expand your horizons and explore. I bid you all adieu, and wish the best on your separate journeys. I hope that our paths cross in the future; however, until then, be curious, embark upon your travels in wonder, and never admit that you know everything.

It takes courage to begin a new chapter of my life in a world that is full of opportunities. Although sentimentality is not a strong suit of mine, I have noticed feelings of nostalgia, joy, and excitement for what the future offers. At Shawnigan, I have learned that as the pages take you through time, you will discover paths that add to your happiness and your success. With courage and faith in our hearts, the road will be a long one, but when we reach a certain place and time, all our dreams will shine through. To everyone with whom I share special memories, I thank you for believing in me and contributing to my life in full support.

When I first came to Shawnigan, I barely knew how to speak English, so I knew that it was going to be a challenge for me if I wanted to have a good time. Throughout my first days, I was living in a nightmare at the school, but the boys from Ripley's House helped me out and they made me feel better. The boys and staff from Ripley's have taught me so many things, and have helped me succeed during my stay here. I am thankful that I had the opportunity to study at Shawnigan and for all the friends I made here. Our friendships will last forever even if we are far away from each other. I am grateful for all the valuable and fun experiences Shawnigan gave me that I will never forget.

It's hard to summarize all the things that happened in the last three and a half years at SLS. A lot of memories, good or bad, will be cherished for a long time. I want to thank my parents for sending me all the way across the Pacific to study, and my house director, deputy house director and house staff, Mr. Doig and Mr. William, for making Dux just like my second home. I also want to thank all my teachers for supporting my academics throughout my time at Shawnigan, especially Mrs. Edgson (please pronounce the "g" she loves it). to thanks she for improv I Canadian Language the big lat. Also I want to thank Freddy Wang and Byron Zhang for having my back, Gustavo for being my secret Freaking Awesome Gang agent (please watch on YouTube), Will Harris for carrying me in Overwatch (Will's mom for letting me stay over), Crystal Dong for taking care of me and so many people who help me get through my years in Shawnigan. Anyway, good luck to all the Shawnigan staff and students in their future journey.

Looking back on my time at Shawnigan, I find that my most treasured memories are not the ones associated with victory or defeat. Instead, little moments crowd my memory. While passing in the moment, they were all part of the overarching journey which delivered me to graduation day. Much like an arduous family road trip, the destination is often hardly as enjoyable as the journey, no matter the final grandeur. Memories of working late in the robotics lab, getting ready for approaching tournaments while bantering with everyone in earshot, or waking up at 6 to go rowing on the mirror-like water, fill my mind more and more as graduation approaches. Surely none of those memories would have nearly the impact that they did if there was an absence of any of the people which made them possible. Thank you for creating these little moments I shall most fondly remember.

*"...and bake!" ~Cal Naughton Junior
"The struggke towards the heights is enough to fill a man's heart.
One must imagine Sisyphus happy." ~Albert Camus*

Aaron Wong

Oh boy, 5 years here and I still don't know what I'm doing. You can also say I've been here a Wong time. Aha. Shawnigan has been the best thing that ever happened to me. The bonds and memories I have formed here are indestructible. It's been quite the journey, coming into grade 8 as a scrawny little kid, and now, not so much. I would like to think that I got a little bit bigger and more mature, but again, probably not. I'd like to thank my parents, my brothers, and my advisors—Mr. Robertson and Mrs. Milne—for getting me through high school; the duty staff, Mr. Monroe, TCoy, Mr. McDaniel, and JZ for putting up with my late night food runs and nonsense. Also, my coaches and teachers for involuntarily putting up with me. This marks the end of the Wong Dynasty.

"Article 2: A Bro is always entitled to do something stupid, as long as the rest of his bros are all doing it." ~Barney Stinson on the Bro Code

Signatures

Chloe Brigden

February 12, 2001 - June 6, 2019

Class of 2018

An amazing girl was taken from us way too early. I can truly say that Chloe touched the lives of everyone she met. No matter the situation, the girls in Renfrew and her friends were always her first priority. She had a special way of making any situation light hearted with that amazing laugh of hers. She was kind, funny, brilliant, adventurous, confident, strong and bled orange. It can be said that Shawnigan Lake School is a better place because of Chloe Brigden. She will live on in our hearts and be greatly missed.

Love, Maggie Banks
Head of Renfrew House 2019
